Shame Its Sisters:

Politics and Affect in Black Women's Fiction Kathy Glass, 2017-12-15 Exploring literary possibilities Politics and Affect reads black women's text in particular Frances Harper's *The Two Offers* 1859 Julia Collins's *The Curse of Caste* 1865 Nella Larsen's *Quicksand* 1928 and Danzy Senna's *Caucasia* 1998 as richly creative documents saturated with sociopolitical value Interested in how African American women writers from the nineteenth century to the present have mined the politics of affect and emotion to document love shame and suffering in environments shaped by race Kathy Glass gives sustained attention to the impact of racist affect on the black body and examines how black women writers deploy emotional states to engender sociopolitical change *Dangerous Sisters of the Hebrew Bible* Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible's grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society *The Chronological Study Bible* Thomas Nelson, 2008-10-14 The Chronological Study Bible is the only study Bible that presents the text of the New King James Version in chronological order the order in which the events actually happened with notes articles and full color graphics that connect the reader to the history and culture of Bible times and gives the reader a dramatic you are there experience Features include translators notes full color illustrations of places artifacts and cultural phenomena contextual articles that connect Biblical times and world history and culture daily life notes time panels and charts that show the flow of Biblical history and in text and full color maps *NKJV, Thinline Bible, Standard Print, Cloth Over Board, Burgundy/Gray, Red Letter Edition, Comfort Print*, 2018-01-30 Thin light and durable the NKJV Thinline Bible was created with your busy life in mind **Mixed Feelings and Vexed Passions** F. Scott Spencer, 2017-10-05 A ground breaking collection exploring the rich array of emotions in biblical literature An international team of Hebrew Bible and New Testament scholars offers incisive case studies of passions displayed by divine and human figures in the biblical texts ranging from joy happiness and trust to grief hate and disgust Essays address how biblical characters feelings affect their relationship with God one another and the world and how these feelings mix together for good or ill for flourishing or vexation Deeply engaged with both ancient and modern contexts including the burgeoning interdisciplinary study of emotion in the humanities and sciences these essays break down the artificial divide between reason and passion cognition and emotion thought and feeling in biblical study Features Case studies drawn from multiple genres across the Bible narrative prophets poetry wisdom Gospels and letters Helpful select bibliographies of interdisciplinary resources at the end of each essay Critical balance between theory and practice and

between method and close textual analysis Distinctive ancient Hebrew and Greek uses of emotional terms and concepts compared with each other and with evolving understandings in Western culture *The Reader's Holy Bible Volume 2: The Prophets* Devoted Friends of God,2017-07-16 Read the Holy Bible like a novel not like a textbook This version of the Holy Bible capitalizes on a new presentation style that has become more popular over the last few years and one that is closer to the original version than most current ones We've dispensed with chapter and verse numbers they weren't added until the 1200s and 1500s respectively and we've put books that were split apart because they wouldn't fit on a single scroll e.g. Ezra and Nehemiah back into single books We've also rearranged some of the books so they follow a more logical timeline and progression We keep books with the same audience or author or same theme or timeline together This makes it more cohesive for you to read We've used the World English Bible a readable translation that allows you to traverse the whole of God's word in thoroughly modern language We hope you enjoy reading this new version of the Holy Bible and may Yahweh bless you

Shame and Its Sisters Irving E. Alexander,1995 The question of affect is central to critical theory

psychology politics and the entire range of the humanities but no discipline including psychoanalysis has offered a theory of affect that would be rich enough to account for the delicacy and power the evanescence and durability the bodily rootedness and the cultural variability of human emotion Silvan Tomkins 1911 1991 was one of the most radical and imaginative psychologists of the twentieth century In *Affect Imagery Consciousness* a four volume work published over the last thirty years of his life Tomkins developed an ambitious theory of affect steeped in cybernetics and systems theory as well as in psychoanalysis ethology and neuroscience The implications of his conceptually daring and phenomenologically suggestive theory are only now in the context of postmodernism beginning to be understood With *Shame and Its Sisters* editors Eve Kosofsky Sedgwick and Adam Frank make available for the first time an engaging and accessible selection of Tomkins's work Featuring intensive examination of several key affects particularly shame and anger this volume contains many of Tomkins's most haunting diagnostically incisive and theoretically challenging discussions An introductory essay by the editors places Tomkins's work in the context of postwar information technologies and will prompt a reexamination of some of the underlying assumptions of recent critical work in cultural studies and other areas of the humanities The text is also accompanied by a biographical sketch of Tomkins by noted psychologist Irving E Alexander Tomkins's longtime friend and collaborator
