Shalom Secrets Chaim Trainer, 2018-09 [American Secrets](#) José Liste-Noya, Eduardo Barros-Grela, 2011-09-16 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret American Secrets explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain's anti imperialist prophecies to 9-11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations

The Happiness Secret J. John, 2011-10-27 It's something we all want But what is happiness and where can we find it In this thoughtful and uplifting book inspirational speaker J. John takes a look at the most famous teachings of Jesus the Beatitudes to find clues to embracing a life of joy and fulfillment He unpacks each of Jesus' great sayings placing them in their first century context and also revealing how they are applicable in our lives today Ultimately he suggests that if we seek happiness directly we may never find it but if instead we seek a life of fulfillment we will find true and lasting happiness as a result Accessible and down to earth THE HAPPINESS SECRET is both a practical
