## **Shamrock Tea:**

*Shamrock Tea* Ciaran Carson, 2001 *Shamrock Tea* is an Irish drug that enables its users to see things not given to ordinary mortals They can sense colours and sounds more vividly they can penetrate the surface of paintings they can cross time The narrator his cousin and a strange Belgian friend know that their lives are ruled mysteriously by the great van Eyck painting *The Arnolfini Portrait* and they have travelled in dream like moments through the painting into other times They discover that each moment is connected to every other But in the strange world of *Shamrock Tea* no story can be straightforward With a cast of characters that includes the gardener Ludwig Wittgenstein this book will blow your mind

**The Delineator** R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1926      **Utah Payroll Builder**, 1917      **A Concise Companion to Contemporary British Fiction** James F. English, 2008-04-15 A Concise Companion to Contemporary British Fiction offers an authoritative overview of contemporary British fiction in its social political and economic contexts Focuses on the fiction that has emerged since the late 1970s roughly since the start of the Thatcher era Comprises original essays from major scholars Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author The emphasis is on the whole fiction scene from bookstores and prizes to the changing economics of film adaptation Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life      **Ciaran Carson** Neal Alexander, 2010-01-01 A PDF version of this book is available for free in open access via the OAPEN Library platform [www.oapen.org](http://www.oapen.org) Ciaran Carson is one of the most challenging and inventive of contemporary Irish writers exhibiting verbal brilliance formal complexity and intellectual daring across a remarkably varied body of work This study considers the full range of his oeuvre in poetry prose and translations and discusses the major themes to which he returns including memory and history narrative language and translation mapping violence and power It argues that the singularity of Carson's writing is to be found in his radical imaginative engagements with ideas of space and place The city of Belfast in particular occupies a crucially important place in his texts serving as an imaginative focal point around which his many other concerns are constellated The city in all its volatile mutability is an abiding frame of reference and a reservoir of creative impetus for Carson's imagination Accordingly the book adopts an interdisciplinary approach that draws upon geography urbanism and cultural theory as well as literary criticism It provides both a stimulating and thorough introduction to Carson's work and a flexible critical framework for exploring literary representations of space      **Women's Employment**, 1929      **The Red Sweet Wine Of Youth** Nicholas Murray, 2011-02-03 The poetry that emerged from the trenches of WWI is a remarkable body of work at once political manifesto and literary beacon for the twentieth century In this passionate recreation of the lives of the greatest poets to come out of the conflict Nicholas Murray brilliantly reveals the men themselves as well as the struggle of the artist to live fully and to bear witness in the annihilating squalor of battle Bringing into sharp focus the human detail of each life using journals letters and literary archives Murray brings to life the

men's indissoluble comradeship their complex sexual mores and their extraordinary courage Poignant vivid and unfailingly intelligent Nicholas Murray's study offers new and finely tuned insight into the often devastatingly brief lives of a remarkable generation of men *London and Its Environs* Karl Baedeker (Firm), 1915 **Kelly's Directory of Merchants, Manufacturers and Shippers**, 1897 **A Canadian Campaign** John Richardson, David Beasley, 2011 A Canadian Campaign Operations of the Right Division of the Army of Upper Canada during the American War of 1812 by a British Officer with an introduction by David Beasley and Richardson's *Recollections of the West Indies* and David Beasley's *In Search of Richardson's Spain* **Selected Letters of Wilfred Owen** Jane Potter, 2023-07-11 This new select edition of Wilfred Owen's letters provides a fresh understanding of the poet's life in his own words Wilfred Owen's fame as one of the great war poets of the twentieth century is unsurpassed with *Dulce et Decorum est* possibly the defining piece of World War literature Owen's letters reveal the man behind the cultural icon human with all his foibles whose 25 years were marked by great highs and lows by emerging modernity and the violence of war Evocative lyrical and often surprisingly funny the letters act as both autobiography and companion to the famous war poems He was both an accomplished poet and one of the finest letter writers of the twentieth century Accompanied by new notes and new introduction as well as previously redacted and omitted material the new edition of Owen's *Selected Letters* brings together past and contemporary scholarship to provide fresh insights into Owen's character and poetic development **The Dickensian**, 1908 **Muse of Fire** Michael Korda, 2024-04-16 The First World War comes to harrowing life through the intertwined lives of the soldier poets in Michael Korda's epic *Muse of Fire* Michael Korda the best selling author of *Hero and Alone* tells the story of the First World War not in any conventional way but through the intertwined lives of the soldier poets who came to describe it best and indeed to symbolize the war's tragic arc and lethal fury His epic narrative begins with Rupert Brooke the handsomest young man in England and perhaps its most famous young poet in the halcyon days of the Edwardian Age and ends five years later with Wilfred Owen killed in action at twenty five only one week before the armistice With bitter irony Owen's mother received the telegram informing her of his death on November 11 just as church bells tolled to celebrate the war's end Korda's dramatic account which includes anecdotes from his own family history not only brings to life the soldier poets but paints an unforgettable picture of life and death in the trenches and the sacrifice of an entire generation His cast of characters includes the young American poet Alan Seeger who was killed in action as a private in the French Foreign Legion Isaac Rosenberg whose parents had fled czarist anti Semitic persecution and who was killed in action at the age of twenty eight before his fame as a poet and a painter was recognized Robert Graves and Siegfried Sassoon whose friendship and friendly rivalry endured through long complicated private lives and finally Owen whose fame came only posthumously and whose poetry remains some of the most savage and heartbreaking to emerge from the cataclysmic war As Korda demonstrates the poets of the First World War were soldiers heroes martyrs victims their lives and loves endlessly fascinating that of Rupert

Brooke alone reads like a novel with his journey to Polynesia in pursuit of a life like Gauguin's and some of his finest poetry written only a year before his tragic death. *Muse of Fire* is at once a portrait of their lives and a narrative of a civilization destroying itself among the rubble shadows and the unresolved problems of which we still live from the revival of brutal trench warfare in Ukraine and in the Middle East.
