A ONE-ACT PLAY

William Shakespeare

Macbeth One Act Play Directors Production Script

Louis E. Catron

Macbeth One Act Play Directors Production Script:

Macbeth William Shakespeare, 1965-06 Shakespeare, Clearly: Macbeth Jon Jory, 2018-01-01 The Scottish Play dramatizes the damaging physical and psychological effects of political ambition on those who seek power for its own sake. This straightforward adaptation mixing contemporary and classical language emphasizes story and character rather than the poetry. Master director and acclaimed playwright Jon Jory has reimagined the classic tale to serve as an early introduction for younger audiences and actors that allows easy involvement. Inventive yet faithful, this adaptation will inspire actors and audiences alike to revisit Shakespeare's original texts. Gender neutral casting is encouraged and doubling is possible. Simple stage allows for a fluid and forward moving production. A one act version is also available. Drama. Full length 75-85 minutes. 10-35 actors.

A Lifetime with Shakespeare Paul Barry, 2014-01-10 Written by the only American to direct and fight choreograph all of Shakespeare's plays, this text represents an expert and practical guide to the Bard's oeuvre. From the Henry VI plays through The Tempest, each play is explored in its full theatrical complexity with particular attention paid to directorial and acting challenges, character quirks and development, and the particularities of Shakespearean language. Directing successes are recounted, but the failures are not shied away from, making this work indispensable for anyone interested in producing plays by Shakespeare.

Queens (one-act version) Kristen Doherty, 2023-02-06 King Henry VIII is trapped in purgatory, bound to his throne by a sinister Fool and the ghostly Women in White. Here in his gilded cage, he is forced to relive the sins he committed against his queen's mistresses and people of the court over and over again for an eternity. A full length version is also available. Drama. One act. 40-45 minutes. 9-30 actors. Gender flexible.

Great North American Stage Directors Volume 1 Cheryl Black, 2024-01-25 This volume assesses the contributions of David Belasco, Arthur Hopkins, and Margaret Webster, whose careers shaped the artistic and specialist identity of the Broadway director. Their work spans almost a century and captures the rapidly changing social and cultural landscape of 20th century America. While their aesthetic styles differed greatly, they were united in their mastery of theatre craft and their impact on theatrical collaboration. The essays in this volume explore how these directors established and exploited Broadway as the epicentre of theatre in the United States, blended the role of producer and director, and managed the tensions between commercial success and artistic ambition. The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty-four major practitioners from the late 19th century to the present. Each of the eight volumes examines three directors and offers an overview of their practices, theoretical ideas, and contributions to modern theatre. The studies chart the life and work of each director, placing his or her achievement in the context of other important theatre practitioners and broader social history. Written by a team of leading experts, the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation.

Rescripting Shakespeare Alan C. Dessen, 2002-06-20 Building on almost 300 productions from the last 25 years this 2002 book focuses on the playtexts used when directors stage Shakespeare s plays the words spoken the scenes omitted or transposed and the many other adjustments that must be made Directors rescript to streamline the playscript and save running time to eliminate obscurity conserve on personnel and occasionally cancel out passages that might not fit their concept They rewrite when they make more extensive changes moving closer to the role of playwrights as when the three parts of Henry VI are compressed into two plays Alan Dessen analyzes what such choices might exclude or preclude and explains the exigencies faced by actors and directors in placing before today s audiences words targeted at players playgoers and playhouses that no longer exist The results are of interest and importance as much to theatrical professionals as to theatre historians and students

20 Ground-Breaking Directors of Eastern Europe Kalina Stefanova, Marvin Carlson, 2021-05-21 Directors have long been the main figures on Eastern European stages During the last three decades some of the most outstanding among them have risen to international stardom thanks to their ground breaking productions that speak to audiences far beyond local borders Not by chance a considerable number of these directors have won the second biggest theatre award on the continent the European Prize for New Theatrical Realities It would not be an exaggeration to say that the top directors of the region have been pushing contemporary theatre as a whole ahead into new territories This book offers informative and in depth portraits of twenty of these directors written by leading critics scholars and researchers who shed light on the directors signature styles with examples of their emblematic productions and outline the reasons for their impact In addition in two chapters the selected directors themselves discuss their artistic family trees as well as the main stakes theatre faces today The book will be of interest to theatre scholars students and anybody engaged with theatre on a global scale
