The past years have witnessed considerable progress in the field of fundamental research in cardiology Nevertheless numerous problems and controversial concepts remain Some of these controversies concern relatively simple issues e g the question of the extent to which a common length tension or pressure volume relationship exists independent of type of contraction and preload The present volume is a compendium of an Erwin Riesch symposium held July 12 13 1985 with the aim of critically analysing generally accepted concepts and theories as well as current trends in cardiology In common with previous Erwin Riesch symposia priority was given to issues concerning chronic reactions of the heart although basic principles of normal myocardial contraction and ventricular dynamics as well as clinical aspects were also discussed We are greatly indebted to the Erwin Riesch Stiftung for the invaluable generosity which enabled us to hold the symposium

Marriage from the Heart Donald R. Downing,2010-04

Marriage is God's idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
