MacArthur In Korea:

Command Crisis D. Clayton James, 1982 The General Vs. the President World Watch Media, 2016-12-23 The General vs the President General MacArthur vs President Truman Book Preview Truman relieving General Douglas MacArthur caused a bit of an uproar amongst the American public His motives were to limit the conflict in Korea resulting in his decision to remove MacArthur General MacArthur was full of ego and flair and issues between the two were inevitable When the Korean war first began in June of 1950 MacArthur had fantastic military strategies and maneuvers up his sleeve He used these to keep South Korea protected from communist invaders in North Korea MacArthur urged to enact a policy to defeat North Korean forces entirely Truman agreed but did so warily as he was aware the People's Republic of China may feel threatened and join the fight During October of 1950 MacArthur assured Truman that the Chinese wouldn't interfere Directly afterwards in November and December Chinese troops burst into the American lines hundreds of thousands of soldiers preventing American forces from entering North Korea MacArthur requested the use of bombs against communist China as well as to utilize Taiwanese forces to fight the People's Republic of China When Truman denied him these requests their public disagreement began **MacArthur's War** Stanley Weintraub, 2001 A devastating critique of a general whose pride egomania and insubordination nearly led America into World War III is based on eye opening research by an eminent biographer military historian and veteran of the Korean War of photos **The Truman-MacArthur Controversy and the Korean War** John W. Spanier, 1959 No detailed description available for The Truman MacArthur Controversy and the Korean War General MacArthur's Strategic Success During The Early Months Of The Korean War LTC James D. Clay, 2015-11-06 Many military professionals regard General of the Army Douglas MacArthur as a very polarizing figure in military history from his strategic use of maneuver to defeat the Japanese at Leyte to his public defiance of the Commander in Chief President Truman on his policy towards the Korean War Seen by many as a tactical genius while others viewed him as an egomaniac General MacArthur exhibited both sides of this complex character but the evidence shows that MacArthur possessed a level of military competence that set him apart from his contemporaries In 1950 MacArthur demonstrated one of his most embarrassing defeats as well as one of his most brilliant successes within the course of ten weeks MacArthur exemplifies a level of confidence that earned him the modern reputation as an operational artist from his ability to turn the tide of war and restore South Korea's sovereignty *Disaster in Korea* Roy E. Appleman, 2008-11-17 Explains how the Chinese Army drove MacArthur and the U N forces out of North Korea and tells why the Chinese decided to intervene *MacArthur in Asia* Hiroshi Masuda, 2012-10-05 General Douglas MacArthur's storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country's future president Emanuel L. Quezon In 1935 he became Quezon's military advisor

a post he held after retiring from the U S Army and at the time of Japan s invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan s surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In MacArthur in Asia the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general s staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur s and the region s history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation **MacArthur in Korea** Robert Smith,1982 A detailed examination of MacArthur s actions in Korea reveals lesser known aspects of the general s character and ambitions *MacArthur's X Corps in Korea* Edward L. Daily,1999 The actual objective of this book is to provide tho the American public the brief existence and history of the X Corps during the early stages of the Korean War The title part of the book Inchon to the Yalu is significant to the very important amphibious operations made by the 1st Marine Division and the 7th Infantry Division In later operations the 3rd Infantry Division would become part of the X Corps **The Riddle of MacArthur** John Gunther,1951 **Pictorial History of the Korean War** Douglas Macarthur,2012-07-01 The Graphic Record Of The United Nations Forces In Action Throughout Every Phase Of The Korean Conflict Korea and the Fall of MacArthur Trumbull Higgins,1960 It goes without saying that the nature of the Korean War has accentuated enormously the controversy between the Truman Administration and General MacArthur Indeed with the passage of time the war itself has become the focus of contemporary debate It was not a war that mobilized the emotional and physical energies of the entire American people Not only was it a limited war it was a most peculiar kind of limited war It was an undeclared war against an unidentified enemy Its aims were generally uncomprehended possibly because they were never adequately explained by the Truman Administration And the conduct of the war was as equivocal as its purpose Preface *Operational Art In The Korean War: A Comparison Between General MacArthur And General Walker* Major Remco van Ingen,2015-11-06 This monograph addresses operational art during a specific period of the Korean War Both General Walton Walker and General Douglas MacArthur developed operational approaches to unify Korea when the decision was made to cross the 38th parallel into North Korea General MacArthur s approach used two major ground commands was more daring but more complicated General Walker on the other hand suggested an approach under one unified ground commander seemed more methodical and less daring Ultimately General MacArthur s approach was the one executed The X Corps amphibious assault did not bring the anticipated result The out loading of X Corps in preparation for the assault took longer than anticipated and

the enemy had mined the sea approaches to Wonsan These two factors combined with an unsynchronized ground attack by I ROK Corps eliminated the chance of a successful envelopment The monograph provides insight in the relationship between the commander s personality his previous operational experiences and his preference for a particular type of operational approach **MacArthur's War** Stanley Weintraub,1999 General Douglas MacArthur in Korea Clara Moonja Ha,1968

Korea John Melady,2011-12-10 In this revised edition men from the army navy and air force are honoured for their bravery in the Korean War The Korean War 1950-53 forms a little known but exciting part of Canada s military history The heroism and sacrifice of Canadians who fought in this conflict as part of the United Nations force has often been ignored In this lively anecdotal book John Melady combines archival material and interviews with many Korean veterans The result is a vivid intensely human account of the war from its first days to heroic battles such as Kapyong to fascinating and more obscure incidents such as the Koje prison camp insurrection as well as personal stories of doctors POWs and journalists who witnessed the conflict including Pierre Berton and Rene Levesque The men from across Canada who served and fought were forever changed by what they saw and experienced in this faraway land Army navy air force all receive their share of long overdue praise in this important book which was originally published in 1983 but is now fully revised *United States Army in the Korean War* ,1961 **Security In Korea** Phil Williams,Donald M Goldstein,2019-07-11 An erratic aging North Korean leadership intent on dynastic succession and development of nuclear weapons is attracting a lot of attention in the Asia Pacific Region an area of utmost importance to the United States Current concerns about security in Korea provide the backdrop to this volume which offers an overview of the evolution of security on the Korean peninsula and an assessment of the U S role there from the 1940s to the present A distinctive feature of this volume is the long historical perspective that is brought to bear on contemporary security dilemmas The renowned contributors examine U S policy prior to and during the Korean War and look at the subsequent changes in U S commitment to South Korea during a period of global stalemate that had been shaped in part by the war itself The authors then assess the future of U S Korean relations within the context of the changing international environment considering the prospects for future strife the merits of a cooperative security system and the possibility of reunification MacArthur's Air Force Bill Yenne,2019-09-19 General Douglas MacArthur is one of the towering figures of World War II and indeed of the twentieth century but his leadership of the second largest air force in the USAF is often overlooked When World War II ended the three numbered air forces the Fifth Thirteenth and Seventh under his command possessed 4004 combat aircraft 433 reconnaissance aircraft and 922 transports After being humbled by the Japanese in the Philippines in 1942 MacArthur and his air chief General George Kenney rebuilt the US aerial presence in the Pacific helping Allied naval and ground forces to push back the Japanese Air Force re take the Philippines and carry the war north towards the Home Islands Following the end of World War II MacArthur was the highest military and political authority in Japan and at the outbreak of the Korean War in June 1950 he was named as Commander in Chief United Nations
