## **Macau City Of Commerce And Culture:**

**Macau** Rolf Cremer,1987      *Macau* R. D. Cremer,1987      Macau History and Society Zhidong Hao,2011-01-01 Macau History and Society illuminates the early Portuguese maritime exploration along China's south coast political and economic development in Macau and current social problems The book makes significant contributions to a political sociology of Macau emphasizing how different civilizations and cultures interacted with one another and explores how a new Macau identity can be constructed Democratization has been a never ending process in Macau since the 1500's Macau's experience indicates that sovereignty has been shared rather than exclusive Although civilizations and cultures do clash they also cooperate But the Macau model is deeply flawed Hao contends that Macau needs to build a new multicultural identity and a cosmopolitan political and economic identity

**Macao - The Formation of a Global City** C.X. George Wei,2013-11-07 Macao the former Portuguese colony in southeast China has a long and very interesting history of cultural interaction between China and the West Held by the Portuguese from the 1550s until its return to China in 1999 Macao was up to the emergence of Hong Kong in the later nineteenth century the principal point of entry into China for all Westerners Dutch British and others as well as Portuguese The relatively relaxed nature of Portuguese colonial rule intermarriage the mixing of Chinese and Western cultures and the fact that Macao served as a safe haven for many Chinese reformers at odds with the Chinese authorities including Sun Yat sen all combined to make Macao a very different and special place This book explores how Macao was formed over the centuries It puts forward substantial new research findings and new thinking and covers a wide range of issues It is a companion volume to Macao Cultural Interaction and Literary Representations

**Macau** Christina Miu Bing Cheng,1999-06-01 Macau on the threshold of the twentieth first century is perhaps a harbinger of a new urban culture Having been nurtured by the sharply contrasting legacies of China and Portugal this unique city manages to meld cultural differences and avoid the destructiveness of ethnic clashes It is thus likened here to the Roman deity Janus who is usually depicted with two faces looking in opposite directions By concentrating on the ambivalent history of Macau the author reveals the historical reality of cultural vacillation between two political entities and the emergence of a creole minority the Macanese With a judicious use of English Chinese and Portuguese sources she has provided a pathbreaking multi focal perspective of the last Portuguese outpost in Asia In light of the decolonization of Macau in December 1999 the author's analysis challenges the easy assumptions of the causal sequence colonialism postcolonialism and opens up an interdisciplinary purview of a local instance in cross cultural studies

**The Politics of Controlling Organized Crime in Greater China** Sonny Shiu-Hing Lo,2015-12-14 In China the central government has the political will to control organized crime which is seen as a national security threat The crux of the problem is how to control local governments that have demonstrated lax enforcement without sufficient regulation from the provincial governments The development of prostitution underground gambling and narcotics production has become so serious that the central government has to rely on anti crime

campaigns to combat these three evils This book explores the specific role of government institutions and agencies notably the police in controlling organised and cross border crime in Greater China Drawing heavily on original empirical data it compares the both the states of the People s Republic of China and Taiwan as well as city states Hong Kong and Macao This region has become increasingly economically integrated and human interactions have been enhanced through improved trade relations tourism and increased individual freedom The book argues that the regime capacity of crime control across Greater China has been expanded through regional and international police cooperation as well as anti crime campaigns It suggests that a strong central state in China is necessary to rein in the local states and to prevent the risk of deteriorating into a political criminal nexus Focusing on regime capacity in crime control regime autonomy from crime groups and regime legitimacy in the fight against organized crime this thought provoking book will be of great interest to students and scholars of Chinese politics and criminology more broadly

