## **Lusitania An Epic Tragedy:**

**Lusitania** Diana Preston,2002-05-01 An account of the 1915 sinking of the Lusitania offers a portrait of early twentieth century maritime history and the terrible impact of the disaster on the course of World War I **Remember the Lusitania!** Diana Preston,2003-05 An account of the World War I German torpedo attack on and sinking of the passenger liner the Lusitania describing the experiences of some of those involved *Voices of the Lusitania* Diana Preston,2015-03-10 Diana Preston curates a spectacular and harrowing collection of voices from the Lusitania tragedy Eyewitness accounts capture the ship s sinking in real life detail as more than half the ship s crew and passengers were drowned when a German U boat torpedoed the ship on its 101st crossing of the Atlantic on May 7th 1915 Choosing War Douglas Carl Peifer,2016-06-08 Throughout US history presidents have had vastly different reactions to naval incidents Though some incidents have been resolved diplomatically others have escalated to outright war What factors influence the outcome of a naval incident especially when calls for retribution mingle with recommendations for restraint Given the rise of long range anti ship and anti air missile systems coupled with tensions in East Asia the Persian Gulf and the Black and Baltic Seas the question is more relevant than ever for US naval diplomacy In *Choosing War* Douglas Carl Peifer compares the ways in which different presidential administrations have responded when American lives were lost at sea He examines in depth three cases the Maine incident 1898 which led to war in the short term the Lusitania crisis 1915 which set the trajectory for intervention and the Panay incident 1937 which was settled diplomatically While evaluating Presidents William McKinley Woodrow Wilson and Franklin Delano Roosevelt s responses to these incidents Peifer lucidly reflects on the options they had available and the policies they ultimately selected The case studies illuminate how leadership memory and shifting domestic policy shape presidential decisions providing significant insights into the connections between naval incidents war and their historical contexts Rich in dramatic narrative and historical perspective *Choosing War* offers an essential tool for confronting future naval crises **Disasters, Accidents, and Crises in American History** Ballard C. Campbell,2008 Presents a chronologically arranged reference to catastrophic events in American history including natural disasters economic depressions riots murders and terrorist attacks **Her Treasure Hunter Ex (Ballybeg Bad Boys, Book 1)** Zara Keane,2015-09-10 She d left him in the past Underwater photographer Katy Ryan snags the assignment of a lifetime the chance to explore the wreck of RMS Lusitania But there s a catch Her infuriating ex fianc is on the exploration team He s about to blow up her future Declan Dex Fitzgerald is a treasure hunter on a mission Priceless necklaces are hidden in the wreck of the Lusitania With a loose idea of where to find the gems and even looser morals Dex wrangles a last minute job on the team And realizes he ll have to work alongside his uptight but sexy as hell ex And they re not the only ones in pursuit of the treasure With sparks flying and oxygen tanks running low can Dex and Katy retrieve the gems before the bad guys

**The Secret War on the United States in 1915** Heribert von Feilitzsch,2015-01-01 The Secret War Council Germany s

spy organization in New York received orders from Berlin to stop the flow of munitions through terrorism in January 1915 German agents in the U S firebombed freighters on the high seas incited labor unrest fomented troubles along the Mexican American border and damaged or destroyed dozens of American factories and logistics installations The German secret war against the United States in 1915 its discovery and publication combined with the disastrous sinking of the Lusitania in May of that year did much to prepare the American public to finally accept joining the Entente powers against Germany in 1917 This is the story of a group of German agents in the United States who executed this mission *The Ballybeg Bad Boys (Complete Edition)* Zara Keane,2018 Love Irish heroes and adrenaline fueled romance For the first time all five stories in the Ballybeg Bad Boys action romance series are bundled together in one complete set 1 Her Treasure Hunter Ex 2 The Rock Star s Secret Baby 3 The Navy SEAL s Holiday Fling 4 Bodyguard by Day Ex Husband by Night 5 The Navy SEAL s Accidental Wife *A Companion to Ezra Pound's Guide to Kulchur* Anderson Araujo,2018 Published in 1938 Guide to Kulchur encapsulates Ezra Pound s chief concerns his cultural historiographic philosophical and epistemological theories his aesthetics and poetics and his economic and political thought In its fifty eight chapters and postscript it constitutes an interdisciplinary and transhistorical cultural anthropology that exemplifies his slogan for the renovation of ancient wisdom for current use Make It New Though wildly encyclopedic allusive and recursive Guide to Kulchur is inescapable in any serious study of Pound A Companion to Ezra Pound s Guide to Kulchur addresses the formidable interpretive challenges his most far reaching prose tract presents to the reader Providing page by page glosses on key terms and passages the Companion also situates Pound s allusions and references in relation to other texts in his vast body of work especially The Cantos Striking a balance between rigorous scholarly standards and readerly accessibility the book is designed to meet the needs of the specialist while keeping the critical apparatus unobtrusive so as also to appeal to students and the general public A long needed resource A Companion to Ezra Pound s Guide to Kulchur makes a lasting contribution to the study of one of the most influential and controversial literary figures of the twentieth century **The Illusion Of Victory** Thomas Fleming,2008-08-05 The political history of the American experience in World War I is a story of conflict and bungled intentions that begins in an era dedicated to progressive social reform and ends in the Red Scare and Prohibition Thomas Fleming tells this story through the complex figure of Woodrow Wilson the contradictory president who wept after declaring war devastated because he knew it would destroy the tolerance of the American people but who then suppressed freedom of speech and used propaganda to excite America into a Hun hating mob This is tragic history inexperienced American military leaders drove their troops into gruesome slaughters progressive politics were put on hold in America an idealistic president s dreams were crushed because of his own negligence Wilson s inability to convince Congress to ratify U S membership in the League of Nations was one of the most poignant failures in the history of the American presidency but even more heartrending were Wilson s concessions to his bitter allies in the Treaty of Versailles In exchange for Allied support of the

