

"Adventure Of A Lifetime"

Turn your magic on
Umi she'd say
Everything you want's a dream away
And we are legends every day
That's what she told me

Turn your magic on,
To me she'd say
Everything you want's a dream away
Under this pressure under this weight
We are diamonds

Now I feel my heart beating
I feel my heart underneath my skin
And I feel my heart beating
Oh you make me feel
Like I'm alive again
Alive again
Oh you make me feel
Like I'm alive again

Said I can't go on, not in this way
I'm a dream that died by light of day
Gonna hold up half the sky and say
Only I own me
And I feel my heart beating
I feel my heart underneath my skin
Oh I can feel my heart beating
Cause you make me feel
Like I'm alive again
Alive again
Oh you make me feel
Like I'm alive again

Turn your magic on, Umi she'd say
Everything you want's a dream away
Under this pressure under this weight
We are diamonds taking shape
We are diamonds taking shape

If we've only got this life
This adventure oh then I
And if we've only got this life
You get me through
And if we've only got this life
In this adventure oh then I
Want to share it with you
With you
With you
Yeah I do
Woohoo
Woohoo
Woohoo

Seventeenth-century Lyrics Alexander Corbin Judson,1927 **Life Time Entirety** Helena Maria Keizer,2010-04-15 Some of the theses developed in this book In the meanings of the ancient Greek word *AI N aion* lifetime life lot generation all time eternity three notions play a part in variable combinations and with a variable centre of gravity These notions are **LIFE TIME ENTIRETY** The meaning of the words *aion* and *aionios* in the Greek Bible Septuagint and New Testament is primarily that of the Hebrew word *olam* The Hebrew word *olam* indicates time as it constitutes for us humans the horizon within which we live and which

delimits the scope of the knowledge given us This horizon can be limited as a human lifetime but can also be the widest conceivable encompassing all time that is concomitant with the created world and its future When Plato pronounces his famous dictum that time chronos is an aionic image which proceeds according to number of aion which remains at one Timaeus 37d the term eternity as the classic translation of aion does not give expression to the fact that the word here stands for time as a whole a completeness of time comparable to a lifetime Infinity is not an intrinsic or necessary connotation of aion either in the Greek or in the Biblical usage The Greek word aion refers to all time seen from outside as a whole the Hebrew word olam refers to all time seen from within as a horizon

tranquility and direction in her life It is my sincere hope and desire that this anthology of poems will touch the reader in a most positive way as it has done for the author Zeena McKeene

Unwritten Poetry Scott A. Trudell, 2019-03-07 Vocal music was at the heart of English Renaissance poetry and drama Virtuoso actor singers redefined the theatrical culture of William Shakespeare and his peers Composers including William Byrd and Henry Lawes shaped the transmission of Renaissance lyric verse Poets from Philip Sidney to John Milton were fascinated by the disorienting influx of musical performance into their works Musical performance was a driving force behind the period's theatrical and poetic movements yet its importance to literary history has long been ignored or effaced This book reveals the impact of vocalists and composers upon the poetic culture of early modern England by studying the media through which and by whom its songs were made In a literary field that was never confined to writing media were not limited to material texts Scott Trudell argues that the media of Renaissance poetry can be conceived as any node of transmission from singer's larynx to actor's body Through his study of song Trudell outlines a new approach to Renaissance poetry and drama that is grounded not simply in performance history or book history but in a more synthetic media history
