Shapers of the Great Debate on the Freedom of Religion Jonathan A. Wright, 2005-08-30 The First Amendment is categorical and concise on religion and the state Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof Nevertheless these few words have caused much confusion and controversy for successive generations The debate over religious freedom has often come to the forefront during American history Since colonial times Americans have debated how to interpret and apply the First Amendment Through biographical histories of individuals involved in the freedom of religion debates readers will discover how individuals thoughts beliefs and actions affected how the religion clauses are viewed today and throughout American history Topics such as prayer in schools religious symbols exemption from military duty and the pledge of allegiance are addressed Individuals such as Anne Hutchinson Jerry Falwell Ralph Waldo Emerson Joseph Franklin Rutherford and Roger Williams are included An introductory essay an appendix of shorter entries on additional figures and a bibliography are also included

Shapers of the Great Debate at the Constitutional Convention of 1787 Joseph Morton, 2005-12-30 As the oldest still operational written constitution in the world the U S Constitution and the concepts it proclaims have been under almost constant attack since its inception At a convention in 1787 fifty five delegates assembled in Philadelphia to revise and amend the Articles of Confederation only to emerge sixteen weeks later with a new document the U S Constitution The convention was filled with constant debate over how much power should be given to government and how should this power be allocated state rights v nationalists small states v large states political conservatives v political liberals and slave owners v non slave owners Fifty five biographies one for each delegate are presented Biographies include such notable individuals as Benjamin Franklin Alexander Hamilton George Washington Luther Martin and James Madison An introductory essay appendices including the Articles of Confederation and the United States Constitution and an annotated bibliography are also included The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individual s involved in a particular debate through major and minor biographies

Shapers of the Great Debate on Women's Rights Joyce D. Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women s issues to the forefront of American society Many early feminists supported not only women s rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women s suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women s fundamental need for independence and an identity of their own separate from that of men which thrust the women s movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton

Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O Connor are included in this history of the women's movement in America The biographical entries cite works for further reading and the volume closes with a bibliography The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies
