## **Shamans And Elders Experience Knowledge And Power Among The Daur Mongols:**

**Shamans and Elders** Caroline Humphrey, Urgunge Onon, 1996 Shamans and Elders is a major study of Mongolian shamanism and society past and present It presents a wealth of new information and offers a fresh understanding of the widespread phenomenon of shamanism This unique and detailed analysis of a fascinating subject combines a discussion of Urgunge Onon s memories of shamanism with Caroline Humphrey s text and field based analytical knowledge of Central and North Asian shamanism It covers among other things notions of gender in Mongolian society including male and female traditions in ritual female shamans and goddess worship attitudes to death and funeral rituals the importance of old men and of ancestors and Daur notions of landscape within their direct experience the importance of the sky of the mountains of the forest rivers etc and beyond In covering these diverse areas the authors depart from the general cultural models usually offered in discussions of shamanism providing a new vision of shamanism as made up of fragmentary non formularized parts It presents much needed insight on a little known world and points to an original new way of doing anthropology

**Shamans and Elders** Caroline Humphrey, Urgunge Onon, 2023 This wide ranging study of Mongolian shamanism and society past and present aims to present a fresh understanding of the widespread phenomenon of shamanism It offers insight on a little known world and points the way to a new method of anthropology

**Shamans and Elders** Caroline Humphrey, Urgunge Onon, 1996 This work is a ground breaking study of Mongolian shamanism and society past and present Lavishly illustrated and containing a wealth of new information it presents a fresh understanding of the widespread phenomenon of shamanism It looks at gender and ritual female shamans and goddess worship death and funeral rituals the importance of old men and ancestors and Daur notions of landscape within their direct experience and beyond

**The Mongols at China's Edge** Uradyn E. Bulag, 2002-04-03 This important study explores the multifaceted Mongol experience in China past and present Combining insights from anthropology history and postcolonial criticism Uradyn Bulag avoids romanticizing Mongols either as pacified primitive Other or as gallant resistance fighters Rather he portrays them as a people whose communist background and standing in China s northern borderlands has informed their political efforts to harness or confront Chinese nationalistic and political hegemony Breaking new ground in the study of Chinese and Mongol history and ethnicity the author offers a fresh interpretation of China viewed from the perspective of its peripheries and of minority nationalities in relation to the study of Chinese representation and minority self representation The author interrogates received wisdom about Chinese and minority nationalism by unraveling the Chinese discourse and practice of national unity He shows how the discourse was constructed over time through political rituals and sexuality in relation to Mongols and other non Chinese peoples that hark back to Chinese Xiongnu confrontations two millennia ago and Manchu conquest in the 17th and 18th centuries Titular rulers of an autonomous region in which they constitute a minority Mongols face enormous barriers in building and maintaining a socialist Mongolian nationality and a Mongolian language and culture

Acknowledging these difficulties Bulag discusses a range of sensitive issues including the imbrication of nation class and ethnicity in the context of Mongol Chinese relations tensions inherent in writing a postrevolutionary history for a socialist nationality and the moral dilemma of building a socialist model with Mongol characteristics Charting the interface between a state centered multinational Chinese polity and a primordial nationalist multiculturalism that aims to manage minority nationalities as cultures he explores Mongol ethnopolitical strategies to preserve their heritage

**The Beauty of the Primitive** Andrei A. Znamenski, 2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive The Beauty of the Primitive explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti modernity sentiments The major characters of The Beauty of the Primitive are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native Americana have played in the emergence of neo shamanism He discusses the sources that inspire Western neo shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non Western tradition to European folklore A work of intellectual discovery The Beauty of the Primitive shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history

Tibetan Ritual Jose Ignacio Cabezón, 2009-12-08 Ritual is one of the most pervasive religious phenomena in the Tibetan cultural world Despite its ubiquity and importance to Tibetan cultural life however only in recent years has Tibetan ritual been given the attention it deserves This is the first scholarly collection to focus on this important subject Unique in its historical geographical and disciplinary breadth this book brings together eleven essays by an international cast of scholars working on ritual texts institutions and practices in the greater Tibetan cultural world Tibet Nepal Bhutan and Mongolia While most of the chapters focus on Buddhism two deal with ritual in Tibet's indigenous Bon religion All of the essays are original to this volume An

