Lyric Generation The Life And Times Of The Baby Boomers:

The Lyric Generation François Ricard, 1994 **The (Un)Making of the Modern Family** Daniel Dagenais, 2009-05-01

The family institution is undergoing a radical transformation The modern meanings of kinship marriage parenthood gender and sexuality are now being questioned and debates on same sex marriages and parenthood or on divorce and blended families are reflective of these challenges The Un Making of the Modern Family is neither an indictment of the new family nor a rallying cry It is a classical exercise of family sociology that draws upon a range of disciplines history anthropology psychology and demography to provide an interpretive model for understanding contemporary changes in the family It explores traditional family forms in order to identify changes that gave birth to the ideal type of the modern family and it discusses how the modern family s constituent elements the family as institution conjugal and parent child relationships and gender and sexuality relate to modernity s central feature the concept of the individual By reconstructing an archetype of the modern family this book explains why individuals have experienced its deconstruction as a profound identity crisis It will appeal to anyone concerned with the future of the post modern family and society Published originally by Les Presses de l Université Laval as *La fin de la famille moderne* this book was awarded the 2000 1 Prix Jean Charles Falardeau for the best book published in French in Canada in the field of social sciences

You Had to Be There Robert Collins, 2012-11-13 They gained their maturity in an age of monumental and unprecedented change from horse and buggy Model T Ford and crank telephone to moonwalks space shuttles and the Internet They are better educated more affluent more vigorous and longer lived than any generation before them yet obstinately cling to a forthright simplicity no generation is likely to regain They are proudly old fashioned in their outlook hardworking and frugal in their ways They are the last enthusiastic patriots the last to accept authority with respect They are the last generation to have reached adulthood without television credit cards computers or the Pill Their younger critics may call them old fogies Robert Collins calls them Generation M for mature In *You Had to Be There* Robert Collins gives us the entire history of this extraordinary and hugely influential generation Through this fascinating story he weaves the voices of Canadians from across the country who speak with humour regret and passion about the hardships and triumphs of their lives and about the widening gap between themselves and the rest of Canada Generation gaps are as old as humankind but rarely has there been as much misunderstanding and veiled animosity as there is between young and old today Robert Collins accounts for the prejudices pokes fun at the rivalries and with humour and sympathy invites younger Canadians to re examine their parents or grandparents lives and consider maybe for the first time the true proportion of their legacy

Born at the Right Time Doug Oram, 1997-12-15 It is rare in history for people to link their identity with

their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Owsram brings us the untold story of this famous generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock s dictate that this particular crop of babies must be treated gently Owsram explores the myth and history surrounding this group from its beginning at war s end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Owsram points out and laid their claim on history while still in diapers He sees the generation s power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women s liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Owsram s history of the baby boomers is in many ways a history of the era Doug Owsram has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book *Born at the Right Time* is the first Canadian history of the baby boomers and the society they helped to shape *Great Duty* L.B. Kuffert, 2003-10-22 English Canadian cultural critics from across the political spectrum championed self improvement self awareness and lively engagement with one s surroundings struggling to find a balance between the social benefits of democracy and modernization and what they considered the debilitating influence of the accompanying mass culture They used print and broadcast media in an attempt to convince Canadians that choosing wisely between varieties of culture was an expression of personal and national identity making cultural nationalism in Canada a middlebrow project As Kuffert argues if English Canadians are today more familiar with the ways in which modern life and mass culture envelop and define them if they live in a nation where private citizens and cultural institutions view the media as avenues of entertainment as businesses or as the means to construct identity they should be aware of the role of wartime and post war cultural critics in creating those orientations toward culture *In the Spirit of '68* Joel Belliveau, 2019-11-01 The 1960s were a victorious decade for francophones in New Brunswick who witnessed the election of the first Acadian premier and the opening of a French language university But in 1968 students took to the streets of Moncton demanding further concessions What provoked these students to spark a cultural revolution on par with those overtaking English Canada and Quebec Were they simply heirs to a long line of nationalists seeking more rights for francophones as older histories suggest or were they leftists whose demands echoed the ideas of student movements in Quebec English Canada the United States and France Belliveau argues that the student movement emerged in the late 1950s as an expression of the province s changing youth culture but then evolved as students drew inspiration from the ideas of the New Left shifting allegiance from liberalism to radical communitarianism and

ultimately fuelling the fires of a new brand of Acadian nationalism in the 1970s **Pluriel** Marc Charron, Seymour Mayne, Christiane Melançon, 2008-03-29 Ce livre réunit en version originale ainsi qu'en traduction une sélection de poèmes qui mettent en jeu les notions d'identité et d'altérité au Canada. S'y trouvent des textes d'auteurs des deux principales communautés linguistiques du pays mais aussi de poètes autochtones ou migrants. La pluralité des voix, la diversité des lectures possibles et la richesse du matériau montrent bien que l'identité et l'altérité constituent un horizon ouvert, signe d'une société en évolution, donc bien vivante. **Pluriel** provides a composite snapshot taken from a few particular angles of the variety of poems written in Canada over the past few decades. In shaping this anthology the editors were attracted to the diverse cultural and social responses evident in the work of poets writing in English and French both across Canada and in particular in Quebec and other French speaking regions of the country. Each poem is offered in its original language and in translation. **Not this Time** Marcel Martel, 2006-01-01 In *Not This Time* Marcel Martel explores recreational use of marijuana in the 1960s and its emergence as a topic of social debate. Religion and the Demographic Revolution Callum G. Brown, 2012 In the 1960s Christian religious practice and identity declined rapidly and women's lives were transformed spawning a demographic revolution in sex, family and work. The argument of this book is that the two were intimately connected, triggered by an historic confluence of factors. **The Governor General's Literary Awards of Canada** Andrew David Irvine, 2018-11-27 The definitive bibliography of Canada's Governor General's Literary Awards. Alice Munro, Michael Ondaatje, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Gilles Vigneault.
