text     War and Literature Laura Ashe, Ian Patterson, 2014 Reflections on the uneasy yet symbiotic relations of war and writing from medieval to modern literature     *Blood Matters* Bonnie Lander Johnson, Eleanor Decamp, 2018-03-26 In late medieval and early modern Europe definitions of blood in medical writing were slippery and changeable blood was at once the red fluid in human veins a humor a substance governing crucial Galenic models of bodily change a waste product a cause of corruption a source of life a medical cure a serum appearing under the guise of all other bodily secretions and after William Harvey's discovery of its circulation the cause of one of the greatest medical controversies of the premodern period Figurative uses of blood are even more difficult to pin down The term appeared in almost every sphere of life and thought running through political theological and familial discourses *Blood Matters* explores blood as a distinct category of inquiry and draws together scholars who might not otherwise be in conversation Theatrical and medical practice are found to converge in their approaches to the regulation of blood as a source of identity and truth medieval civic life intersects with seventeenth century science and philosophy the concepts of class race gender and sexuality find in the language of blood as many mechanisms for differentiation as for homogeneity and fields as disparate as pedagogical theory alchemy phlebotomy wet nursing and wine production emerge as historically and intellectually analogous The volume's essays are organized within categories derived from medieval and early modern understanding of blood behaviors Circulation Wounds Corruption Proof and Signs and Substances thereby providing the terms through which interdisciplinary and cross period conversations can take place Contributors Helen Barr Katharine Craik Lesel Dawson Eleanor Decamp Frances E Dolan Elisabeth Dutton Margaret Healy Dolly Jørgensen Helen King Bonnie Lander Johnson Hester Lees Jeffries Joe Moshenska Tara Nummedal Patricia Parker Ben Parsons Heather Webb Gabriella Zuccolin     **Othello: The State of Play** Lena Cowen Orlin, 2014-04-24 *Othello* has a long history of provoking profound emotion in its audiences and readers This freeze frame volume showcases current debates and ideas about the play's provocative effects Each chapter has been carefully selected for its originality and relevance to the needs of students teachers and researchers Key issues and themes include Gender Love and Desire Race Ethnicity and Difference Social Relations Status and Ambition Tragedy Comedy and Parody Language Expression and Characterization All the essays offer new perspectives and combine to give readers an up to date understanding of what's exciting and challenging about *Othello* The approach based on an individual play unlike that of topic based series reflects how Shakespeare is most commonly studied and taught     *The Routledge Companion to Shakespeare and Politics* Chris Fitter, 2025-10-31 *The Routledge Companion to Shakespeare and Politics* challenges and transforms our understanding of the politics of Shakespeare's plays Through up to date essays by historians biographers and Shakespeare critics this Companion offers first a systematic examination of dominant institutions and emergent thought in Shakespeare's society then meditation on Shakespeare's representation of these Contributors consider the common law and the legally embattled royal prerogative the functioning of the justice system the impact of angry Tudor reformers early capitalism war libels rebellion populism

religion and cosmological ferment as well as the class system Machiavelli Montaigne and theatrical transgression Opening chapters discuss the harsh politicisation of childhood Shakespeare the subversive practices built into grammar school education and the mythic retirement of Shakespeare to an idyllic Warwickshire Combining social panorama with sharp critical readings this synoptic approach allows identification of a political coherence to Shakespeare's drama identifying commonalities of vision frequently critical and dissident returning in different plays The final section looks at Shakespeare's reception within Marxism feminism racial theory LGBTQ thought and ecocriticism The collection recovers a lost Shakespeare of substantial political disaffection in very dark times offering a challenging political redirection of Shakespeare studies and perhaps a Shakespeare for our era As an authoritative state of the art guide to this resonant topic it will be of interest to anyone researching or studying Shakespeare

*A Cumulative Bibliography of Medieval Military History and Technology* Kelly DeVries, 2008 This is the second update of *A Cumulative Bibliography of Medieval Military History and Technology* which appeared in 2002 It is meant to do two things to present references to works on medieval military history and technology not included in the first two volumes and to present references to all books and articles published on medieval military history and technology from 2003 to 2006 These references are divided into the same categories as in the first two volumes and cover a chronological period of the same length from late antiquity to 1648 again in order to present a more complete picture of influences on and from the Middle Ages It also continues to cover the same geographical area as the first and second volume in essence Europe and the Middle East or again influences on and from this area The languages of these bibliographical references reflect this geography

