Lyrics from Cotton Land ... John Charles McNeill, 1918 *Lyrics from Cotton Land (Classic Reprint)* John Charles McNeill, 2017-03-24 Excerpt from *Lyrics From Cotton Land* The story of a rare gifted soul is difficult to write The commonplace man is usually the resultant of forces that can be calculated The measuring line can be laid to his life dates places and movements assume great significance But it is not so with the man who approaches genius His soul is a mystery its birth and growth defy explanation dates and circumstances mean little To write a true biography of such a man incidents and experiences must be known that lie beyond the research of the scientific student Such a man was the author of the poems contained in this volume And although custom compels to write the usual facts of birth and movement they are written briefly in the knowledge that they have little significance for the life of the gifted spirit which sang these songs to men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
