Numerical Secrets Of The Bible Rediscovering The Bible Codes:

Numerical Secrets of the Bible C. J. Labuschagne, 2000 Labuschagne's book was written by one of Europe's leading biblical scholars and deals with one of the most important recent discoveries in the field of biblical study **Numerical Secrets of the Bible** Casper J. Labuschagne, 2016-07-20 Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe's leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture

Guardians: Keepers of God's Secret Code Donald Alexander, 2020-02-18 Theories of evolution origin of the Universe and deep time have led many scientists like my former self to conclude that Creation is just a chance sequence of events that can ultimately be explained by natural laws I was skeptical and even tried to disprove God's existence until I found a Secret Code embedded in the Scriptures This code provides undeniable evidence of God based upon event sequences in the lives of a Great Cloud of Witnesses like Joseph Samson David Jonah Elisha Moses and Joshua By unlocking the Earthly Sanctuary pattern given to Moses I've found that it reveals events of the Exodus from Egypt to the Promised Land which even applies to Spiritual Israel today The veil to the Holy Place aligns with the Exodus opening of the Red Sea And the veil to the Holiest Place points to the opening of the Jordan where we now stand waiting to cross at the End of Time The code reveals probabilities of the existence of God far greater than finding an atom in Planet Earth by chance **Power of Samson:**

Guardian of God's Secret Code Donald Alexander, 2020-02-07 Initially setting out to disprove God's existence a scientist stumbles upon mysterious Biblical codes and patterns that point to God's fingerprint Through his personal testimony he proves that these incredible discoveries reveal undeniable reproducible objective evidence that God Exists 52 embedded associations connect Samson to Jesus in the same order in just 96 verses in the Book of Judges The probability of this happening by chance is smaller than finding a single atom on Planet Earth by chance Yet numerous other code sequences are also embedded in the lives of a Great Cloud of Witnesses including Joseph Samson David Jonah Elisha Moses and Joshua in the same order as those in the life of Christ How could numerous independent authors have known about the steps of Christ in such detail hundreds to over a thousand years in advance The Author behind these accounts somehow can see events in

the distant future How can this be Could He be the Omniscient One called God **Text and Task** Michael

Parsons, 2012-06-12 Practical scriptural and contemporary Text and Task is a series of essays on Scripture and mission It aims to show the significance of reading the biblical text appropriately and with faithful engagement for our theology and missiology A team of biblical scholars suggests ways forward in areas such as the implicit missional narrative of David and Goliath the story of Solomon and his Temple building the genre of lament the explicit gracious message of the prophet Isaiah Paul's understanding of divine call and gospel and the place of mission as a hermeneutic for reading the Bible Theological chapters engage the issues of the Trinity and the unevangelized the missional dimensions of Barth's view of election the gospel's loss of plausibility in the modern West the place of preaching in mission and the idea of belonging to a church community before one believes the gospel Drawing together scholars from the fields of biblical studies theology sociology and homiletics Text and Task relates critically engaged textual reading to contemporary ongoing Christian life thought and mission

The Rhetorical Design of Isaiah 40-48/55 P. van der Lugt, 2022-06-08 In this volume Pieter van der Lugt offers a comprehensive analysis of the rhetorical structure of Isaiah As in his previous studies on the Book of Job and the Psalter the author demonstrates that classical Hebrew poetry displays a well defined structure consisting of balanced main parts cantos and subdivision into strophes This rhetorical starting point is of crucial importance for the delimitation of the individual poems in Isaiah 40-48 and in many cases determines their interpretation Subsequently it is demonstrated that the successive compositions form well defined and coherent cycles of poems Count God In Loren F. Bliese, 2018-03-09 This study of Song of Songs uncovers many patterns related to the numerical value twenty six and related numbers for the divine name YHWH Patterns are so unique that they clearly show authorial intent They involve the numerical value of root forms of words their sequences and their totals in the book The beloved man is highlighted by special patterns which indicate that a typology for God is intended Deer names in the refrain have number patterns that confirm intention for being circumlocutions for divine names The disputed presence of the divine name YH in 8:6 is confirmed by the value of its full word One of the most striking patterns found with the help of a computer is that the totals of root words are all arranged to point to theological numbers in a beautiful intricacy Besides describing these patterns this study discusses numerical competence within a proposed Hebrew literary circle and what steps they might have gone through to create these amazing phenomena These theological numbers confirm intentionality for allusions to the Hebrew Bible and support a hermeneutic of spiritual applications A literary analysis of each poem focuses on the use of numbers among other features of prominence