extensive introduction by the editor provides a broad overview of Tibetan ritual and contextualizes the chapters within the field of Buddhist and Tibetan studies The book should find use in advanced undergraduate courses and graduate seminars on Tibetan religion It will also be of interest to students and scholars of ritual generally *Journal for the Academic Study of Magic* 2 Dave Evans, Various, 2004-05 This volume is a multidisciplinary peer reviewed print publication covering all areas of magic witchcraft paganism and all geographical regions and all historical periods **Ethnographic Plague** Christos Lynteris, 2016-07-30 Challenging the concept that since the discovery of the plague bacillus in 1894 the study of the disease was dominated by bacteriology Ethnographic Plague argues for the role of ethnography as a vital contributor to the configuration of plague at the turn of the nineteenth century With a focus on research on the Chinese Russian frontier where a series of pneumonic plague epidemics shook the Chinese Russian and Japanese Empires this book examines how native Mongols and Buryats came to be understood as holding a traditional knowledge of the disease Exploring the forging and consequences of this alluring theory this book seeks to understand medical fascination with culture so as to underline the limitations of the employment of the latter as an explanatory category in the context of infectious disease epidemics such as the recent SARS and Ebola outbreaks Dreamworlds of Shamanism and Tibetan Buddhism Angela Sumegi, 2008-05-08 Dreamworlds of Shamanism and Tibetan Buddhism explores the fertile interaction of Buddhism shamanism and Tibetan culture with the subject of dreaming In Tibetan Buddhist literature there are numerous examples of statements that express the value of dreams as a vehicle of authentic spiritual knowledge and at the same time dismiss dreams as the ultra illusions of an illusory world Examining the third place from the perspective of shamanism and Buddhism Angela Sumegi provides a fresh look at the contradictory attitudes toward dreams in Tibetan culture Sumegi questions the longstanding interpretation that views this dichotomy as a difference between popular and elite religion and theorizes that a better explanation of the ambiguous position of dreams can be gained through attention to the spiritual dynamics at play between Buddhism and an indigenous shamanic presence By exploring the themes of conflict and resolution that coalesce in the Tibetan experience and examining dreams as a site of dialogue between shamanism and Buddhism this book provides an alternate model for understanding dreams in Tibetan Buddhism Singing to the Plants Stephan V, Beyer, 2010-01-15 In the Upper Amazon mestizos are the Spanish speaking descendants of Hispanic colonizers and the indigenous peoples of the jungle Some mestizos have migrated to Amazon towns and cities such as Iquitos and Pucallpa most remain in small villages They have retained features of a folk Catholicism and traditional Hispanic medicine and have incorporated much of the religious tradition of the Amazon especially its healing sorcery shamanism and the use of potent plant hallucinogens including ayahuasca The result is a uniquely eclectic shamanist culture that continues to fascinate outsiders with its brilliant visionary art Ayahuasca shamanism is now part of global culture Once the terrain of anthropologists it is now the subject of novels and spiritual memoirs while ayahuasca shamans perform their healing rituals in Ontario and Wisconsin Singing to the Plants sets

forth just what this shamanism is about what happens at an ayahuasca healing ceremony how the apprentice shaman forms a spiritual relationship with the healing plant spirits how sorcerers inflict the harm that the shaman heals and the ways that plants are used in healing love magic and sorcery

**Shamans, Nostalgias, and the IMF** Laurel Kendall, 2009-09-01 Thirty years ago anthropologist Laurel Kendall did intensive fieldwork among South Korea's mostly female shamans and their clients as a reflection of village women's lives. In the intervening decades South Korea experienced an unprecedented economic, social, political, and material transformation and Korean villages all but disappeared. And the shamans, Kendall attests, that they not only persist but are very much a part of South Korean modernity. This enlightening and entertaining study of contemporary Korean shamanism makes the case for the dynamism of popular religious practice, the creativity of those we call shamans, and the necessity of writing about them in the present tense. Shamans thrive in South Korea's high-rise cities working with clients who are largely middle class and technologically sophisticated. Emphasizing the shaman's work as open and mutable, Kendall describes how gods and ancestors articulate the changing concerns of clients and how the ritual frame of these transactions has itself been transformed by urban sprawl, private cars, and zealous Christian proselytizing. For most of the last century Korean shamans were reviled as practitioners of antimodern superstition; today they are nostalgically celebrated icons of a vanished rural world. Such superstition and tradition occupy flip sides of modernity's coin, the one by confuting the other by obscuring the beating heart of shamanic practice. Kendall offers a lively account of shamans who once ministered to the domestic crises of farmers as they address the anxieties of entrepreneurs whose dreams of wealth are matched by their omnipresent fears of ruin. Money and access to foreign goods provoke moral dilemmas about getting and spending; shamanic rituals express these through the longings of the dead and the playful antics of greedy gods, some of whom have acquired a taste for imported whiskey. No other book-length study captures the tension between contemporary South Korean life and the contemporary South Korean shamans' work. Kendall's familiarity with the country and long association with her subjects permit nuanced comparisons between a 1970s then and recent encounters, some with the same shamans and clients as South Korea moved through the 1990s, endured the Asian Financial Crisis, and entered the new millennium. She approaches her subject through multiple anthropological lenses such that readers interested in religion, ritual, performance, healing, gender, landscape, material culture, modernity, and consumption will find much of interest here.

