Machiavelli Mandragola

Howard Colyer, Niccolò Machiavelli

Machiavelli Mandragola:

Mandrake Howard Colyer, Niccolò Machiavelli, 2012-12-26 A play about marriage lust adultery corruption and deceit all aided by the Mandrake Infusion It is Machiavelli's greatest sex farce and a landmark of the Italian Renaissance This adaptation opened at the Jack Studio Theatre in London on 28 May 2013 I'm not sure what liberties were applied in bringing a hit from the 1520s to the 21st century stage but Mandrake had a timeless yet timely vibe about it like a smart Shakespearean production It was fresh and contemporary brimming with universal and relevant themes and a humour that stood the test of time Chris Osburn Tikichris.com Howard Colyer's latest twist on a classic is a wonderfully watchable romp that packs a political punch to go with its comic cuts Gary Naylor Broadwayworld.com Mandragola Niccolò Machiavelli, Anne Paolucci, 1957 *Machiavelli* Niccolò Machiavelli, Anne Paolucci, 1957 Library of Liberal Arts title **The Manly Masquerade** Valeria Finucci, 2003-03-19 Analyzes how the body was constructed and politicized in early modern Italy by exploring literary discourses of the period plays novellas travel journals poems etc *Machiavelli's Effectual Truth* Harvey C. Mansfield, 2023-09-21 Machiavelli is said to be a Renaissance thinker yet in a notable phrase he invented the effectual truth he attacked the high sounding humanism typical of the Renaissance while mounting a conspiracy against the classical and Christian values of his time In Machiavelli's Effectual Truth this overlooked phrase is studied and explained for the first time The upshot of effectual truth for any individual is to not depend on anyone or anything outside yourself to keep you free and secure Mansfield argues that this phrase reveals Machiavelli's approach to modern science with its focus on the efficient cause and concern for fact He inquires into the effect Machiavelli expected from his own writings who believed his philosophy would have an effect that future philosophers could not ignore His plan according to Mansfield was to bring about a desired effect and thus to create his own future and ours *Machiavelli's Politics* Catherine H. Zuckert, 2017-04-25 Machiavelli is popularly known as a teacher of tyrants a key proponent of the unscrupulous Machiavellian politics laid down in his landmark political treatise The Prince Others cite the Discourses on Livy to argue that Machiavelli is actually a passionate advocate of republican politics who saw the need for occasional harsh measures to maintain political order Which best characterizes the teachings of the prolific Italian philosopher With Machiavelli's Politics Catherine H Zuckert turns this question on its head with a major reinterpretation of Machiavelli's prose works that reveals a surprisingly cohesive view of politics Starting with Machiavelli's two major political works Zuckert persuasively shows that the moral revolution Machiavelli sets out in The Prince lays the foundation for the new form of democratic republic he proposes in the Discourses Distrusting ambitious politicians to serve the public interest of their own accord Machiavelli sought to persuade them in The Prince that the best way to achieve their own ambitions was to secure the desires and ambitions of their subjects and fellow citizens In the Discourses he then describes the types of laws and institutions that would balance the conflict between the two in a way that would secure the liberty of most if not all In the second half of her book Zuckert places selected later works

La Mandragola The Art of War The Life of Castruccio Castracani Clizia and Florentine Histories under scrutiny showing how Machiavelli further developed certain aspects of his thought in these works In The Art of War for example he explains more concretely how and to what extent the principles of organization he advanced in The Prince and the Discourses ought to be applied in modern circumstances Because human beings act primarily on passions Machiavelli attempts to show readers what those passions are and how they can be guided to have productive rather than destructive results A stunning and ambitious analysis Machiavelli's Politics brilliantly shows how many conflicting perspectives do inform Machiavelli's teachings but that one needs to consider all of his works in order to understand how they cohere into a unified political view This is a magisterial work that cannot be ignored if a comprehensive understanding of the philosopher is to be obtained

Machiavelli Alexander Lee, 2020-03-19 Unmasking the Man Behind the Myth A Gripping Biography of Niccol Machiavelli A wonderfully assured and utterly riveting biography that captures not only the much maligned Machiavelli but also the spirit of his time and place A monumental achievement Jessie Childs author of God's Traitors Notorious and often misunderstood Niccol Machiavelli's legacy has been shaped by his most famous work The Prince But was the man truly as sinister as his reputation suggests Alexander Lee delves deep into Machiavelli's life from his impoverished childhood and early abuse to his political triumphs and ultimate fall from grace Through extensive research Lee reveals surprising connections between Machiavelli's personal experiences and his influential philosophical works Set against the backdrop of Renaissance Italy this definitive biography transports readers into the turbulent world Machiavelli navigated from the opulent halls of Florence to the Borgia pope's court and the dungeons of the Stinche prison Lee's engaging portrait unveils the man behind the myth offering an intimate look at Machiavelli's marriages affairs and the enduring impact of his ideas Both a captivating character study and a vivid snapshot of a pivotal era Machiavelli provides an unparalleled exploration of one of history's most intriguing figures shedding new light on his life his works and the world that shaped him *Masters and Slaves* Michael Palmer, 2001-01-01 This collection of essays sheds light on the writings of leading figures in the history of political philosophy by exploring a nexus of questions concerning mastery and slavery in the human soul To this end Masters and Slaves elucidates archetypal human alternatives in their import for political life the philosopher and king the lover of wisdom and the lover of glory the king and the tyrant and finally the master and the slave Palmer re-examines these ideas as a framework for achieving a deeper understanding of the work of famous thinkers from the ancient to modern times including Thucydides Plato Aristotle Machiavelli Hobbes and Rousseau As well the book addresses distinctions between the ancients and the moderns and touches on the work of contemporary theorists such as Leo Strauss George Parkin Grant and Allan Bloom

Essays on Machiavelli's Conventional Piety, Literary Inspirations, and Pre-Christian Preoccupation Maximilian Burkard, 2024-02-06 This book focuses on a selection of Machiavelli's literary pieces among which are the Mandragola Belfagor the Vita di Castruccio the Epistola and the Pastorale As research into literary motif it raises across five essays new

evidence on Machiavelli's sources and suggestions as to where he drew from them including the works of Livy, Virgil, and Boccaccio. Of the two other essays included, one intimates the way in which Shakespeare seems to have reappropriated Machiavelli's *Mandragola* in *The Two Gentlemen of Verona*, in addition to Chaucer's *Knight's Tale*. The other is concerned with Mantegna's *Minerva Overcoming the Vices* and proposes interpretative contexts for several of the painting's iconographic details. This book will be of interest not only to those specialising in Machiavellian and Shakespearean literature and the artwork of Mantegna but also to those curious about how and why pre-Christian works have been drawn upon by subsequent Christian authors.

States of Political Discourse Costas M. Constantinou, 2004-08-02 How are states made possible, constructed in theory and practice, and what alternative possibilities are given up by conferring legitimacy on states? How do reasons of state appropriate and inform discourses of sovereignty, territoriality, historiography, diplomacy, security, and community? How can we employ language to challenge the problematic logics of international relations and imagine alternative ways of being with and relating to others? *States of Political Discourse* addresses these questions through a series of highly original and provocative essays that engage a range of political conditions and practices, exploring areas that are conventionally neglected. Topics include the language of normal and pathological states in Freudian psychoanalysis, the mythography of Europe, the political reification of the Himalayan region, the spirituality of cosmopolitanism, the status of the Knights of St. John, and the literary exploration of diplomacy and security.

