Mud On The Stars:

Mud on the Stars William Bradford Huie,1996-10-21 William Bradford Huie s first novel Mud on the Stars is largely autobiographical and is set in the years 1929 1942 As in many of his later books the theme here is of the education of the inexperienced youth which is after all the quintessential American story Drawing on his own boyhood Huie gives the reader a detailed account of rural life and race relations in the Tennessee Valley in the early years of this century including a vivid picture of college life at The University of Alabama during the Great Depression Through a careful weaving of characters and events fact and fiction Huie s novel captures the tumultuous times before World War II in the urban South times of social unrest and testing of new political ideologies The book s publication in 1942 was a huge financial success by the economic standards of the day and not only brought Huie the acclaim his talent warranted but also focused an approving national spotlight on this prolific Alabama writer Mud on the Stars William Bradford Huie,1944 The Mud & the Stars Sarah Buck,2025-05-31 The Mud The Stars is a spiritually rich and fiercely honest invitation for those disillusioned by the good enough life Through poetic reflections and grounded insight Sarah Buck explores the sacred path of becoming walking with the Most Holy of Holies through life s most confronting challenges and the abyssal unknown with grit and grace to reclaim your rightful center In this collection of essays and hard won insights Buck offers more than memoir Rooted in reverence for the Almighty her work invites readers to return to the sacred wisdom woven into creation itself God s original design for connection restoration and the flourishing of life With unflinching vulnerability and lighthearted humility she reveals how wholeness is not the absence of hardship but the result of walking boldly through it equipped with the armor of being in right relationship with God This book is a torchlight for those who yearn for something deeper truer and unshakably real a path home to themselves to peace and to the Divine presence that never left *The Mud & the Stars* M.
