Intimacy Martin Fisher,2012-12-06 Intimacy is a complex and heterogeneous concept that has generated a variety of definitions theories and philosophies over the years Al though there is much disagreement about the essential meaning of the term there seems to be a consensus that intimacy whatever it may be is of central importance in human relationships and specifically in the theory and practice of psychotherapy One approach to intimacy focuses on an intrapsychic conception Intimacy occurs when an individual achieves full self knowledge and is fully in touch with his or her feelings and wishes From this viewpoint an intimate act occurs when a person is willing to share these feelings and wishes with another so that self disclosure becomes an important index of intimacy This definition also implies that intimacy need not be reciprocal so that a therapeutic relationship can achieve a good deal of intimacy without the therapist engaging in self disclosure An alternate approach to intimacy stresses the interpersonal nature of the concept Intimacy is seen as the product of an interaction and can only occur between people Each one is able to touch something meaningful in the other whether at a conscious behavioral level or an unconscious and inferential level Therapists seeking intimacy in these terms would probably be a good deal more active and consider it more important to reveal something of the substance of their own persons if not the facts of their lives **The Intimate Male** Linda Levine,1983-12 *Infertility and Intimacy in an Online Community* Paulina Billett,Anne-Maree Sawyer,2018-09-29 This book explores an online support group for women who are infertile Offering a

close up view of the women s identities and emotions as they navigate the roller coaster world of infertility a range of questions are addressed How do the women seek support How do they offer support to one another How are intimacies produced in the online space Through narrative analysis of online journals and posts the authors examine the impact of infertility on women s perceptions of their bodies their struggles with medical professionals on their relationships with family and friends and the challenges that a diagnosis of infertility presents to couples Infertility and Intimacy in an Online Community will appeal to social scientists students from a range of health science disciplines counsellors and health professionals and women and men who are dealing with infertility

Marital Myths Revisited Arnold A. Lazarus, 2001 Many people contend that marriage is a relationship that carries the principle of friendship to its ultimate and most intimate degree I think they are mistaken One of the most influential psychotherapists of our time revisits his two dozen myths two decades later Surprises aplenty in this no holds barred conversation with readers about the myths that get married couples in trouble The notions that Husbands and wives should be best friends Marriage should be a 50 50 partnership and An unhappy marriage is better than a broken home are explored debunked and re examined in the light of 21st century hindsight This is a provocative insightful sometimes disturbing look at some of our most cherished beliefs about marriage

Romantic Literary Families S. Krawczyk, 2009-07-20 The late eighteenth century witnessed the emergence of the literary family a collaborative kinship network of family and friends that by the end of the century displayed characteristics of a nascent corporation This book examines different models of collaboration within English literary families during the period 1760 1820 Beginning with the sibling model of Anna Barbauld and John Aikin and concluding with the intergenerational model presented by the Godwins and the Shelleys this study traces the conflict and cooperation that developed within and among literary families as they sought to leave their legacies on the English world of letters

Male Intergenerational Intimacy Alex Van Naerssen, Theo Sandfort, 2013-09-13 This groundbreaking book presents new historical legal sociological psychological and cross disciplinary research on male intergenerational intimacy Experts thoroughly document and further the discussion about this area of research through historical and ethnological examples from different times and places and aim to clarify how controversies about the subject have evolved in modern Western society The editors of Male Intergenerational Intimacy have solicited original research and literature reviews which do not digress into emotional arguments for or against intergenerational intimacy but instead aim to establish the basics for a research based scholarship The contributors address the implications of intergenerational intimacy on a variety of levels from friendship and companionship through sexual dimensions and further analyze personal accounts to illustrate how individuals involved in intergenerational intimacy understand themselves and how they construct their concepts of intimacy and sexual identity Contributors also deal with intergenerational intimacy behaviors that require counseling treatment and psychotherapeutic interventions from a positive approach Finally separate chapters deal with criminology issues and penal codes as they relate

Adams, Graham Allan, 1998 A unique collection bridging social psychological and social structural research to advance understanding of friendship The Gendered Society Michael S. Kimmel, 2000 They say that we come from different planets men from Mars women from Venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently How is it then that men and women live together take the same classes in school eat the same food read the same books and receive grades according to

the same criteria In *The Gendered Society* Michael S Kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined Kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes In fact he asserts that the reverse is true gender inequality causes the differences between men and women Gender is not simply a quality inherent in each individual it is deeply embedded in society s fundamental institutions the family school and the workplace The issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology Finally with an eye towards the future Kimmel offers readers a glimpse at gender relations in the next millennium Well written well reasoned and authoritative *The Gendered Society* provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women

Shared Intimacies Introduction

In today's digital age, the availability of Shared Intimacies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shared Intimacies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shared Intimacies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shared Intimacies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shared Intimacies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shared Intimacies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shared Intimacies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shared Intimacies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shared Intimacies books and manuals for download and embark on your journey of knowledge?
