Shaping A Christian Vision For Canada Discussion Papers On Canadas Future:

Shaping a Christian Vision for Canada Aileen Van Ginkel, Evangelical Fellowship of Canada. Task Force on Canada's Future, 1992-01-01 **Christian Worldview and the Academic Disciplines** Deane E. D. Downey, Stanley E.

Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline Christian Worldview and the Academic Disciplines is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful **Rethinking Church, State, and Modernity** David

Lyon, Marguerite Van Die, 2000-01-01 The contributors consider how Canada s religious experience is distinctive in the modern world somewhere between the largely secularized Europe and the relatively religious United States **Canadian Books in Print** , 2000 **Canadian Evangelicalism in the Twentieth Century** John G. Stackhouse, Jr., 1998-10 In the 1980s evangelical Protestantism emerged as a prominent new force in Canada While political campaigns and sexual scandals among American evangelicals attracted attention north of the border as well Canadian evangelicals were quietly establishing a network of individuals and institutions that reflected their distinctive concerns While the United Anglican and Presbyterian churches continued to enjoy mainline Protestant status in Canadian culture more Canadians who actually practiced Christianity in measurable ways could be counted among the evangelicals than among these dominant Protestant denominations And while most Canadians including experts in religious studies continued to think of Canadian Christianity in traditional denominational terms evangelicalism was coming into focus as a category essential to understanding this new pattern of allegiance and activity Introduction **Christian Scholar's Review** , 1995 Unknown Gods Reginald Wayne Bibby, 1993 **Keeping Canada Running** G. Bruce Doern, Christopher Stoney, Robert Hilton, 2021-09-29 The federal government s promises to build back better and build back green highlight opportunities to reimagine Canadian

infrastructure In this groundbreaking study authors Bruce Doern Christopher Stoney and Robert Hilton provide the first comprehensive overview of Canadian infrastructure policy examining the impact and implications of the COVID 19 pandemic and rapid technological change as Canada looks to recover and rebuild Covering more than fifty years across many sectors the authors identify numerous challenges that have contributed to Canada s growing infrastructure deficit and suboptimal outcomes including political interference in the choice of infrastructure projects challenges for multilevel governance such as distortion of local priorities blurred accountability and unsustainable maintenance costs for municipalities the growing reliance on public private partnerships that limit transparency and public scrutiny and increased corruption associated with infrastructure projects Transforming infrastructure is notoriously difficult yet vital at a time of rapid technological change It is estimated that 75 percent of the infrastructure that will exist in 2050 does not exist today This makes it crucial that Canada invest in future proof infrastructure with the capacity to facilitate economic growth and the expansion of urban centres mitigate and adapt to the impacts of climate change and ensure resilience in response to crises and disasters Keeping Canada Running offers a timely assessment of these issues Canada s COVID 19 response and the potential contribution of the newly launched Canadian Infrastructure Bank The Canadian Baptist ,1909 *Canadians* ,1979

Christian Higher Education in Canada Stanley E. Porter,Bruce G. Fawcett,2020-11-17 The Toronto 2018 Symposium on Christian Higher Education provided an opportunity for leaders in the Canadian Christian higher education movement to reflect deeply on its development current reality and future possibilities The Canadian Christian higher education scene comprises a wide range of institutions including Christian universities Bible colleges and seminaries and graduate schools Each type has its own distinctive history and likewise represents both challenges and opportunities Even though they are intertwined in their common purpose these higher educational institutions express this purpose in various ways This volume is a collection of the papers and plenary talks designed to share the content of the symposium with a wider audience The papers are all written by active scholars and researchers who are connected to the member institutions of Christian Higher Education Canada CHEC They not only illustrate the quality of the scholarship at these institutions but they make their own critical contribution to an ongoing discussion regarding the role and place of Christian higher education within the wider society This volume is intended to be helpful to students faculty staff board members and supporters of Canadian and other Christian higher education institutions as well as interested individuals and scholars **The Journal of Agriculture and Horticulture** ,1927 **Cahiers de la Femme** ,1978 *Costly Vision* Jarold Knox Zeman,1988 *Herald of Gospel Liberty* Elias Smith,1914 The Social Uplifters Brian J. Fraser,2006-01-01 The Social Uplifters examines the Social Gospel among Canadian Presbyterians prior to the First World War The book explores the theology social context and the strategies of the leaders of the Presbyterian Board of Evangelism and Social Service C W Gordon James A Macdonald Robert Falconer T B Kilpatrick George Pidgeon and John G Shearer Brian Fraser describes how these men used popular fiction the secular

press the university the theological college the pulpit and political organization and lobbying to spread their ideas and ideals for a Christian civilization in Canada at the turn of the twentieth century and will be of interest to students and scholars alike

The Presbyterian ,1907 The Advance ,1904 **Country Guide and Nor'west Farmer** ,1928 **A Companion to the Theology of John Webster** Michael Allen, R. David Nelson, 2021-06-10 An overview and analysis of John Webster's seminal contributions to Christian theology At the time of his death John Webster was widely hailed as one of the leading Christian theologians in the world Over the course of three decades he produced groundbreaking studies on the theologies of Eberhard Jüngel and Karl Barth and especially since the turn of the millennium numerous books and essays on various themes in Christian dogmatics He then intended to write an encyclopedic systematic theology a project he was unable to complete No substitute is possible for that lost opus but the contributors offer this volume as an homage to Webster and an aid to those who want to learn from him A Companion to the Theology of John Webster begins with an introductory section on Webster's theological development then continues into an extensive overview of Webster's contributions to contemporary discussions of particular doctrines An epilogue suggests how Webster's theology might have unfolded had he lived longer and imagines the continuing influence of his work on the enterprise of Christian dogmatics Readers hoping to understand the legacy of this great theologian and also those eager for fresh insights into the present state and future trajectories of contemporary Protestantism will find much to offer here