The Wives of Western Philosophy Jennifer Forestal, Menaka Philips, 2020-12-16 *The Wives of Western Philosophy* examines the lives and experiences of the wives and women associated with nine distinct political thinkers from Socrates to Marx in order to explore the gendered patterns of intellectual labor that permeate the foundations of Western political thought. Organized chronologically and representative of three eras in the history of political thought—Ancient, Early Modern, and Modern—nine critical biographical chapters explore the everyday acts of intellectual labor and partnership involving these wives of the canon. Taking seriously their narratives as intimate partners reveals that wives have labored in remarkable ways throughout the history of political thought. In some cases, their labors mark the conceptual boundaries of political life; in others, they serve as uncredited resources for the production of political ideas. In all instances, however, these wives and intimates are pushed to the margins of the history of political thought. *The Wives of Western Philosophy* brings these women to the center of scholarly interest. In so doing, it provides new insights into the intellectual biographies of some of the most famed men in political theory while also raising important questions about the gendered politics of intellectual labor which shape our receptions of canonical texts and thinkers and which sustain the academy even today.

Collected Essays on Italian Language & Literature Presented to Kathleen Speight Kathleen Speight, 1971

[The Cambridge Companion to Machiavelli](#) John M. Najemy, 2010-06-24 Niccolò Machiavelli (1469–1527) is the most famous and controversial figure in the history of political thought and one of the iconic names of the Renaissance. *The Cambridge Companion to Machiavelli* brings together sixteen original essays by leading

experts covering his life his career in Florentine government his reaction to the dramatic changes that affected Florence and Italy in his lifetime and the most prominent themes of his thought including the founding evolution and corruption of republics and principalities class conflict liberty arms religion ethics rhetoric gender and the Renaissance dialogue with antiquity In his own time Machiavelli was recognized as an original thinker who provocatively challenged conventional wisdom With penetrating analyses of *The Prince* *Discourses on Livy* *Art of War* *Florentine Histories* and his plays and poetry this book offers a vivid portrait of this extraordinary thinker as well as assessments of his place in Western thought since the Renaissance

Renaissance Drama 36/37 Albert Russell Ascoli, William N. West, 2010-01-19 Renaissance Drama an annual interdisciplinary publication is devoted to drama and performance as a central feature of Renaissance culture The essays in each volume explore traditional canons of drama the significance of performance broadly construed to early modern culture and the impact of new forms of interpretation on the study of Renaissance plays theater and performance This special issue of Renaissance Drama on Italy in the Drama of Europe primarily builds on the groundwork laid by Louise George Clubb who showed that Italian drama was made in such a way as to facilitate its absorption and transformation into other traditions even when it was not explicitly cited or referenced Italy in the Drama of Europe takes up the reverberations of early modern Italian drama in the theaters of Spain England and France and in writings in Italian English Spanish French Hebrew Latin and German Its scope is an example of the continuing force of and interest in one of the most rewarding wide ranging and productive early modern aesthetic modes and a tribute to the scholarship of Louise George Clubb who among others recalled our attention to it

Why Machiavelli Matters John Bernard, 2008-12-30 Machiavelli 1469 1527 is the seminal figure in early modern intellectual history for those living or wishing to live in a functional democracy What Machiavelli is primarily about and what makes him indispensable to those of us living in and struggling to preserve democracy in America is the sum of individual and collective qualities required of a citizen or what he termed *virtu* a host of traits ranging from manliness to boldness ingenuity excellence self esteem and even stoic resignation In a narrative spanning Machiavelli's life and work as one of the world's most fascinating philosophers Bernard illuminates for the modern reader just how relevant his insights are to our own evolving debate on the appropriate relations between religion and politics church and state Besides offering a detailed sketch of Machiavelli as a chancellor in the Italian Soderini Republic 1498 1512 this book examines the man's political philosophy particularly his complex view of republics and principalities in *The Prince* the *Discourses* and the *Florentine Histories* It also establishes the importance of Machiavelli's writing as it evolved during his exile especially in the reflexive passages of his plays *Mandragola* and *Clizia* The book concludes with the potential uses of Machiavellism in 21st century mass democracies as well as presenting ways in which his legacy lives on in our own activities as citizens in a democracy

