Shaping The Economic Space In Russia

Vladimir Gel'man, Otar Marganiya

Shaping The Economic Space In Russia:

Shaping the Economic Space in Russia Stefanie Harter, Gerald Easter, 2018-04-27 This title was first published in 2000 As the El tsin era has now drawn to a close numerous questions remain unanswered regarding the course of Russia s post Communist traditions El tsin s exit from the presidential stage provides an opportunity to assess the achievements of Russia s multi faceted reforms to explain the factors that have most shaped the reform process and to identify the trends that are likely to continue under a presidential successor This volume embodies such an effort Its contents are the product of a conference held in May 1999 at the Federal Institute for East European and International Studies in Cologne Germany The institute convened an international group of scholars representing a variety of academic approaches to the study of transition economies in general and Russia in particular The title of this volume has been taken from the overarching theme of the conference The goal was determine the extent to which pre existing structures and norms of economic and political life have been fundamentally altered by the El tsin administration s reform campaigns and how these factors themselves have influenced the reform process

Shaping the Post-Soviet Space? Laure Delcour, 2016-04-01 While the European Union EU is widely perceived as a model for regional integration the encouragement of regional co operation also ranks high among its foreign policy priorities Drawing on a wealth of sources and extensive fieldwork conducted in the Commonwealth of Independent States CIS Laure Delcour questions the pursuit of this external objective in EU policies implemented in the CIS and the existence of an EU regional vision in the post Soviet area She asks does the recent compartmentalization of EU policies correspond to a growing fragmentation of the former Soviet Union that cannot be considered as a region anymore Does it rather reflect the EU s own interests in the area Interested in exposing why the EU has not pursued a strategy of region building in the post Soviet area Delcour examines the disintegration dynamics affecting the area following the collapse of the USSR the interplay between different actors and levels of action in EU foreign policy making and the role of other region builders She takes a closer look at the strategic partnership with Russia European Neighbourhood Policy Eastern Partnership and Black Sea Synergy as a capability test for the European foreign policy to promote its foreign policy priorities and to raise a distinctive profile in the international arena

Russia's Oil Barons and Metal Magnates S. Fortescue, 2006-10-31 Russia s Oil Barons and Metal Magnates contains a critical analysis of the claims made against oligarchs In doing so it presents a detailed analysis of the place of the oligarchs in both the metals sector and in the Russian political economy

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear

process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia

Resource Curse and Post-Soviet Eurasia Vladimir Gel'man,Otar Marganiya,2010-08-06 By the end of the 2000s the term resource curse had become so widespread that it had turned into a kind of magic keyword not only in the scholarly language of the social sciences but also in the discourse of politicians commentators and analysts all over the world like the term modernization in the early 1960s or transition in the early 1990s In fact the aggravation of many problems in the global economy and politics against the background of the rally of oil prices in 2004 2008 became the environment for academic and public debates about the role of natural resources in general and oil and gas in particular in the development of various societies The results of numerous studies do not give a clear answer to questions about the nature and mechanisms of the influence of the oil and gas abundance on the economic political and social processes in various states and nations However the majority of scholars and observers agree that this influence in the most of countries is primarily negative

Resource Curse and Post Soviet Eurasia Oil Gas and Modernization is an in depth analysis of the impact of oil and gas abundance on political economic and social developments of Russia and other post Soviet states and nations such as Kazakhstan and Azerbaijan The chapters of the book systematically examine various effects of resource curse in different arenas such as state building regime changes rule of law property rights policy making interest representation and international relations in theoretical historical and comparative perspectives The authors analyze the role of oil and gas dependency in the evolution and subsequent collapse of the Soviet Union authoritarian drift of post Soviet countries building of predatory state and pendulum like swings of Russia from state capture of 1990s to business capture of 2000s uneasy relationships between the state and special interest groups and numerous problems of geo economics of pipelines in post Soviet Eurasia

How Russia Really Works Alena V. Ledeneva,2006-10-26 Ledeneva explores practices in politics business media and the legal sphere in Russia in the 1990s

Owning Russia Andrew S. Barnes,2018-07-05 During and after the breakdown of the Soviet Union a wide range of competitors fought to build new political and economic empires by wresting control over resources from the state and from each other In the only book to examine the evolution of Russian property ownership in both industry and agriculture Andrew Barnes uses interviews archival research and firsthand observation to document how a new generation of capitalists gained control over key pieces of the Russian economy by

acquiring debt ridden factories and farms once owned by the state He argues that although the Russian government made policies that affected how actors battled one another it could never rein in the most destructive aspects of the struggle for property Barnes shows that dividing the spoils of the Soviet economy involved far more than the experiment with voucher privatization or the scandalous behavior of a few Moscow based oligarchs In Russia the control of property yielded benefits beyond mere profits and these high stakes fueled an intense enduring and profound conflict over real assets This fierce competition empowered the Russian executive branch at the expense of the legislature dramatically strengthened managers in relation to workers created a broad array of business conglomerates and fundamentally shaped regional politics not only blurring the line between government and business but often erasing it *Russian Governance in the 21st Century* Irina Isakova, 2004-06-01 A stimulating new analysis of the dramatic systemic changes of the Russian state principles of the governance and its foreign policy orientation It reviews the extent of changes in Russian approaches to geopolitics and the most appropriate geopolitical development patterns that influenced the transformation of Russian foreign policies and military strategic thinking on the eve of the 21st century Russian Politics and Society Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society **Routledge Handbook of Russian Politics and Society** Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship

