Nomads For Half A Century The Places The Trips The Food:

Nomadic Food Jean Pierre Williot, Isabelle Bianquis, 2019-10-10 In this book contributors examine the many meanings of the term nomad through the study of food habits Food and beverage products have become just as nomadic as other objects such as telephones and computers whereas in the past only food and money were able to move about with their carriers Food industries have seized control of this trend to make it the characteristic feature of consumption outside the home always faster and more convenient the just in time meal what I want when I want where I want snacks finger food and street food The terms reveal the contemporary modernity and spread of food practices but they are only modified versions of older and more uncommon forms of behavior Mobility in the sense of multiple forms of moving about using public or individual and possibly intermodal means of transport on spatial scales and temporal rhythms which are frequent and recurring but variable responding to professional or leisure needs can serve as a basic premise in order to gain insight into the concept of food nomadism

Nomad Century Gaia Vince, 2022-08-23 The MOST IMPORTANT BOOK I imagine I ll ever read Mary Roach FROM AN AWARD WINNING SCIENCE JOURNALIST comes an urgent investigation of environmental migration the most underreported seismic consequence of our climate crisis that will force us to change where and how we live An IMPORTANT and PROVOCATIVE start to a crucial conversation Bill McKibben We are facing a species emergency We can survive but to do so will require a planned and deliberate migration of a kind humanity has never before undertaken This is the biggest human crisis you ve never heard of Drought hit regions bleeding those for whom a rural life has become untenable Coastlines diminishing year on year Wildfires and hurricanes leaving widening swaths of destruction The culprit most of us accept is climate change but not enough of us are confronting one of its biggest and most present consequences a total reshaping of the earth s human geography As Gaia Vince points out early in *Nomad Century* global migration has doubled in the past decade on track to see literal billions displaced in the coming decades What exactly is happening Vince asks And how will this new great migration reshape us all In this deeply reported clarion call Vince draws on a career of environmental reporting and over two years of travel to the front lines of climate migration across the globe to tell us how the changes already in play will transform our food our cities our politics and much more Her findings are answers we all need now more than ever

Lifestyle and Livelihood Changes Among Formerly Nomadic Peoples A. Allan Degen,Léo-Paul Dana,2024-02-29 Contemporary policymakers as their predecessors continue to view nomadic people as a weak minority and their way of life and raising livestock as a backward and inefficient paradigm Wherever nomads are not the dominant group the trend to settle them continues even today as in the past This book describes the changes forced upon formerly nomadic groups and how they still attempt to maintain their traditional social and cultural practices in their new settings The book deals with the several modes of livelihood of these communities including entrepreneurship and demonstrates the impact of investment

oriented urbanization policies leading to eviction from ancestral lands and hurdles for nomadic mobility ultimately threatening their survival The book illustrates how some groups like the Borana and the Maasai practice livelihood diversity and raise productive livestock and how other groups migrate to urban centers in search of employment and remit money to family members left in the rural areas The book aims to raise awareness among the research community especially those who work on regional and demographic labor policies It helps in understanding why society needs to help build business and livelihood strategies without harming the values of nomadic groups *Arts & Decoration* ,1929 *Mirrors of Salt: Proceedings of the First International Congress on the Anthropology of Salt* Marius Alexianu,Roxana-Gabriela Curcă,Olivier Weller,Ashley A.