League of Nations he allowed an unfair peace treaty to be signed a treaty that played no small role in the rise of National Socialism and the outbreak of World War II Thomas Fleming has once again created a masterpiece of narrative American history This incomparable portrait shows how Wilson sacrificed his noble vision to megalomania and single mindedness while paying homage to him as a visionary whose honorable spirit continues to influence Western politics **Power, Space, and Time**

J. Patrick Rhamey Jr.,Tadeusz Kugler,2020-01-24 Undergraduate students in most preliminary courses in international politics are introduced to realist liberal and constructivist approaches supplementing this theoretical introduction with conceptual discussions of the state international system and or decision making and policy formation By the end of their college experience undergraduate IR majors will engage coursework more narrowly focused on an empirical outcome such as war economic integration development or migration These advanced courses are directly linked to modern research agendas and graduate level course material usually with few references to the theoretical paradigms taught in introductory classes This volume seeks to bridge the gap between what is taught in early undergraduate education and what is created by scholars uniting abstract theoretical principles with practical contemporary policy and testable empirical questions **The**

**Joseph M. Brucoli Great War Collection at the University of South Carolina** Elizabeth A. Sudduth,2005 Brucoli Great War Collection at the University of South Carolina An Illustrated Catalogue provides a reference tool for the study of one of the great watershed moments in history on both sides of the Atlantic serving historians researchers and collectors

**Clash of the Capital Ships** Eric Brose,2021-09-15 The Battle of Jutland May 31 June 1 1916 pitted Great Britain and Imperial Germany the two largest fleets of World War I against one another for the first time At that time it would be the largest clash of capital ships in the history of modern naval warfare Arguably the outcome of World War I was at stake Focusing on the many fine studies of naval encounters in the North Sea and the primary sources that appeared as the centennial of this clash approached Eric Dorn Brose seized an opportunity to reexamine Jutland its pre history and aftermath Considering new scholarship within the context of extant literature the author reveals why each side claimed a victory that belonged to Britain and its cautious admiral Sir John Jellicoe by examining the key roles naval and political leaders in Germany and Great Britain played during the fight With an awareness of previous research and a lively fresh approach Brose provides a concise history of the Jutland clash and the era of naval combat itself **The United States in World War I**

James T. Controvich,2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in The United States in World War I A Bibliographic Guide the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich s bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day

Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists The United States in World War I A Bibliographic Guide is an ideal research tool for students and scholars of World War I and American history

*Colonel House* Charles E. Neu, 2014-12-31 Charles E Neu details the life of Colonel House a Texas landowner who rose to become one of the century's greatest political operators