between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

Russia's Federal Relations Elena Chebankova,2009-12-04 This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency discussing the intentions of the federal centre and the very different results that have turned out The Vanishing Rouble Paul Seabright,2000-11-30 An accessible and authoritative analysis of barter in the former Soviet Union *Emerging Federal Structures in the Post-Cold War Era* Soeren Keil,Sabine Kropp,2022-05-18 This book conceives federalism not as a static institutional architecture but as a dynamic formation always in flux This may entail processes of federalization but in some cases also lead to de federalization It looks at emerging federal structures worldwide and analyses federal structures their emergence operation and categorization The contributors highlight that the emergence of these federal structures has multiple facets from the recognition of ethnic diversity to the use of federalism as a tool of conflict resolution Identifying and categorizing processes of federalization and defederalization in a variety of cases the book provides much needed empirical and theoretical discussion on emerging federal structures and the changing nature of federalism in the post Cold War era

Russian Energy Power and Foreign Relations Jeronim Perovic,Robert W. Orttung,Andreas Wenger,2009-02-20 This book examines Russia s new assertiveness and the role of energy as a key factor in shaping the country s behavior in international relations and in building political and economic power domestically since the 1990s Energy transformed Russia s fortunes after its decline during the 1990s The wealth generated from energy exports sparked economic recovery and political stabilization and has significantly contributed to Russia s assertiveness as a great power Energy has been a key factor in shaping Russia s foreign relations in both the Eurasian and global context This development raises a host of questions for both Russia and the West about the stability of the Russian economy how Russia will use the power it gains from its energy wealth and how the West should react to Russia s new found political weight Given that energy is likely to remain at the top of the global political agenda for some time to come and Russia s role as a key energy supplier to Europe is unlikely to diminish soon this book sheds light on one of the key security concerns of the 21st century where is Russia headed and how does energy affect the changing dynamics of Russia s relations with Europe the US and the Asia Pacific region This book will be of interest to students of Russian politics energy security international relations and foreign policy in general Jeronim Perovic is a senior researcher at the Center for Security Studies at ETH Zurich Robert Orttung is a visiting scholar at the Center for Security Studies at the Swiss Federal Institute of Technology ETH in Zurich and a senior fellow at the Jefferson Institute Andreas Wenger is professor of international security policy and director of the Center for Security Studies at ETH Zurich **Regional politics in Russia** Cameron Ross,2024-06-04 This innovative multi contributed book

now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

The Foundations of Russian Law Marianna Muravyeva, 2023-04-06 This accessible text explains how Russian law works in all its principal areas It elucidates the main concepts and frameworks behind Russian law and uses original legal sources and case law to explain how it operates in practice The contributors all of whom are leading experts on Russian law employ original research to further knowledge of the Russian legal profession legal culture judiciary and court systems providing a scholarly and practical account of Russian law for students and scholars alike It is essential reading for anyone seeking a deeper understanding of the subject

Perspectives on EU-Russia Relations Debra Johnson, Paul F. Robinson, Paul Robinson, 2005 This book explains how the internal dynamics of transition have influenced the relationship between Russia and the EU Taking an holistic approach the authors present a balanced analysis exploring EU Russian and US perspectives on the Russian EU relationship and examine a range of political economic business and security issues including the Northern dimension of Russian EU relations the Chechen situation Russian domestic economic policy trade the business environment energy and EU technical assistance They also address such questions as Will bilateral relations be achieved with a Western or Russian model Who is the main driver of Russian EU relations Is Russia converging with the EU in terms of business culture legal environment and systems Does the Russian EU link provide a new model for EU external relations

Focus on Politics and Economics of Russia and Eastern Europe Ulric R. Nichol, 2007 The area of Russia Central and Eastern Europe remains an area of massive economic and political upheaval Russia has transformed itself into a rich energy producing country with no republics or satellites to provide free energy for The former republics and satellites are saddled buying energy at market prices with emigration problems elections EU membership drives and a wide variety of other activities

Putin Richard Sakwa, 2004 The first study of Putin and his politics providing the biographical and political context needed to explain his astonishing rise from anonymous KGB apparatchik to leader of one of the world's

most significant and fascinating countries **Networks in the Russian Market Economy** M. Lonkila, 2010-11-17 A PDF version of this book is available for free in open access via the OAPEN Library platform www.oapen.org This book examines the significance of networks among the firms operative in the contemporary Russian software industry in the St Petersburg region

Shaping The Economic Space In Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Shaping The Economic Space In Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Shaping The Economic Space In Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline

reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Shaping The Economic Space In Russia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Shaping The Economic Space In Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Shaping The Economic Space In Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Shaping The Economic Space In Russia Books

1. Where can I buy Shaping The Economic Space In Russia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
