Lyndon Larouche And The New American Fascism

Richard Landes, Steven T. Katz

Lyndon Larouche And The New American Fascism:

A History of Fascism, 1914-1945 Stanley G. Payne, 1996-01-01 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

The Paranoid Apocalypse Richard Landes, Steven T. Katz, 2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational

The Emergence of a Euro-American Radical Right Jeffrey Kaplan, Leonard Weinberg, 1998 The United States and Western Europe are experiencing a new and important cultural and political development In this book Jeffrey Kaplan and Leonard Weinberg argue that there now exists a set of conditions common to the United States and Western Europe that draws right wing radicals on both sides of the Atlantic closer together

The Revival of Right Wing Extremism in the Nineties Peter H. Merkl, Leonard Weinberg, 2014-01-14 Most studies of the radical right concentrate on movements in a single country neglecting to some extent the international dimensions of right wing extremism Here Merkl and Weinberg adopt a comparative perspective concentrating on the revival of the right across a variety of countries

American Dissidents Kathryn Gay, 2011-12-12 Anarchists civil rights advocates dissidents and political pundits have all played key roles in shaping our nation Examining modern day individuals like WikiLeaks Bradley Manning and conservative video prankster James O Keefe as well as those of prior decades like Cesar Chavez this book profiles controversial figures across history The two volume American Dissidents An Encyclopedia of Activists Subversives and Prisoners of Conscience is a work that is as interesting as it is important spotlighting men and women who are heroes to some outlaws and villains to others The 150 individuals profiled in this encyclopedia represent diverse ethnic racial and religious backgrounds as well as various movements and ideologies They are authors anarchists civil rights advocates communists entertainers environmentalists government officials labor organizers libertarians military personnel pacifists political activists from the left and right religious leaders and suffragettes all of whom have labored to change the social economic and political landscapes of the United States Each of the profiles of 2 000 words or more offers not only biographical data but also information to help readers place the individuals within the context of events that surrounded and influenced their activities Because objectivity is a key consideration of the work entries include both praise and criticism

Right-Wing Populism in America Chip

Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America **The Sacred in Twentieth-Century Politics** R. Griffin, R. Mallett, J. Tortorice, 2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon **Rumor, Repression, and Racial Politics** George Derek Musgrove, 2012 While historians have devoted an enormous amount of attention to documenting how African Americans gained access to formal politics in the mid 1960s very few have scrutinized what happened next and the small body of work that does consider the aftermath of the civil rights movement is almost entirely limited to the Black Power era In *Rumor Repression and Racial Politics* Derek Musgrove pushes much further presenting a powerful new historical framework for understanding race and politics between 1965 and 1996 He argues that in order to make sense of this recent period we need to examine the harassment of black elected officials the ways black politicians were denied access to seats they'd won in elections or after taking office were targeted in corruption probes Musgrove's aim is not to evaluate whether individual allegations of corruption had merit but to establish what the pervasive harassment of black politicians has meant politically and culturally over the course of recent American history It's a story that takes him from California to Michigan to Alabama and along the way covers a fascinating range of topics Watergate the surveillance state the power of conspiracy theories the plunge in voter turnout and even the strange political campaigns of Lyndon LaRouche Provided by publisher *On the Edge* Dennis Tourish, Tim Wohlforth, 2015-05-22 This is the first book to document the extent of political cults on both the right and left and explain their significance for mainstream political organizations The authors outline the defining characteristics of cults in general and analyze the degree to which a variety of well known movements fall within the spectrum of cultic organizations The book

