## Shape Of Qumran Theology:

**The Shape of Qumran Theology** Alex R. G. Deasley, 2000 Using the evidence of the sea scrolls the site where they were found and other historical sources as well as drawing on a range of recent research Alex Deasley seeks to address questions and reconstruct as far as possible the mind of the Qumran sectaries He approaches their thought from the perspective of their concerns and categories in an attempt to highlight its distinctive and individual features In as much as their main preoccupation was with how Israel would be saved their theology was fundamentally covenantal in shape but with heavy emphasis on the obligation to keep the covenant requirements This was set within a marked apocalyptic framework arising from their belief that they stood at an eschatological crossroads in the history of Israel *Sacred Texts and Disparate Interpretations: Qumran Manuscripts Seventy Years Later*, 2020-07-13 The essays in *Sacred Texts and Disparate Interpretations* cover an array of core themes from various areas of Qumran studies including textual criticism of the Hebrew Bible Second Temple history philology paleography Wisdom and religious poetry Contributors to this volume generally consider these themes from a historical perspective trying to find new solutions to old questions and entering in constructive dialogue with the opinions of other scholars Paleographic investigations textual criticism as well as literary and philological approaches make this volume a valuable contribution to the variegated and often highly specialized directions of inquiry into the contents and historical background of the Dead Sea Scrolls

**Repentance at Qumran** Mark A. Jason, 2015-02-01 Mark A Jason offers a detailed investigation of the place of repentance in the Dead Sea Scrolls addressing a significant lacuna in Qumran scholarship Normally when the belief system of the community is examined repentance is usually taken for granted or relegated to a peripheral position By careful attention to key texts Jason establishes the importance of repentance as a fundamental way of structuring and describing religious experience within the Qumran community Repentance was important not only for entry into the community and covenant but also for daily governance and cultic activities and even for authenticating understanding of the end times Jason shows then that repentance was a central and decisive element in shaping that community's identity and undergirded its religious experience from the start Further comparison with relevant texts from the Apocrypha and pseudepigrapha shows that the Qumran community represented a distinctive penitential movement in Second Temple Judaism *A Guide to the Dead Sea Scrolls and Related Literature* Joseph A. Fitzmyer, 2008-09-15 The Dead Sea Scrolls are found in many varied publications often ordered only by publication date rather than a more easily navigable system making specific texts difficult to find Joseph Fitzmyer's guide offers a practical remedy to this dilemma *A Guide to the Dead Sea Scrolls and Related Literature* starts by explaining the conventional system of abbreviations for the Scrolls Then it helpfully lists specifically where readers can find each of the Scrolls and fragmentary texts from the eleven caves of Qumran and all the related sites using the officially assigned numbers of the text Fitzmyer supplies information on study tools helpful for scholars concordances dictionaries translations outlines of longer texts and

more and briefly indicates electronic resources for the study of the Dead Sea Scrolls      **Holiness and Ecclesiology in the New Testament** Kent Brower, Andy Johnson, 2007-10-26 Throughout the biblical story the people of God are expected to embody God's holy character publicly Therefore holiness is a theological and ecclesial issue prior to being a matter of individual piety Holiness and Ecclesiology in the New Testament offers serious engagement with a variety of New Testament and Qumran documents in order to stimulate churches to imagine anew what it might mean to be a publicly identifiable people who embody God's very character in their particular social setting Contributors J Ayodeji Adewuya Paul M Bassett Richard Bauckham George J Brooke Kent E Brower Dean Flemming Michael J Gorman Joel B Green Donald A Hagner Andy Johnson George Lyons I Howard Marshall Troy W Martin Peter Oakes Ruth Anne Reese Dwight Swanson Gordon J Thomas Richard P Thompson J Ross Wagner Robert W Wall Bruce W Winter      *Annihilation Or Renewal?* Mark B. Stephens, 2011 Slightly rev version of the author's thesis Ph D Macquarie University 2009      *The Idea of Biblical Interpretation* James L. Kugel, Judith H. Newman, Judith Hood Newman, 2004 In this Festschrift James Kugel's creative scholarship in biblical interpretation provides the inspiration for a wide ranging collection of essays that treat the history of Jewish and Christian scriptural interpretation from antiquity to the present      *Construing the Cross* Frances M. Young, 2015-10-20 This book reconsiders ways in which the cross of Christ was construed before atonement theories narrowed the categories The typology of Passover is explored as probably the very first way in which Christians came to understand the passion The use of sacrificial imagery is re-examined The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times along with other surprising links with the Eden narrative The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems The overall outcome is a quite paradoxical focus not on death but on life

