Timner, 2000-01-01 Edward Kennedy Duke Ellington 1899-1974 is recognized as one of the great composers and orchestra leaders of the twentieth century and is credited for raising jazz to its highest plateau. He remained musically active through his entire life, creating a prolific musical output. *Ellingtonia: The Recorded Music of Duke Ellington and His Sidemen* compiles Ellington's entire musical catalog from the first recording session in July 1923 to the last concert in March 1974. More than a discography, the book comprises all the activities of these musicians, including studio recordings, movie soundtracks, concerts, dance dates, radio broadcasts, telecasts, and private and unissued recordings, as well as recordings made by Ellington's sidemen under their own names or with other bands. W. E. Timner provides the date, location, and personnel for each session, the label, first issue, master, and take numbers, if available, and song title, including alternate titles and derivatives.

Containing a comprehensive guide for users and indexes of titles, musicians, cities, venues, and general subjects, this completely revised and updated 5th edition also contains a new section listing Ellington's radio broadcasts and telecasts. Complete with extensive footnotes, *Ellingtonia* remains an indispensable and easy-to-use reference source for jazz collectors and scholars. **Nothing but Love in God's Water** Robert Darden, 2014-10-21

The first of two volumes chronicling the history and role of music in the African American experience, *Nothing but Love in God's Water* explores how songs and singers helped African Americans challenge and overcome slavery, subjugation, and suppression. From the spirituals of southern fields and the ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham, sacred song has stood center stage in the African American drama. Myriad interviews, one-of-a-kind sources, and rare or lost recordings are used to examine this enormously persuasive facet of the movement. *Nothing but Love in God's Water* explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet. **All Music Guide to**

the Blues Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2003-04 Reviews and rates the best recordings of 8900 blues artists in all styles. **The Original Guitar Hero and the Power of Music** Dean Alger, 2014-04-15

Lonnie Johnson 1894-1970 was a virtuoso guitarist who influenced generations of musicians from Django Reinhardt to Eric Clapton to Bill Wyman, and especially B.B. King. Born in New Orleans, he began playing violin and guitar in his father's band at an early age. When most of his family was wiped out by the 1918 flu epidemic, he and his surviving brother moved to St. Louis, where he won a blues contest that included a recording contract. His career was launched. Johnson can be heard on many Duke Ellington and Louis Armstrong records, including the latter's famous *Savoy Blues* with the Hot Five. He is perhaps best known

for his 12 string guitar solos and his ground breaking recordings with the white guitarist Eddie Lang in the late 1920s After World War II he began playing rhythm and blues and continued to record and tour until his death This is the first full length work on Johnson Dean Alger answers many biographical mysteries including how many members of Johnson s large family were left after the epidemic It also places Johnson and his musical contemporaries in the context of American race relations and argues for the importance of music in the fight for civil rights Finally Alger analyzes Johnson s major recordings in terms of technique and style Distribution of an accompanying music CD will be coordinated with the release of this book