**Cleopatra and Antony** Diana Preston, 2009-07-01 On a stiflingly hot day in August 30 B C the thirty nine year old Queen of Egypt Cleopatra took her own life rather than be paraded in chains through Rome by her conqueror Octavian the future emperor Augustus A few days earlier her lover of eleven years Mark Antony had died in her arms following his own botched suicide attempt Oceans of mythology have grown up around them all of which Diana Preston puts to rest in her stirring history of the lives and times of a couple whose names more than two millennia later still invoke passion curiosity and intrigue This book sets the romance and tragedy of Antony and Cleopatra's personal lives within the context of their political times There are many contemporary resonances the relationship between East and West and the nature of empire the concealment of personal ambition beneath the watchword of liberty documents forged edited or disposed of special relationships established constitutional forms and legal niceties invoked when it suited Indeed their lives and deaths had deep political ramifications and they offer a revealing perspective on a tipping point in Roman politics and on the consolidation of the Roman Empire Three hundred years would pass before the east would with the rise of Constantinople and the Byzantine Empire once again take a share of political power in the Mediterranean In an intriguing postscript Preston speculates on what might have happened had Antony and Cleopatra defeated Octavian at the Battle of Actium in 31 B C

**The Dark Defile** Diana Preston, 2012-02-21 The consequences of crossing the Indus once to settle a government in Afghanistan will be a perennial march into that country The Duke of Wellington 1838 There is nothing more to be dreaded or guarded against in our endeavor to re establish the Afghan monarchy than the overweening confidence with which Europeans are too often accustomed to regard the excellence of their own institutions and the anxiety that they display to introduce them in new and untried soils Claude Wade January 1839 Convinced in 1839 that Britain's invaluable empire in India was threatened by Russia Persia and Afghan tribes the British government ordered its Army of the Indus into Afghanistan to oust from power the independent minded king Dost Mohammed and install in Kabul the unpopular puppet ruler Shah Shuja Expecting a quick campaign the British found themselves trapped by unforeseen circumstances eventually the tribes united and the seemingly omnipotent army was slaughtered in 1842 as it desperately retreated through the mountain passes from Kabul to Jalalabad Only one man survived Diana Preston vividly recounts the drama of this First Afghan War the opening salvo in the strategic rivalry between Britain

and Russia for supremacy in Central Asia As insightful about geography as she is about political and military miscalculation Preston draws on rarely documented letters and diaries to bring alive long lost characters Lord Auckland the weak British Governor General in India his impetuous aide William McNaghten the prescient adventurer envoy Alexander Burnes whose sage advice was steadfastly ignored A model of compelling narrative history The First Afghan War is a cautionary tale that resonates loudly today     **Taj Mahal** Diana Preston,2009-05-26 While Galileo suffered under house arrest at the hands of Pope Urban VIII the Thirty Years War ruined Europe and the Pilgrims struggled to survive in the New World work began on what would become one of the Seven Wonders of the World the Taj Mahal Built by the Moghul emperor Shah Jahan as a memorial to his beloved wife Mumtaz Mahal its flawless symmetry and gleaming presence have for centuries dazzled everyone who has seen it and the story of its creation is a fascinating blend of cultural and architectural heritage Yet as Diana at its height it contained 100 million people from Afghanistan in the north and present day Pakistan in the west to Bengal in the east and southwards deep into central India With the storytelling skills that characterize their previous books Diana Michael Preston bring alive both the grand sweep of Moghul history and the details that make it memorable the battles and dynastic rivalries that forged the Empire alongside an intimate chronicle of daily life within the imperial palace A tale of overwhelming passion the story of the Taj has the cadences of Greek tragedy and the ripe emotion of grand opera and puts a memorable human face on the marble masterpiece     **Paradise in Chains** Diana Preston,2017-11-07 Celebrated historian Diana Preston presents betrayals escapes and survival at sea in her account of the mutiny of the Bounty and the flight of convicts from the Australian penal colony The story of the mutiny of the Bounty and William Bligh and his men s survival on the open ocean for 48 days and 3 618 miles has become the stuff of legend But few realize that Bligh s escape across the seas was not the only open boat journey in that era of British exploration and colonization Indeed 9 convicts from the Australian penal colony led by Mary Bryant also traveled 3 250 miles across the open ocean and some uncharted seas to land at the same port Bligh had reached only months before In this meticulously researched dual narrative of survival acclaimed historian Diana Preston provides the background and context to explain the thrilling open boat voyages each party survived and the Pacific Island nations each encountered on their journey to safety Through this deep dive readers come to understand the Pacific Islands as they were and as they were perceived and how these seemingly utopian lands became a place where mutineers convicts and eventually the natives themselves were chained     *Power at Sea* Lisle A. Rose,2007 Volume 1 Traces the social issues technological advances and combative encounters of the international naval race from 1890 through WWI as the largest industrial nations U S Great Britain Japan and Germany scrambled to secure global markets and empire using their battleship navies as pawns of power politics Provided by publisher
