Success Magazine ,1908 As China Goes, So Goes the World Karl Gerth,2010-11-09 In this revelatory examination of the most overlooked force that is changing the face of China the Oxford historian and scholar of modern Asia Karl Gerth shows that as the Chinese consumer goes so goes the world While Americans and Europeans have become increasingly

worried about China's competition for manufacturing jobs and energy resources they have overlooked an even bigger story China's rapid development of an American style consumer culture which is revolutionizing the lives of hundreds of millions of Chinese and has the potential to reshape the world This change is already well under way China has become the world's largest consumer of everything from automobiles to beer and has begun to adopt such consumer habits as living in large single occupancy homes shopping in gigantic malls and eating meat based diets served in fast food outlets Even rural Chinese long the laggards of consumerism have been buying refrigerators televisions mobile phones and larger houses in unprecedented numbers As China Goes So Goes the World reveals why we should all care about the everyday choices made by ordinary Chinese Taken together these seemingly small changes are deeper and more profound than the headline grabbing stories on military budgets carbon emissions or trade disputes

Spotlight on China Shibao Guo, Yan Guo, 2016-03-22 Fuelled by forces of globalization China has gradually shifted from a centrally planned economy to a socialist market economy Under the market economy China has experienced a massive and protracted economic boom It is not clear however whether recent economic changes have brought the same miracle to education in China *Spotlight on China* brings together established and emerging scholars from China and internationally in a dialogue about the profound social and economic transformation that has resulted from the market economy and its concomitant impact on education in China The book covers a wide range of topics including Market economy and curriculum reform Teaching under China's market economy Changes in higher education Transitions from education to work Market economy and social inequality With its broad scope and fresh critical perspectives this collection offers a most contemporary and comprehensive analysis of possibly the largest education system in the world Lessons learned from the China experiment will inform researchers and educators about social and educational reforms in other countries which are undergoing similar fundamental changes *Spotlight on China* provides a state of the art picture dynamic partial full of contradictions and tensions and as we speak in movement and local reconfiguration Allan Luke Queensland University of Technology The book moves social science research on China's education another step forward by refining the balance between the viability of mainstream western concepts and the analytical possibilities of creating a new scholarship based on a deeper understanding of the historically grounded realities of contemporary Chinese education Gerard A Postiglione The University of Hong Kong