covers such individuals and groups as Lyndon LaRouche Fred Newman Ted Grant Marlene Dixon the Christian Identity movement Posse Comitatus Aryan Nation militias and the Freemen It explores the ideological underpinnings that predispose cult followers to cultic practices along with the measures cults use to suppress dissent achieve intense conformity and extract extraordinary levels of commitment , *Green Backlash* Andrew Rowell,2017-09-25 The tide is turning against environmentalism as the political right industry and governments fight back *Green Backlash* is a controversial expose of the anti environmental movement Tracing the rise of the backlash from the Wise Use movement in the USA the author reveals its rapid spread worldwide the anti roads movement in the UK forestry debates in Canada and Australia marine resource issues in Europe South East Asia and controversies such as the Brent Spar The backlash is set to get worse as the resource wars intensify This book offers a greater understanding of the challenges and threats facing global environmentalism concluding that the environmental movement now has a chance to re evaluate and change for the better to beat the backlash a chance that must not be missed *Powershift* Alvin Toffler,2022-01-04 Alvin Toffler s *Future Shock* and *The Third Wave* are among the most influential books of our time Now in *Powershift* he brings to a climax the ideas set forth in his previous works to offer a stunning vision of the future that will change your life In *Powershift* Toffler argues that while headlines focus on shifts of power at the global level equally significant shifts are taking place in the everyday world we all inhabit the world of supermarkets and hospitals banks and business offices television and telephones politics and personal life The very nature of power is changing under our eyes *Powershift* maps the info wars of tomorrow and outlines a new system of wealth creation based on individualism innovation and information As old political antagonisms fade Toffler identifies where the next far more important world division will arise not between East and West or North and South but between the fast and the slow In *Powershift* Alvin Toffler has formulated the deepest most comprehensive synthesis yet written about the civilization of the twenty first century It is one of the most important books you will ever read Praise for *Powershift* A sweeping synthesis by placing the accelerated changes of our current information age in the larger perspective of history Mr Toffler helps us to face the future with less wariness and more understanding *The New York Times Book Review* An insightful guide to a bewildering present and a frightening future thought provoking on every page *Newsday* *Encyclopedia of Right-Wing Extremism in Modern American History* Stephen E. Atkins,2011-09-13 This encyclopedia covers American right wing extremist groups and extremism from the 1930s to the present day including neo Nazis the Ku Klux Klan and various anti government organizations Right wing extremism in America has had an established presence from the 1930s through the present day The election of America s first African American president and the resuscitation of big government policymaking have stimulated a reaction from and a reemergence of right wing extremists Neo Nazis racist skinheads and white supremacists Unfortunately it seems Americans are still living in an age of extremism *The Encyclopedia of Right Wing Extremism in Modern American History* provides useful authoritative information about these groups and their

histories covering conservative extremism from the 1930s onward such as white supremacist groups and neo Nazis Christian Identity and other right wing religious movements and anti American government extremists An introductory overview insightful conclusion chapter and useful up to date bibliography are also included Revolution in the Air Max Elbaum, 2018-04-10 Revolution in the Air is the definitive study of how radicals from the sixties movements embraced twentieth century Marxism and what movements of dissent today can learn from the legacies of Lenin Mao and Che

Terror, Love and Brainwashing Alexandra Stein, 2016-11-03 Written by a cult survivor and renowned expert on cults and totalitarianism Terror Love and Brainwashing draws on the author's 25 years of study and research to explain how almost anyone given the right set of circumstances can be radically manipulated to engage in otherwise incomprehensible and often dangerous acts Illustrated with compelling stories from a range of cults and totalitarian systems from religious to political to commercial the book defines and analyses the common and identifiable traits that underlie almost all these groups It focuses on how charismatic authoritarian leaders control their followers attachment relationships via manipulative social structures and ideologies so that emotionally and cognitively isolated they become unable to act in their own survival interests Using the evolutionary theory of attachment to demonstrate the psychological impact of these environments and incorporating the latest neuroscientific findings Stein illustrates how the combined dynamic of terror and love works to break down people's ability to think and behave rationally From small local cults to global players like ISIS and North Korea the impact of these movements is widespread and growing This important book offers clarity and a unique perspective on the dynamics of these systems of control and concludes with guidance to foster greater awareness and prevention It will be essential reading for mental health professionals in the field as well as policy makers legal professionals cult survivors and their families as well as anyone with an interest in these disturbing groups Students of social and developmental psychology will also find it fascinating