**Matthew Matters** Michael Lodahl, 2021-04-21 The Gospel of Matthew says some things about Jesus and attributes words to Jesus that are unique to this Gospel If we pay careful attention to these passages we may find Matthew both challenging some of our most treasured assumptions and providing new exciting possibilities for the life of the church Jesus as the teacher and embodiment of Divine Wisdom calling to us to learn gentleness and humility from him leads us into a path of discipleship that has profound implications for Christians relationship with the world but especially with Jews and Muslims

**Abide and Go** Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of

Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis

**Between Kin and Cosmopolis** Nigel Biggar, 2014-05-30 The nation state is here to stay Thirty years ago it was fashionable to predict its imminent demise but the sudden break up of the Soviet Union in the 1990s unshackled long repressed nationalisms and generated a host of new states The closer integration of the European Union has given intra national nationalisms a new lease of life confirming the viability of small nation states under a supra national umbrella after all if Ireland and Iceland then why not Scotland and Catalonia And then the world stage has seen new and powerful national players moving from the wings to the centre China India and Brazil are full of a sense of growing into their own national destinies and are in no mood either to dissolve into or to defer to some larger body Nations nationalisms and nation states are persistent facts but what should we think of them morally Surely humanity not a nation should claim our loyalty How can it be right to exclude foreigners by policing borders Can a liberal nation state thrive without a cohering public orthodoxy Does national sovereignty confer immunity Is national separatism always justified These are urgent questions **Between Kin and Cosmopolis** offers timely Christian answers

**God and Human Wholeness** Kent L. Yinger, 2019-10-22 The language of perfection crops up regularly in the Bible from Noah a just man and perfect in his generations KJV to Jesus be perfect therefore as your heavenly father is perfect NRSV Is flawless behavior what God expects the only standard of righteousness that can satisfy him Jewish tradition has long questioned this Christian assumption Since Sanders and the New Perspective on Paul it has come under increasing challenge from many directions In **Reclaiming Human Wholeness** Kent Yinger provides an in depth examination of what the Bible intends with this perfection wholeness language and of its impact on theology and spiritual life Rather than calling to an unreachable perfection the God of the Bible desires our flourishing and wholeness

**From the Damascus Covenant to the Covenant of the Community** Stephen Hultgren, 2007 This volume offers new insight into the origins of the new covenant in the land of Damascus and the Qumran community and explores topics related to their covenantal theology

**1 Corinthians** E. Earle Ellis, 2021-12-02 This volume presents in published form the detailed commentary work of E Earle Ellis on Paul's first letter to the Corinthians At the time of his death Ellis had been working for many years on a volume for the International Critical Commentary on the epistle Because Ellis was unable to complete the volume before his passing and had left instructions that it should not be completed Terry Wilder instead presents Ellis profound exegetical insights in the form of his completed commentary sections on 1 Corinthians with minimal editorial intervention In addition to collating Ellis detailed critical commentary on 1 Corinthians chapters 1-13 with edited notes on chapter 14 Wilder has also completed an original editorial essay that provides a synthesis of Ellis notes and thinking on chapters 15 and 16 Closely assessing the letter's address salutation and thanksgiving and Paul's words on true and false wisdom sexual relationships liberty's boundaries and the regulation of church services Ellis final work is a crucial resource for a core New Testament text

**Knowing God through**

**Journey and Pilgrimage** Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching The Nonviolent Messiah Simon J. Joseph,2014-06-02 When scholars have set Jesus against various conceptions of the messiah and other redemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Missing from those discussions Simon J Joseph contends are the unique conceptions of an Adamic redeemer figure in the Enochic material conceptions that informed the Q tradition and he argues Jesus own self understanding **Dictionary of Scripture and Ethics** Joel B. Green,Jacqueline E. Lapsley,Rebekah Miles,Allen Verhey,2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse Early Christian Ethics in Interaction with Jewish and Greco-Roman Contexts Jan Willem van Henten,Joseph Verheyden,2012-11-29 In Early Christian Ethics in Interaction with Jewish and Greco Roman Contexts experts from various fields analyze the process of transformation of early Christian ethics because of the ongoing interaction with Jewish Greco Roman and Christian traditions **The Shema and the First Commandment in First Corinthians** Erik Waaler,2008 Revised thesis doctoral Norwegian Lutheran School of Theology Oslo 2005 Pentecost and Sinai Sejin Park,2009-05-01 An examination of the evidence that the Festival of Weeks was the occasion for the celebration of the renewal of the covenant in the Second Temple period encompassing chapters on the Hebrew Bible book of Jubilees
