## **Nutcrackerboard And Audio Cassette:**

**Fields in Motion** Dena Davida, 2011-10-01 *Fields in Motion* Ethnography in the Worlds of Dance examines the deeper meanings and resonances of artistic dance in contemporary culture. The book comprises four sections: methods and methodologies, autoethnography, pedagogies and creative processes, and choreographies as cultural and spiritual representations. The contributors bring an insiders insight to their accounts of the nature and function of these artistic practices, giving voice to dancers, dance teachers, creators, programmers, spectators, students and scholars. International and intergenerational, this collection of groundbreaking scholarly research points to a new direction for both dance studies and dance anthropology. Traditionally the exclusive domain of aesthetic philosophers, the art of dance is here reframed as cultural practice and its significance is revealed through a chorus of voices from practitioners and insider ethnographers.

**Animation: A World History** Giannalberto Bendazzi, 2015-10-23 A continuation of 1994's groundbreaking *Cartoons*, Giannalberto Bendazzi's *Animation: A World History* is the largest, deepest, most comprehensive text of its kind based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often neglected areas, and introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume II delves into the decades following the Golden Age, an uncertain time when television series were overshadowing feature films; art was heavily influenced by the Cold War, and new technologies began to emerge that threatened the traditional methods of animation. Take part in the turmoil of the 1950s through 90s as American animation began to lose its momentum, and the advent of television created a global interest in the art form. With a wealth of new research, hundreds of photographs and film stills, and an easy-to-navigate organization, this book is essential reading for all serious students of animation history. **Key Features:** Over 200 high-quality headshots and film stills to add visual reference to your research. Detailed information on hundreds of never before researched animators and films. Coverage of animation from more than 90 countries and every major region of the world. Chronological and geographical organization for quick access to the information you're looking for.

Rose Army, 1998      **Canadiana**, 1991      **Sugar Plums for Dry Creek and At Home in Dry Creek** Janet Tronstad, 2010-12-01 Classic yuletide tales from Janet Tronstad's *Dry Creek Sugar Plums for Dry Creek*. Who could resist a five-year-old sugarplum fairy? Certainly not ballet teacher Lizette Baker or Judd Bowman, little Amanda's guardian. But Judd's determination to make Amanda happy might require a certain ballet teacher under the Christmas tree. *At Home in Dry Creek*: Single mother Barbara Strong hopes for a fresh start in Dry Creek. Little does she know her old life has followed her to town. Sheriff Carl Wall offers her his protection, but Barbara must decide if she'll accept the real gift: his love.      *On Cassette*, 1991