*The Archaeology of Shamanism* Neil S. Price, 2001 No Australian Aboriginal content

**Objects and Materials** Penny Harvey, Eleanor Casella, Gillian Evans, Hannah Knox, Christine McLean, Elizabeth B. Silva, Nicholas Thoburn, Kath Woodward, 2014-07-16 There is broad acceptance across the Humanities and Social Sciences that our deliberations on the social need to take place through attention to practice, to object-mediated relations, to non-human agency, and to the affective dimensions of human sociality. This Companion focuses on the objects and materials found at centre stage and asks what matters about objects. *Objects and Materials* explores the field, providing succinct summary accounts of contemporary

scholarship along with a wealth of new research investigating the capacity of objects to shape unsettle and exceed expectations Original chapters from over forty international interdisciplinary contributors address an array of objects and materials to ask what the terms of collaborations with objects and materials are and to consider how these collaborations become integral to our understandings of the complex relational dynamics that fashion social worlds Objects and Materials will be of interest to students and scholars across the social sciences and humanities including in sociology social theory science and technology studies history anthropology archaeology gender studies women s studies geography cultural studies politics and international relations and philosophy

*Shamanism* Graham Harvey,2003 This is an essential tribute to the vitality and breadth of shamanic tradition both amongst the most distant tribes of America and Asia and within seemingly ordinary aspects of modern western culture

Shamanism in the Interdisciplinary Context Art Leete,R. Paul Firnhaber,2004 The understanding of shamanism in its variety of forms and manifestations has become vital in our understanding of the origins and development of ideological systems of the human family Though not a religion shamanism is the first formalization of the human quest for meaning understanding and participation in the mysteries of the cosmic drama It is a global phenomenon cultural specific practices and beliefs reflecting and embodying universal truths This book is a collection of the papers presented at the 6th Conference of the International Society for Shamanistic Research held at the Viljandi Kultuurikolledz Viljandi Estonia in August of 2001 It represents the contemporary work of international scholarship in its attempt to understand the complexities of shamanism both ancient and surviving Increasingly the study of shamanism is interdisciplinary These papers and articles offer as well an example of the mix of disciplines presently coming to bear on the study of shamanism

*Buddhists, Shamans, and Soviets* Justine Buck Quijada,2019-02-15 History in the Soviet Union was a political project From the Soviet perspective Buryats an indigenous Siberian ethnic group were a backwards nationality that was carried along on the inexorable march towards the Communist utopian future When the Soviet Union ended the Soviet version of history lost its power and Buryats like other Siberian indigenous peoples were able to revive religious and cultural traditions that had been suppressed by the Soviet state In the process they also recovered knowledge about the past that the Soviet Union had silenced Borrowing the analytic lens of the chronotope from Bakhtin Quijada argues that rituals have chronotopes which situate people within time and space As they revived rituals Post Soviet Buryats encountered new historical information and traditional ways of being in time that enabled them to re imagine the Buryat past and what it means to be Buryat Through the temporal perspective of a reincarnating Buddhist monk Dashi Dorzho Etigelov Buddhists come to see the Soviet period as a test on the path of dharma Shamanic practitioners in contrast renegotiate their relationship to the past by speaking to their ancestors through the bodies of shamans By comparing the versions of history that are produced in Buddhist shamanic and civic rituals Buddhists Shamans and Soviets offers a new lens for analyzing ritual a new perspective on how an indigenous people grapples with a history of state repression and an innovative approach

to the ethnographic study of how people know about the past      **Siberian Frontiers** Amelia Khatri,AI,2025-03-20 Siberian Frontiers explores Russia s expansion into Siberia a pivotal period in world history This territorial acquisition driven by the lucrative fur trade and the ambition for resources had profound consequences for indigenous populations and reshaped global commerce The book highlights how this contiguous land grab differed from overseas colonialism significantly influencing Russia s identity and its relationship with Asia The Russian state implemented administrative and legal frameworks affecting land ownership taxation and religious conversion further altering the region s socio political landscape The book presents a comprehensive account of Russia s eastward march from the late 16th through the 19th centuries Initially the book sets the stage by examining the diverse indigenous cultures economies and political systems of pre colonial Siberia It then analyzes the early stages of Russian penetration focusing on the role of Cossack explorers fur traders and state officials in establishing control over key territories The book connects history with anthropology economics and environmental studies emphasizing the agency of indigenous actors who resisted and adapted to Russian expansion

