remembered sensations in mouth throat and lungs BOOK JACKET *William Shakespeare's Macbeth* Alexander Leggatt,2006 Containing annotated extracts from key sources this guide to William Shakespeare s *Macbeth* explores the heated debates that this play has sparked Looking at issues such as the representation of gender roles political violence and the dramatisation of evil this volume provides a way through the wealth of contextual and critical material that surrounds Shakespeare s text *A Dictionary of Shakespeare* Stanley Wells,James Shaw,2005 Compiled by the general editor of The Oxford Shakespeare and one of the best known authorities on the playwright s works this dictionary offers information on all aspects of Shakespeare both in his own time and in later ages The wide ranging entries cover Shakespeare s plays as well as everything from famous actors writers and directors connected with Shakespeare to theatres historical figures and places of particular interest relating to his life and work The dictionary also includes box features of passages on Shakespeare by other famous authors from Dr Johnson and Jane Austin to Bernard Levin and Virginia Woolf Ideal reference for the student actor or director and fascinating browsing for the general reader interested in Shakespeare s life and work *The Artistry of Shakespeare's Prose* Brian Vickers,2013-09-13 First published in 1968 This re issues the revised edition of 1979 *The Artistry of Shakespeare s Prose* is the first detailed study of the use of prose in the plays It begins by defining the different dramatic and emotional functions which Shakespeare gave to prose and verse and proceeds to analyse the recurrent stylistic devices used in his prose The general and particular application of prose is then studied through all the plays in roughly chronological order **Shakespeare Survey** Allardyce Nicoll,2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback *Shakespeare's Histories* Emma Smith,2008-04-15 This Guide steers students through four centuries of critical writing on Shakespeare s history plays enhancing their enjoyment and broadening their critical repertoire Guides students through four centuries of critical writing on Shakespeare s history plays Covers both significant early views and recent critical interventions Substantial editorial material links the articles and places them in context Annotated suggestions for further reading allow students to investigate further *The Definitive Shakespeare Companion* Joseph Rosenblum,2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare s plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare s works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today s readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare s plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through

productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare s sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

Shakespeare and Ecocritical Theory Gabriel Egan,2015-10-22 Combining the latest scientific and philosophical understanding of humankind s place in the world with interpretative methods derived from other politically inflected literary criticism ecocriticism is providing new insights into literary works both ancient and modern With case study analyses of the tragedies comedies histories and late romances this book is a wide ranging introduction to reading Shakespeare in the light of contemporary ecocritical theory

The Quest for Shakespeare Jeffrey Kahan,2016-12-11 This book traces the formation and impact of the New Shakspere Society created in 1873 which dedicated itself to solving the mysteries of Shakespeare s authorship by way of science This promise however was undermined not only by the antics of its director Frederick J Furnivall but also by the inexactitudes of the tests Jeffrey Kahan puzzles out how a society geared towards science quickly devolved into a series of grudge matches Nonetheless the New Shakspere Society set the bibliographical and biographical agenda for the next century an unusual legacy for an organization that was rife with intrigue enmity and incompetence lives were ruined lawyers consulted and scholarship mostly bad produced and published

Forgetful Muses Ian Lancashire,2010-12-11 How can we understand and analyze the primarily unconscious process of writing In this groundbreaking work of neuro cognitive literary theory Ian Lancashire maps the interplay of self conscious critique and unconscious creativity Forgetful Muses shows how a writer s own anonymous that part of the mind that creates language up to the point of consciousness is the genesis of thought Those thoughts are then articulated by an author s inner voice and become subject to critique by the mind s reader editor The reader editor engages with the anonymous which uses this information to formulate new ideas Drawing on author testimony cybernetics cognitive psychology corpus linguistics text analysis the neurobiology of mental aging and his own experiences Lancashire s close readings of twelve authors including Caedmon Chaucer Coleridge Joyce Christie and Atwood serve to illuminate a mystery we all share