*Using Narrative Inquiry for Educational Research in the Asia Pacific* Sheila Trahar, Wai Ming Yu, 2015-04-10 Narrative inquiry is being used more widely in the UK the USA Canada Australia New Zealand and Northern European countries to conduct research across a range of disciplines It is gaining popularity in Hong Kong Macao and Mainland China but research in these contexts continues to be dominated by quantitative and more traditional qualitative approaches Narrative inquirers in these areas can therefore find it problematic to have the value of their work acknowledged This book demonstrates creatively accessibly and rigorously the ways in which narrative inquiry as a methodological approach already more firmly established in Australia and New Zealand is gaining a foothold in other parts of the Asia Pacific region Contributors to the book write about their use of narrative inquiry in for example the Confucian heritage cultures CHC of Hong Kong Mainland China Singapore Macao and the Anglo Celtic cultures of Australia and New Zealand Chapters in the book include Creative Non Fiction Across Cultures in Asia Pacific Contexts Riding the Wave of Education Reform Using a Reflecting Team to Explore the Professional Identities of School Counsellors in Hong Kong Is the Silent Mode On Re searching Teachers Voices in Macao through Narrative Research Narrative Inquiry and the Exploration of Culture for Improving Teacher Education This book will appeal to researchers across all sectors of education in particular those who are exploring the use of qualitative research methods in their context Those interested in comparative education and cross cultural studies will also find this book valuable

**Educational Decentralization** Christopher Bjork, 2007-03-23 Decentralization and Education Asian Experiences and Conceptual Contributions examines the specific ways in which decentralization policies have affected the structure and delivery of education in eleven Asian nations Written by top scholars in the field the case studies provide detailed and rich empirical evidence documenting the tensions as well as synchronisms between the ideas that form the basis of decentralization policy and the contexts into which they are introduced The high quality of this collection of essays and the careful attention to local contexts for implementation will make this book a must read for academics policy planners practitioners and students of Asia

**Gaming, Governance and Public Policy in**

**Macao** Newman M. K. Lam, Ian Scott, 2011-08-01 The small city of Macao formerly a Portuguese colony now a Special Administrative Region of China liberalized its gaming industry in 2002 Since then a score of new casinos have been built and millions of gamblers have flooded in from mainland China Per capita income has more than doubled in five years and the gaming operators have outstripped their Las Vegas counterparts in revenue and profits But rapid economic growth has also brought social and political problems In this structured survey of modern Macao 15 experts examine the effects of massive foreign investment the problems of governance and increasing public policy challenges in a time of rapid change and potential social instability Newman M K Lam is professor of public administration at the University of Macau Ian Scott is emeritus professor and fellow of the Asia Research Centre at Murdoch University and adjunct professor of public and social administration at the City University of Hong Kong

**Education and Society in Hong Kong and Macao** Mark Bray, Ramsey Koo, 2005

**Education and Society in Hong Kong and Macao** M. Bray, Ramsey Koo, 2006-06-28 Hong Kong and Macao have much in common The dominant populations in both territories are Cantonese speaking Chinese both are small in area both are urban societies both have been colonies of European powers and both have undergone political transition to reunification with China Yet in education for reasons that are analysed in this book they are very different The patterns of similarities and differences in the two territories make a fascinating basis for comparative study The overarching theme of the book on continuity and change is particularly pertinent following the transition of the two societies of the postcolonial era This thoroughly revised and expanded second edition builds on the widely acclaimed first edition The work has been recognised as a significant contribution to the broad field of comparative education as well as to study of the specific societies which are its main focus

**Hong Kong** Grant Evans, Maria Tam, 2013-10-31 Hong Kong has become a by word for all that is modern and sparkling in Asia today Yet tourist brochures still play with the old cliché of Hong Kong as a place where East meets West Images of so called traditional China junks sailing Victoria Harbour or old women praying to gods in smoky temples mingle with those portraying Hong Kong as a consumer and business paradise This collection of essays attempts to transcend the old polarities It looks at modern Hong Kong in all its splendour and diversity in the run up to its re absorption into Greater China in mid 97 through the mediums of film food architecture rumours and slang It explores the question of a distinct modern Chinese identity in Hong Kong and even when it explores the traditional stamping ground of the older anthropology in the New Territories it finds a dramatically changed context in particular for women This collection presents an intriguing insight into the process of transition from tradition to modernity in this Modern Chinese Metropolis

