Once Upon a Time in Shaolin Cyrus Bozorgmehr, 2017-07-11 The untold story of the world s most controversial album a surreal tale of secret recordings the Wu Tang Clan baffled customs agents the world s most hallowed art institutions and a villain of comic book proportions Martin Shkreli In 2007 the innovative young Wu Tang

producer Cilvaringz took an incendiary idea to his mentor the RZA. They felt that the impact of digitization threatened the sustainability of the record industry and independent artists while shifting the perception of music from treasured works of art to disposable consumer products. Together they conceived a statement so radical that it would unleash a torrent of global debate: a sole copy of an album in physical form encased in gleaming silver and sold through an auction house for millions as a work of contemporary art. The execution of this plan raised a number of complex questions: Would selling an album for millions be the ultimate betrayal of music? How would fans react to an album that's sold on the condition that it could not be commercialized? And could anyone ever justify the selling of the album to the infamous Martin Shkreli? As headlines flashed across the globe, the mystery only deepened. Opinions were sharply divided over whether this was high art or hucksterism, quixotic idealism or a cynical cash grab. Was it a noble act of protest, an act of cultural vandalism, an obscene symbol of greed, a subversive masterpiece, a profound mirror for our time, or a joker on capitalism's card table? As senior adviser to the project, Cyrus Bozorgmehr is uniquely placed to unlock the secrets behind the album and tell the full unadulterated story. With explosive revelations about backroom plans made public for the first time, *Once Upon a Time in Shaolin* charts the album's journey from inception to disruption in vivid style. An extraordinary adventure that veers between outlandish caper and urgent cultural analysis, *Once Upon a Time in Shaolin* twists and turns through the mayhem and the mischief while asking profound questions about our relationship with art, music, technology, and ultimately ourselves.

[A History of Shaolin](#) Lu Zhouxiang, 2019-03-18 Shaolin Monastery at Mount Song is considered the epicentre of the Chan school of Buddhism. It is also well known for its martial arts tradition and has long been regarded as a special cultural heritage site and an important symbol of the Chinese nation. This book is the first scholarly work in English to comprehensively examine the full history of Shaolin Monastery from 496 to 2016. More importantly, it offers a clear grasp of the origins and development of Chan Buddhism through an examination of Shaolin and highlights the role of Shaolin and Shaolin kung fu in the construction of a national identity among the Chinese people in the past two centuries.

The Wu-Tang Manual The RZA, Chris Norris, 2005-02-01 The Wu Tang Manual is The RZA's first written introduction to the philosophy and history of Hip Hop's original Dynasty, the Wu Tang Clan. Written in a style that is at once personal and philosophical, The Wu Tang Manual unravels the intricate web of personalities and alter egos, warrior codes, numerological systems, and Eastern spiritual ethics that define the Wu Tang dynasty. Packed with information that reflects the breadth and depth of the RZA's and rest of the Clan's intellectual interests and passions, The Wu Tang Manual is divided into four books of nine chambers each for a total of 36 chambers. All together, the book provides the breakdown of essential Wu Tang components: from basic information about each of the nine core members of Wu Tang Clan to deeper explorations of the key themes of the Wu Tang universe, a dictionary-like Wu Slang lexicon, and an entire section of Wu Tang lyrics with densely annotated explanations of what they mean. For the hardcore Wu Tang disciple and the recent initiate alike, The Wu Tang Manual is the definitive guide to the

essence of Wu one of the most innovative hip hop groups of all time The RZA s most recent book The Tao of Wu is also available from Riverhead Books