Cantos and Strophes in Biblical Hebrew Poetry III P. van der Lugt, 2013-10-10 This volume deals with the rhetoric the formal and thematic framework of Psalms 90-150 the Fourth and Fifth Book of the Psalter It is the conclusion of the Psalms Project started with Psalms 1-41 OTS 53 2006 and continued with Psalms 42-89 OTS 57 2010 Formal and thematic devices demonstrate that the psalms are composed of a consistent pattern of cantos stanzas and strophes The formal devices

especially include quantitative balance on the level of the cantos in terms of verselines verbal repetitions and on the level of the strophes transition markers The quantitative approach to a psalm in terms of verselines cola and or words in most cases clearly discloses a focal message This massive study is rounded off by an updated introduction to the canto design of biblical poetry including the book of Job Lamentations the Songs of Songs Deutero Isaiah and other major poems of the Hebrew Bible

God's Good Covenant Loren F. Bliese, 2021-06-29 In this study of Hosea Loren Bliese documents his current research into how the poetics of the Hebrew Bible were enhanced by arranging the counts of words and structures in order to beautify the message The two words good and covenant are the only words that come once each in the five parts of the book They point to a structural theme of the book that God's covenant is good in contrast to idolatrous relationships that lead to disaster Hosea's symbolic numbers are derived from both twenty two of the Hebrew letters and from twenty six the value of the divine name YHWH along with other numbers related to the name Plays on the word repent or return have a build up of repetitions to the end where the plea Return Israel to the LORD your God is prominent Each of these words is marked by numeric significance The book is a discourse analysis of Hosea's whole text focusing on features of prominence including symbolic numbers The study analyzes thirty of the forty five poems in Hosea with the form of metrical chiasmus pointing to a central peak Bliese has developed this in previous writings Abundant chi square probability calculations support his analysis

Cantos and Strophes in Biblical Hebrew Poetry II P. van der Lugt, 2010-01-11 This volume deals with the poetic framework and material content of the Second and Third Books of the Psalter Psalms 42 72 and 73 89 It is a continuation of the Psalms Project started in OTS 53 2006 Formal and thematic devices demonstrate that the psalms are composed of a consistent pattern of cantos stanzas and strophes The formal devices include quantitative balance on the level of cantos in terms of the number of verselines verbal repetitions and transition markers A quantitative structural approach also helps to identify the focal message of the poems Introductions to the design of biblical poetry and the rhetorical centre of the psalms conclude this massive study The third volume dealing with the Fourth and Fifth Books of the Psalter Psalms 90 106 and 107 151 is in preparation

Revelation 12-22 (ITC) Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation's cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both

professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

The Pauline Corpus in Early Christianity Benjamin P. Laird, 2022-12-01 The Pauline Corpus in Early Christianity Its Formation Publication and Circulation offers a comprehensive and wide ranging examination of the canonical development of the collection of writings associated with the Apostle Paul The volume considers a number of clues from the New Testament writings ancient literary conventions related to the composition and collection of letters and a variety of early witnesses to the early state of the corpus such as biblical manuscripts canonical lists and the testimony of writers As a conclusion to these inquiries Laird argues that at least three major archetypal editions of the Pauline corpus those containing 10 13 and 14 letters appear to have been collected and edited as early as the first century These major archetypal editions Laird concludes circulated simultaneously for many years until editions containing 14 letters became nearly universally recognized by the fourth century The volume serves as a valuable resource of information for those engaged in the study of the early state of the New Testament canon and offers a fresh perspective on the process that led to the formation of the Pauline corpus