**Contemporary Indigenous Cosmologies and Pragmatics** Françoise Dussart,Sylvie Poirier,2022-03-07 In this timely collection the authors examine Indigenous peoples negotiations with different cosmologies in a globalized world Dussart and Poirier outline a sophisticated theory of change that accounts for the complexity of Indigenous peoples engagement with Christianity and other cosmologies their own colonial experiences as well as their ongoing relationships to place and kin The contributors offer fine grained ethnographic studies that highlight the complex and pragmatic ways in which Indigenous peoples enact their cosmologies and articulate their identity as forms of affirmation This collection is a major contribution to the anthropology of religion religious studies and Indigenous studies worldwide Contributors Anne Marie Colpron Robert R Cr peau Fran oise Dussart Ingrid Hall Laurent J r me Fr d ric Laugrand C James MacKenzie Caroline Nepton Hotte Ksenia Pimenova Sylvie Poirier Kathryn Rountree Antonella Tassinari Petronella Vaarzon Morel      Shamanic Dialogues with the Invisible Dark in Tuva, Siberia Konstantinos Zorbas,2021-02-15 Intentional acts of assault sorcery involving operations of extracting the souls of unsuspecting victims or eliminating one s antagonists are central to the perceived proliferation of occult threats and shamanic assassins in Tuva Siberia Following the restoration of shamanism as an official religion in the region indigenous spiritual practitioners have propagated a vindictive strand of rituals associated with supernatural retaliation and political assassination This book probes the unforeseen implications of state sanctioned appropriations of religious revival through an unsettling context of encounters with various agencies embodying dark shamanism The invisible presence of this shamanic complex is manifested in the book s presentation of a shaman s thoughts about an epidemic of curses his counter cursing rituals for Russians and ethnic Tuvans and his dialogues with dead shamanic ancestors and spectres experiencing ideological tensions      *Popular Religion in Modern China* Lan Li,2016-03-23 Since the early 1980s China s rapid economic growth and social transformation have greatly altered the role of popular religion in the country This

book makes a new contribution to the research on the phenomenon by examining the role which popular religion has played in modern Chinese politics Popular Religion in Modern China uses Nuo as an example of how a popular religion has been directly incorporated into the Chinese Communist Party's CCP policies and how the religion functions as a tool to maintain socio political stability safeguard national unification and raise the country's cultural soft power in the eyes of the world It provides rich new material on the interplay between contemporary Chinese politics popular religion and economic development in a rapidly changing society

### **Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Introduction**

Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Shamans And Elders Experience Knowledge And Power Among The Daur Mongols : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Shamans And Elders Experience Knowledge And Power Among The Daur Mongols : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Offers a diverse range of free eBooks across various genres. Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Shamans And Elders Experience Knowledge And Power Among The Daur Mongols, especially related to Shamans And Elders Experience Knowledge And Power Among The Daur Mongols, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Shamans And Elders Experience Knowledge And Power Among The Daur Mongols, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Shamans And Elders Experience Knowledge And Power Among The Daur Mongols books or magazines might include. Look for these in online stores or libraries. Remember that while Shamans And Elders Experience

Knowledge And Power Among The Daur Mongols, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Shamans And Elders Experience Knowledge And Power Among The Daur Mongols eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shamans And Elders Experience Knowledge And Power Among The Daur Mongols full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shamans And Elders Experience Knowledge And Power Among The Daur Mongols eBooks, including some popular titles.

### **FAQs About Shamans And Elders Experience Knowledge And Power Among The Daur Mongols Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shamans And Elders Experience Knowledge And Power Among The Daur Mongols is one of the best books in our library for free trial. We provide copies of Shamans And Elders Experience Knowledge And Power Among The Daur Mongols in digital format, so the resources that you find are reliable. There are also many eBooks related to Shamans And Elders Experience Knowledge And Power Among The Daur Mongols. Where to download Shamans And Elders Experience Knowledge And Power Among The Daur Mongols online for free? Are you looking for Shamans And Elders Experience Knowledge And Power Among The Daur Mongols PDF? This is definitely going to save you time and cash in something you should think about.
