The challenge of finding an authentic voice within an intimate relationship is far larger than a word like communication can ever begin to describe Authenticity brings to mind such elusive qualities as being fully present centered and in touch with our best selves in our most important conversations 4 The challenge in conversation is not just to be ourselves but to choose the self we want to be We don't discover who we are by sitting alone on a mountaintop and meditating or by being introspective and going deeper Teaching Children Dance Susan M.
