Be My Baby Ronnie Spector, 2022-05-03 Do I have to tell you that Ronnie s got one of the greatest female rock and roll voices of all time She stands alone Keith Richards Be My Baby is the behind the scenes story newly updated and with an especially timely message of how the original bad girl of rock and roll Ronnie Spector survived marriage to a monster and carved out a space for herself amid the chaos of the 1960s music scene and beyond Ronnie s first collaboration with producer Phil Spector Be My Baby shot Ronnie and the Ronettes to stardom No one sounded like Ronnie with her alluring blend of innocence and knowing but her voice would soon be silenced as Spector sequestered her behind electric gates guard dogs and barbed wire It took everything Ronnie had to escape her prisonlike marriage and wrest back control of her life her music and her legacy And as shown in this edition which includes a 2021 postscript from Ronnie her life became proof that our challenges do not define us and there is always the potential to forge a fuller life In Be My Baby the incomparable Ronnie Spector offered a whirlwind account of the ever shifting path of an iconic artist And more than anything else she gave us an inspiring tale of triumph

MARKETING LESSONS Makarand Upadhyaya, Binod Mishra, Saveeta Pawar, 2021-05-29 Solving a marketing case study doesn't only mean understanding one company You need to focus on the entire market associated with that company Without a market the company cannot have a business to focus on And that's why companies create market segments to categorize where the business would be more successful Why do companies make it to the top ranks Because of the stronger foundation and thorough understanding of the market When you choose a case to study you choose a whole bunch of related cases in it As mentioned in the first chapter there are six ways to write a case study Your objective should be clear and your research should be focused on the specified factors of the companies Marketing case studies are different Your focus is not only on the specifications of the case but rather on the promotional and marketing strategies applied by the case to gain recognition Today the market has changed a lot companies are evolving and naturally the marketing strategies are changing with time Social media is making more impact than television or news marketing However traditional marketing ways are still alive and some companies are still using them For example Casper uses banners and posters in public areas yet plans social media campaigns Spotify uses television ads in some countries to target different sets of audiences
