Nuptial Pact:

The Wedding Pact Emma Lea, 2022-04-17 AITA for turning up out of the blue and demanding that he marry me because of some teenage promise we made fourteen years ago Emma St James needed to get away Her career her impending marriage her mother Birch was just a convenient excuse a soft place to land a very bad idea Those pesky unrealised teenage fantasies were such a pain in the butt Seeing Emma again was a dream come true for Birch Forest although he knew the proposal was a sham She was hiding something and if he had to go along with the ridiculous wedding pact in order to find out her secrets then he would He wanted nothing more than to fix whatever was wrong But living together and pretending to plan a wedding suddenly felt a little too real and neither one of them wanted the fantasy to end This book uses Australian UK English

The Wedding Pact Isla Gordon, 2021-08-19 Would you marry a stranger to live the life of your dreams A fun and refreshing read I couldn't put it down HEIDI SWAIN The best book I've read in 2021 I LOVED it it made me smile so much Fresh funny and utterly wonderful HOLLY MARTIN Original funny and so so romantic The Wedding Pact is a breath of fresh air that you should add to your summer reading list immediately CRESSIDA MCLAUGHLIN August Anderson needs somewhere to live Dumped by her boyfriend who would rather be alone than move in with her she has almost given up on happiness Until she notices that the beautiful Georgian townhouse she's long admired and obsessed over is looking for a new tenant and suddenly it seems like things might be looking up There's just one catch the traditional buttoned up landlord is only willing to rent to a stable married couple and August quite frankly is neither Competition for the house is fierce and August knows she'll have to come up with a plan or risk losing her last shot at her happy ending Enter Flynn the handsome charming and somewhat unsuspecting gentleman who August accidentally spills her coffee over Flynn is new to the area and is looking for somewhere to live and August thinks she knows just the place but only if he's willing to tell a little white lie The perfect feel good summer read from reader favourite Lisa Dickenson writing as Isla Gordon Perfect for fans of Heidi Swain Sarah Morgan and Anna Bell Don't miss the brand new hilarious and heart warming romcom from Isla Gordon A New York Winter available to pre order now Praise for ISLA GORDON Heart warming and full of hope I loved it HEIDI SWAIN The most beautiful heart warming story Gorgeously cosy uplifting utterly lovely book HOLLY MARTIN Sunday afternoon bliss FABULOUS magazine

The Wedding Pact Ruth Ann Nordin, On her 21st birthday Ophelia was due to marry her guardian Only she didn't know it Miss Ophelia Crowe has led an extremely sheltered life After her parents died when she was five she went to live at her guardian's country estate She went on to live a life where everything was managed for her From what she could wear to what activities she could do each and every day had been carefully structured by the servants The problem was she didn't know who her guardian was Until the morning of her 21st birthday when the maids present her to him looking more like a doll than a lady who would like to have a say in her future And a doll is exactly the way he treats her She comes to realize just how much he's structured her life so that she's been trained to be the kind of wife he wants Well

she s decided she won t marry him In a bold move she runs off on a horse in the night in order to escape the fate everyone has set out for her ever since she was a child All Vicar Julian Roskin wants is to lead a quiet life He s caused enough trouble in the past He doesn t need any more problems But late one night his safe and predictable world is turned upside down when a beautiful young lady ends up on his doorstep in need of protection Protection in this case will require him to marry her Reason tells him not to do it Nothing good can come from marriage to a lady he doesn t know anything about But something about her demands he take her up on her offer Dare he take the risk or should he do everything he can to send her back This is loosely inspired by the Little Red Riding Hood story **The Wrangler's Wedding Pact** Kate Barker,2022-06-28 He needs a wife temporarily But will love find them on their journey For Charlotte Carpenter a job out West as a child s caretaker represents freedom and independence But when she arrives circumstances dictate that she must marry the child s father for propriety s sake Charlotte has always seen marriage as a trap an opinion that s shared by her groom Paul Harrison He assures her their match is temporary to sell his herd of horses with an annulment at the journey s end But as they travel on the trail together will their temporary marriage turn into lasting love *Separation Agreements and Ante-nuptial Contracts* Alexander Lindey,Louis I. Marriage, Sex, and Procreation Steven Schafer,2019-09-09 The contemporary church s debate on the inclusion of same sex individuals and their relationships has devolved into diametrically opposed positions Rather than resolving the argument the conversation between the two sides reflects the impasse that is taking place in denominations across the West It is clear that the dispute cannot be resolved while couched in these terms In this timely work Steven Schafer invites the reader to move beyond the terms of the current debate toward the underlying doctrinal concerns so often glossed over by that discussion This book is a work of hermeneutics that engages the contemporary discussion on the legitimacy of same sex relationships with the grand theological narrative handed down by the church By placing four contemporary revisionists in dialogue with the work of Augustine the book provides language and theological avenues to reframe the debate and contributes to the church s ongoing discernment **Of Donations Between Husband and Wife, Divorce and Dos**

Kelly,2004-01-30 Spicing erudition with wit Professor Kelly takes a new look at medieval attitudes toward love sexuality and marriage and he corrects a number of long standing misconceptions embodied in the concept of courtly love Through a close examination of canon law the common practice of clandestine marriage writings on mysticism and medieval poetry particularly Gower s Confessio amantis and Chaucer s romances and their sources he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue His evidence contradicts the theory closely associated with C S Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large By placing religious and cultural conventions in their proper context Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages **St. Augustine on Marriage and Sexuality** Saint Augustine (of Hippo),1996 Augustine of Hippo b A D 354 is considered the single most influential theologian in the history of the Church in the West Among his many contributions Augustine developed a sexual ethic that became decisive for all later teachings in the Christian West on issues of marriage reproduction and sexuality Some of the most significant and representative passages on marriage and sexuality from his works are presented here They recount Augustine s own struggle with sexuality and stress the important role it played in his conversion to Christianity as well as its influence on his theological principles later in life The passages in this collection are divided into four chapters which document the chronological development of Augustine s sexual ethic The first chapter includes passages that pertain to Augustine s own life and illustrate some of his positive and negative models of marital relation The second chapter recounts Augustine s responses to the Manichean teachings on the body reproduction and marriage mostly from his early years as a Christian The third chapter contains passages marking Augustine s reaction to the ascetic debates within late fourth century Latin Christianity And finally the fourth chapter illustrates Augustine s mature sexual and marital ethic which he elaborated in the midst of and in reaction to arguments with Pelagian writers In a separate introduction Elizabeth Clark sets the development of Augustine s thought within the context of his own intellectual biography and views it against the background of related issues and movements in the late fourth and early fifth centuries such as Manichaeism Jovinianism and Pelagianism The selections she presents here offer a comprehensive and uncommonly well balanced picture of Augustine and his work *St Augustine on Marriage and Sexuality* is the first in a projected series of volumes on various themes found in the writings of the church fathers ABOUT THE EDITOR Elizabeth Clark is John Carlisle Kilgo Professor of Religion at Duke University She is a past president of the American Academy of Religion and the North American Patristic Society and a member of the editorial board of the *Fathers of the Church* series **Treatises on Marriage and Other Subjects (The Fathers of the Church, Volume 27)** Saint Augustine,Augustine,2010-04 No description available [The Fixers](#) Joe Palazzolo,Michael