*Sovereignty at the Edge* Cathryn H. Clayton, 2020-03-17 How have conceptions and practices of sovereignty shaped how Chineseness is imagined This ethnography addresses this question through the example of Macau a southern Chinese city that was a Portuguese colony from the 1550s until 1999 As the Portuguese administration prepared to transfer Macau to Chinese control it mounted a campaign to convince the city's residents 95 percent of whom identified as Chinese that they possessed a unique cultural identity that made them different from other Chinese and that resulted from the existence of a Portuguese state on Chinese soil This attempt sparked reflections on the meaning of Portuguese governance that challenged not only conventional definitions of sovereignty but also conventional notions of Chineseness as a subjectivity common to all Chinese people around the world Various stories about sovereignty and Chineseness and their interrelationship were told in Macau in the 1990s This book is about those stories and how they informed the lives of Macau residents in ways that allowed different relationships among sovereignty subjectivity and culture to become thinkable while also providing a sense of why at times it may not be desirable to think them

*The Last Colonies* Robert Aldrich, John Connell, 1998-07-13 This comprehensive and authoritative book is about the last colonies those remaining territories formally dependent on metropolitan powers It discusses the surprisingly large number of these territories mainly small isolated islands with limited resources Yet these places are not as obscure as might be expected They may be major tourist destinations military bases satellite tracking stations tax havens or desolate

underpopulated spots that can become international flashpoints such as the Falklands The authors find that at a time of escalating nationalism and globalization these remnants of empire provide insights into the meanings of political economic legal and cultural independence as well as sovereignty and nationhood This book provides a broad based and provocative discussion of colonialism and interdependence in the modern world from a unique perspective "Local" Traditions in the Post-imperial/colonial City, 2000 Chinese and Indian Merchants in Modern Asia Chi-cheung Choi, Takashi Oishi, Tomoko Shiroyama, 2019-10-21 In Chinese and Indian Merchants in Modern Asia the contributors put together an important and lucid study of overseas Chinese and Indian merchants and their impacts on the emerging global economy from the nineteenth to twentieth centuries In contrast to the conventional focus on the merchants networks per se the chapters of this volume uncover their networking the process in which they constructed and utilized linkages based on the shared concepts such as caste kin alliances and religion By analyzing the interactions between the merchants and the European and Japanese empires along with Asian states this volume provides the critical insights into the configuration of the regional economic order in the past and at present **Frontier Cities** Jay Gitlin, Barbara Berglund, Adam Arenson, 2012-12-18 Macau New Orleans St Louis Pittsburgh and San Francisco All of these metropolitan centers were once frontier cities urban areas irrevocably shaped by cross cultural borderland beginnings Spanning a wide range of periods and locations and including stories of eighteenth century Detroit nineteenth century Seattle and twentieth century Los Angeles Frontier Cities recovers the history of these urban places and shows how from the start natives and newcomers alike shared streets buildings and interwoven lives Not only do frontier cities embody the earliest matrix of the American urban experience they also testify to the intersections of colonial urban western and global history The twelve essays in this collection paint compelling portraits of frontier cities and their inhabitants the French traders who bypassed imperial regulations by throwing casks of brandy over the wall to Indian customers in eighteenth century Montreal Isaac Friedlander San Francisco s Grain King and Adrien de Pauger who designed the Vieux Carr in New Orleans Exploring the economic and political networks imperial ambitions and personal intimacies of frontier city development this collection demonstrates that these cities followed no mythic line of settlement nor did they move lockstep through a certain pace or pattern of evolution An introduction puts the collection in historical context and the epilogue ponders the future of frontier cities in the midst of contemporary globalization With innovative concepts and a rich selection of maps and images Frontier Cities imparts a crucial untold chapter in the construction of urban history and place

**Voyages, Migration, and the Maritime World** Clara Ho, Ricardo Mak, Yue-him Tam, 2018-09-10 This is a multi author volume resulted from an international conference focusing on topics related to our understanding of the role of China in the global history Apart from introductory chapters exploring methodological issues and providing big pictures of framing China in the world in particular time zones this volume also covers rich discussions on the following themes from the ancient period to the twentieth century organized water transport cultural interactions navigators port cities smuggling activities customs

service foreign relations migration and diasporas Written by scholars of different generations who are based in diverse regions including Canada Hong Kong Japan Singapore Taiwan the UK and the US the chapters in this volume either address old questions from new perspectives or table new topics that were largely ignored in previous scholarship Some go further to brainstorm possible research directions in the future This thought provoking volume will be beneficial to readers who are interested in rethinking China s position in the global historical stage against the backdrop of Post Orientalism     *Economic Development in Chinese Societies* Y.
