Lyrics of Love B. Russell Holt, 1988 Choicest Lyrics from the Realms of Love Delineating Cupid's Charms and Snares, and Hymen's Joys and Cares, and Depicting the Gaieties and Gravities of Courtship and Marriage in Every Age and Clime, 189? The Lyrics of Civility Kenneth Bielen, 2016-01-20 This book is the first comprehensive scholarly study of religious images in popular music Examining bestsellers from 1906 to 1971 the work explores the role religious images have in the secularization of American culture Popular music lyrics that express an adherence to a sacred order are couched in inoffensive content less language These lyrics of civility reflect and shape the increasing secularization of American culture in the twentieth century The analysis focuses primarily on the way these lyrics reduce the meaning of the terms and theology of the Biblical faith The aesthetic of civility carries over into theology the narratives and the accompanying instrumental arrangements of songs that adhere to the Biblical sacred order On the other hand lyrics that reject the Biblical tradition use content filled offensive language The result is that displaced adherents withdraw from the Biblical tradition and turn to alternative cultural religions or idols of attraction including popular music that offer meaning to fill a void in the individual The secularization of American society therefore is not a withdrawal from the idea of religion itself The analysis focuses on the two dominant themes in songs that include religious images prayer and heaven The author explores the songs of the two world wars the hit parade era the rhythm and blues and doo wop of the 1950s the new folk singer movement soul music and rock music of the 1960s and the revival rock of the early 1970s The work demonstrates the capacity of one form of popular culture to separate adherents from a subculture through diluting the meaning of the language of the subculture s elemental thought Ph D dissertation Bowling Green State University 1994 revised with new preface bibliography and index **The Famous Feud Project** Casian Anton, 2024-01-12 In the history of human nature there are conflicts with a happy ending or with a tragic ending The Famous Feud in general seems to have a happy ending with one winner Taylor Swift From my point of view the Famous Feud ended in July 2016 In June 2017 I was convinced that Taylor Swift was the victim for the second time of Kanye West In October 2023 after I have updated the entire research on the Famous Feud the original conclusion did not change I created this edition to include everything I wrote about the Famous Feud It is an edition for people interested in reading the entire Famous Feud story from A to Z The Famous Feud Project report has two parts Part 1 Music in Black and White A Journey Behind the Musical Notes Part 2 On the Famous Feud Enjoy your reading *The Beach Boys* , **A Year Book of Famous Lyrics** Frederic Lawrence Knowles, 1901 *The Complete Lyrics of Irving Berlin* Robert Kimball, Linda Emmet, 2005-12 Applause Books Gathered together in one volume for the first time here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1 200 songs 400 of which have never before appeared in print along with anecdotal historical and musicological commentary and dozens of photographs Berlin came from a poor immigrant family and began his career as a singing waiter but by the time he was nineteen he was publishing his songs and quickly found fame

God Bless America Kathleen E.R. Smith,2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by