**Multi-disciplinary Lexicography** Olga M. Karpova, Faina I. Kartashkova, 2014-08-11 The present book is based on presentations made during the IXth International School on Lexicography Multi disciplinary Lexicography Traditions and Challenges of the XXIst Century at Ivanovo State University September 8-10 2011 and continues a series of collective monographs devoted to the theoretical and practical problems of lexicography published by Cambridge Scholars Publishing in 2007 2009 and 2010 The scope of topics discussed in four parts Dictionary as a Cross road of Language and Culture Dictionary Use and Dictionary Criticism Terminology and LSP Studies and Projects of New Dictionaries is rather wide and focuses on burning problems of European Russian and world lexicography as well as on projects of new dictionaries This book will be of interest to theoreticians practitioners and students of linguistic faculties

*The Oxford Handbook of Shakespeare and Early Modern Authorship*, 2025-09-09 The Oxford Handbook of Shakespeare and Early Modern Authorship draws together leading and emerging scholars of Shakespeare and early modern literature to consider anew how authorship worked in the time in which Shakespeare wrote and to interrogate the construction of the Shakespeare as author figure Composed of four main sections it offers fresh analysis of the literary and cultural influences and forces that formed authors in the period the mechanics of early modern authorship the mediation of Shakespeare and others works in performance manuscript and print and the critical and popular

reimagining across times of Shakespeare as an author figure Diving into modern debates about early modern authorship authority and identity politics contributors supply rich new accounts of the wider scene of professional authorship in early modern England of how Shakespeare's writings contributed to it and of what made him distinctive within it Looking beyond Shakespeare the Handbook seeks to provide a vital testing ground for new research into early modern literature and culture more broadly

**Shakespeare's Apprenticeship** Ramon Jiménez, 2018-09-24 The contents of the Shakespeare canon have come into question in recent years as scholars add plays or declare others only partially his work Now new literary and historical evidence demonstrates that five heretofore anonymous plays published or performed during his lifetime are actually his first versions of later canonical works Three histories The Famous Victories of Henry the Fifth The True Tragedy of Richard the Third and The Troublesome Reign of John a comedy The Taming of a Shrew and a romance King Lear are products of Shakespeare's juvenile years Later in his career he transformed them into the plays that bear nearly identical titles Each is strikingly similar to its canonical counterpart in terms of structure plot and cast though the texts were entirely rewritten Virtually all scholars critics and editors of Shakespeare have overlooked or disputed the idea that he had anything to do with them This addition of five plays to the Shakespeare canon introduces a new facet to the authorship debate and supplies further evidence that the real Shakespeare was Edward de Vere seventeenth Earl of Oxford

*Besieged* Sharon Alker, Holly Faith Nelson, 2021-01-15 Siege literature has existed since antiquity but has not always been understood as a crucial element of culture Focusing on its magnetic force *Besieged* brings to light its popularity and potency between the British Civil War and the Great Northern War in Europe a period in which literary texts reflected an urgent interest in siege mentality and tactics Exploring the siege as represented in canonical works by Milton Dryden Defoe Davenant Cowley Cavendish and Bunyan alongside a wide array of little known memoirs plays poems and works of prose fiction on military and civilian experiences of siege warfare *Besieged* breaks new ground in the field of early modern war literature Sharon Alker and Holly Faith Nelson draw on theories of space and place to show how early modern Britons feverishly worked to make sense of the immediacy horror and trauma of urban warfare offering a valuable perspective on the literature that captured the cultural imagination during and after the traumatic civil wars of the 1640s Alker and Nelson demonstrate how the narratives of besieged cities became a compelling way to engage with the fragility of urban space unstable social structures developing technologies and the inadequacy of old heroic martial models Given the reality of urban warfare in our own age *Besieged* provides a timely foundation for understanding the history of such spaces and their cultural representation

Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Shakespeares Military Language A Dictionary : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Shakespeares Military Language A Dictionary : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
