Visitor's Guide Don Philpott,1996 **In Florida with Fulbright** Attila Csontos,2013-05-24 It never occurred to me for all these years to write a book or an e book about those years regarding my foreign adventures I found a picture one night 12 years after my Florida trip It took me a long time to recollect exactly where and when this picture was taken I was a little shocked since I had so many awesome and intensive experiences that enriched my life during those two years What if there comes a time when all my experiences have become so vague that there are only sentimental pictures that remain and I will not be able to tell my story of those two years to my children I decided to write out all my thoughts so that at least those memories that are still vivid now will remain for a while All the old pictures documents maps and other miscellaneous items brought the old memories back to the forefront I was able to relive the places even though they were only memories that I lived through over a decade ago Of course at this time I had no idea that my past would some day be publicized for others to read After I made my decision my mood has suddenly changed and I became more energized and happy There were people who asked what happened to me since they see me smiling constantly On one occasion I talked to an acquaintance of mine when my tongue slipped he found out that I have an impending publication regarding my Florida trip He was constantly nudging me until he succeeded in finally persuading me to send him my handwritten notes He called me a couple of days later and was ready to jump out of his skin from the excitement saying Atti this is fantastic super good His excitement and exuberance really surprised me He continued with You have to publish this this has to go into production Other than the fact that this is not an everyday narration it is simply full of so much information that is assembled all in one place which cannot be found anywhere Thus it suddenly occurred to me for the first time that it might be worth sharing my story with others If you find yourself answering yes to only a couple of the following questions then it will be worth your
