## Nurses War:

*And If I Perish* Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them For more than half a century these women s experiences remained untold almost without reference in books historical societies or military archives After years of reasearch and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism A long overdue work of history *And If I Perish* is also a powerful tribute to these women and their inspiring legacy **They Called Them Angels** Kathi Jackson, 2000-06-30 A topical presentation of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the warmth and security of home to care for the young men who went off to war They were not saints but vibrant women whose performance changed the face of both military and civilian nursing Jackson s account follows both army and navy nurses from the time they joined the military through their active service to their lives today The jobs done by military nurses were valuable and varied Some worked in clean stateside hospitals Some found themselves nursing in tents or bombed out buildings Others entered hospitals so recently occupied by Axis forces that Nazi propaganda still covered the walls While often treating ordinary accidents and illnesses they were responsible for men with wounds so disfiguring that it took all of their willpower to maintain the hopeful attitude that the men so desperately required From the humorous account of a nurse in her forties who joined the war effort despite the smirks of those much younger to the sorrow shared when men and women were separated and became prisoners of war these are the stories of women who lived under extraordinary circumstances in an amazing time women who even today bear emotional scars along with their lasting pride *Civil War Nurse* Hannah Anderson Ropes, 1980 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military hospitals This book is edited with Introduction and Commentary by John R Brumgardt The War Nurse Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of *Call the Midwife* will love *The War Nurse* New York Journal of Books An impeccably researched well drawn based

on a true story tale written by a former RN The War Nurse shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times bestselling author of The Book of Lost Names Based on a true story The War Nurse is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly s Lost Roses and Marie Benedict s Lady Clementine will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for The War Nurse Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of The Last Garden in England and The Light Over London A rich gripping history of one woman s lifelong battle against systemic prejudice Stewart O Nan award winning author of The Good Wife Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of The Disharmony of Silence A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of The Girls in the Stilt House If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then The War Nurse is for you Diane Dewey author of Fixing the Fates Fans of Patricia Harman will love Wood s treatment of medical expertise in a historical setting Booklist

G.I. Nightingales Barbara Tomblin, 1996-01-01 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses

*Nurses in War* Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 This unique volume presents the experience of 37 U S military nurses sent to the Iraq and Afghanistan theaters of war to care for the injured and dying The personal and professional challenges they faced the difficulties they endured the dangers they overcame and the consequences they grappled with are vividly described from deployment to discharge In mobile surgical field hospitals and fast forward teams

detainee care centers base and city hospitals medevac aircraft and aeromedical staging units these nurses cared for their patients with compassion acumen and inventiveness And when they returned home they dealt with their experience as they could The text is divided into thematic chapters on essential issues how the nurses separated from their families and the uncertainties they faced in doing so their response to horrific injuries that combatants civilians and children suffered working and living in Iraq and Afghanistan for extended periods personal health issues and what it meant to care for enemy insurgents and detainees Also discussed is how the experience enhanced their clinical skills why their adjustment to civilian life was so difficult and how the war changed them as nurses citizens and people Key Features Describes verbatim the experiences of 37 nurses in two brutal chaotic theaters of war Offers poignant encounters with patients Includes advice clarity and lessons learned about nursing in war Offers a women s health perspective on working and living in a war zone Demonstrates the dedication expertise and spirit of military nurses

**Women at War** Elizabeth Norman,2010-08-03

Norman tells the dramatic story of fifty women members of the Army Navy and Air Force Nurse Corps who went to war working in military hospitals aboard ships and with air evacuation squadrons during the Vietnam War Here in a moving narrative the women talk about why they went to war the experiences they had while they were there and how war affected them physically emotionally and spiritually

**Nurses After War** Mary Ellen Doherty,Elizabeth Scannell-Desch,2016-07-05

Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life The nurses share their difficulties with family separation clinical reassignments post traumatic stress disorder the perceived stigma of seeking mental health counseling and compassion fatigue They describe how doing nursing in a war zone changed them personally and expanded their nursing skills and how reintegration was more difficult than they had anticipated In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research Interviewees describe in vivid detail their homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan KEY FEATURES Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from

war Addresses the reintegration differences between active duty versus reserve status      **Nurse Writers of the Great War**  
Christine Hallett, 2016-02-15 This electronic version has been made available under a Creative Commons BY NC ND open access license The First World War was the first total war Its industrial weaponry damaged millions of men and drove whole armies underground into dangerously unhealthy trenches Many were killed Many more suffered terrible life threatening injuries wound infections such as gas gangrene and tetanus exposure to extremes of temperature emotional trauma and systemic disease In an effort to alleviate this suffering tens of thousands of women volunteered to serve as nurses Of these some were experienced professionals while others had undergone only minimal training But regardless of their preparation they would all gain a unique understanding of the conditions of industrial warfare Until recently their contributions both to the saving of lives and to our understanding of warfare have remained largely hidden from view By combining biographical research with textual analysis Nurse writers of the great war opens a window onto their insights into the nature of nursing and the impact of warfare      Easing Pain on the Western Front Paul E. Stepansky, 2019-12-13 World War I is regarded as the first modern war driven by fearful new technologies of mechanized combat The unprecedented carnage rapidly advanced military medicine transforming the nature of wartime caregiving and paving the way for modern nursing practice Drawing on firsthand accounts of American nurses as well as their Canadian and British counterparts historian Paul E Stepansky describes nurses encounters with devastating new forms of injury wounds from high explosive artillery shells poison gas burns shell shock the Spanish Flu Comparing nursing practice on the western front with nursing care during the American Civil War the Spanish American War and the Anglo Boer War the author is especially attentive to the emergent technologies employed by nurses of the Great War      Officer, Nurse, Woman Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing An American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic s compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated

army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war

**Faces of Civil War Nurses** Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandieres unofficial attaches to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandieres Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women s stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington s series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women s studies social history nursing or photography Praise for Ronald Coddington s *Faces* Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington s prose is as unpretentious as the faces he shares yet authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war s impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History

## **Nurses War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nurses War PDF books and manuals is the internet's largest free library. Hosted online, this

catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nurses War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nurses War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Nurses War Books**

**What is a Nurses War PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How**

**do I create a Nurses War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nurses War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nurses War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nurses War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