[Dante's Tenzone with Forese Donati](#) Fabian Alfie, 2011-11-19 And by now mind it's too late to redeem your debts by giving up guzzling Dante's poetic correspondence or tenzone with Forese Donati a relative of his wife

was rife with crude insults the two men derided one another on topics ranging from sexual dysfunction and cowardice to poverty and thievery But in his *Commedia* rather than denying this correspondence Dante repeatedly acknowledged and evoked the memory of his youthful put downs Dante's *Tenzone* with Forese Donati examines the lasting impact of these sonnets on Dante's writings and Italian literary culture notably in the work of Giovanni Boccaccio Fabian Alfie expands on derision as an ethical dimension of medieval literature both facilitating the reprehension of vice and encouraging ongoing debates about the true nature of nobility Outlining a broad perspective on the uses of literary insult Dante's *Tenzone* with Forese Donati also provides an evocative glimpse of Dante's day to day life in the twelfth century

Principle and Prudence in Western Political Thought Christopher Lynch, Jonathan Marks, 2016-03-01 Discussions of the place of moral principle in political practice are haunted by the abstract and misleading distinction between realism and its various principled or idealist alternatives This volume argues that such discussions must be recast in terms of the relationship between principle and prudence as Nathan Tarcov maintains that relationship is not dichotomous but complementary In a substantive introduction the editors investigate Leo Strauss's attack on contemporary political thought for its failure to account for both principle and prudence in politics Leading commentators then reflect on principle and prudence in the writings of great thinkers such as Homer Machiavelli and Hegel and in the thoughts and actions of great statesmen such as Pericles Jefferson and Lincoln In a concluding section contributors reassess Strauss's own approach to principle and prudence in the history of political philosophy

Machiavelli's Discourses on Livy: New Readings Diogo Pires Aurélio, Andre Santos Campos, 2021-10-11 Machiavelli is chiefly known for *The Prince* but his main considerations on politics are found in his later work *Discourses on Livy* Despite this book's historical and theoretical importance its complexity length and style have often discouraged new readers and interpreters of Machiavelli from engaging with it For this reason the *Discourses* has not been given the attention it deserves This volume of newly commissioned essays by some of the world's leading Machiavelli experts seeks to remedy this deficiency It is the first collective volume dedicated specifically to this profound work covering topics such as Machiavelli's republicanism the relation between liberty and tyranny the role of religion Machiavelli's conception of history his writing style his view of society as a plural and conflictive body his suggestion of how a free state should be organized and his notions of people and virt Contributors J r mie Barthas Thomas Berns Alessandro Campi J Patrick Coby Marie Gaille Marco Geuna Mark Jurdjevic Cary J Nederman Gabriele Pedull Diogo Pires Aur lio Fabio Raimondi Andre Santos Campos Miguel Vatter and Camila Vergara

English and Italian Literature From Dante to Shakespeare Robin Kirkpatrick, 2014-07-15 This is the first comprehensive critical comparison of English and Italian literature from the three centuries from Dante to Shakespeare It begins by examining Chaucer's relationship with Dante Petrarch and Boccaccio and then looks at similar relationships within the areas of humanist education lyric poetry the epic theatrical comedy the short story and the pastoral drama It provides a detailed comparison of major works from both traditions including descriptive and critical readings of

Italian works It shows why English writers valued such works and demonstrates the ways in which they departed from or tried to outdo the Italian original Assuming no prior knowledge of Italy or Italian literary history this book introduces the student and general reader to one of the most important and fascinating phases in European literary history Ariosto's The Supposes, Machiavelli's The Mandrake, Intronati's The Deceived Jennifer Lorch, 1996 This volume offers newly translated texts of three established classics of Italian Renaissance comedy with scholarly introductions and bibliographies for each