William Dudley Pelley Scott Beekman, 2005-10-17 William Dudley Pelley was one of the most important figures of the anti Semitic radical right in the twentieth century Best remembered as the leader of the paramilitary Silver Shirts Pelley was also an award winning short story writer Hollywood screenwriter and religious leader During the Depression Pelley was a notorious presence in American politics he ran for president on a platform calling for the ghettoization of American Jews and was a defendant in a headlinegrabbing sedition trial thanks to his unwavering support for Nazi Germany Scott Beekman offers not only a political but also an intellectual and literary biography of Pelley greatly advancing our understanding of a figure often dismissed as a madman or charlatan His belief system composed of anti Semitism economic nostrums racialism neo Theosophical channeling and millenarian Christianity anticipates the eclecticism of later cult personalities such as Shoko Asahara leader of Aum Shinrikyo and the British conspiracy theorist David Icke By charting the course of Pelley's career Beekman does an admirable job of placing Pelley within the history of both the anti Semitic right and American occult movements This exhaustively researched book is a welcome addition to the growing body

of scholarship on American extremism and esoteric religions **Tonight We Bombed the U.S. Capitol** William Rosenau,2020-01-07 In a shocking never before told story from the vaults of American history Tonight We Bombed the US Capitol takes a close look at the explosive hidden history of M19 the first and only domestic terrorist group founded and led by women and their violent fight against racism sexism and what they viewed as Ronald Reagan s imperialistic vision for America In 1981 President Ronald Reagan announced that it was morning in America He declared that the American dream wasn t over but the United States needed to lower taxes shrink government control and flex its military muscles abroad to herald what some called the Reagan Revolution At the same time a tiny band of American born well educated extremists were working for a very different kind of revolution By the end of the 1970s many radicals had called it quits but six veteran women extremists came together to finish the fight These women had spent their entire adult lives embroiled in political struggles protesting the Vietnam War fighting for black and Native American liberation and confronting US imperialism They created a new organization to wage their war The May 19th Communist Organization or M19 a name derived from the birthday shared by Malcolm X and Ho Chi Minh two of their revolutionary idols Together these six women carried out some of the most daring operations in the history of domestic terrorism from prison breakouts and murderous armed robberies to a bombing campaign that wreaked havoc on the nation s capital Three decades later M19 s actions and shocking tactics still reverberate for many reasons but one truly sets them apart unlike any other American terrorist group before or since M19 was created and led by women Tonight We Bombed the US Capitol tells the full story of M19 for the first time alongside original photos and declassified FBI documents Through the group s history intelligence and counterterrorism expert William Rosenau helps us understand how homegrown extremism a threat that still looms over us today is born **Culture Wars** Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today **The Beast Reawakens** Martin A. Lee,2013-10-23 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **Denying History** Michael Shermer,Alex Grobman,2023-11-15 Denying History takes a bold and in depth look at those who say the Holocaust never happened and explores the motivations behind such claims While most commentators have dismissed the Holocaust deniers as antisemitic neo Nazi thugs who do not deserve a response historians Michael Shermer and Alex Grobman have immersed themselves in the minds and culture of these Holocaust revisionists In the process they show how we can be certain that the Holocaust

happened and for that matter how we can confirm any historical event This edition is expanded with a new chapter and epilogue examining current shockingly mainstream revisionism Denying History takes a bold and in depth look at those who say the Holocaust never happened and explores the motivations behind such claims While most commentators have dismissed the Holocaust deniers as antisemitic neo Nazi thugs who do not dese

This is likewise one of the factors by obtaining the soft documents of this **Lyndon Larouche And The New American Fascism** by online. You might not require more mature to spend to go to the books inauguration as competently as search for them.
