**Michael Osborn**

## **Shared Land Conflicting Identity:**

**Shared Land/Conflicting Identity** Robert C. Rowland, David A. Frank, 2002-12-31 **Shared Land Conflicting Identity** Trajectories of Israeli and Palestinian Symbol Use argues that rhetoric ideology and myth have played key roles in influencing the development of the 100 year conflict between first the Zionist settlers and the current Israeli people and the Palestinian residents in what is now Israel The Israeli Palestinian conflict is usually treated as an issue of land and water While these elements are the core of the conflict they are heavily influenced by the symbols used by both peoples to describe understand and persuade each other The authors argue that symbolic practices deeply influenced the Oslo Accords and that the breakthrough in the peace process that led to Oslo could not have occurred without a breakthrough in communication styles Rowland and Frank develop four crucial ideas on social development the roles of rhetoric ideology and myth the influence of symbolic factors specific symbolic factors that played a key role in peace negotiations and the identification and value of criteria for evaluating symbolic practices in any society

**Toward a Critical Rhetoric on the Israel-Palestine Conflict** Matthew Abraham, 2015-07-01 This edited collection brings together a group of rhetoricians seeking to develop productive ways to discuss the Israel Palestine conflict while avoiding the discursive impasses that so often derail attempts to exchange points of view

Understanding Peace and Conflict Through Social Identity Theory Shelley McKeown, Reeshma Haji, Neil Ferguson, 2016-06-17 This volume brings together perspectives on social identity and peace psychology to explore the role that categorization plays in both conflict and peace building To do so it draws leading scholars from across the world in a comprehensive exploration of social identity theory and its application to some of the world's most pressing problems such as intrastate conflict uprising in the middle east the refugee crisis global warming racism and peace building A crucial theme of the volume is that social identity theory affects all of us no matter whether we are currently in a state of conflict or one further along in the peace process The volume is organized into two sections Section 1 focuses on the development of social identity theory Grounded in the pioneering work of Dr Henri Tajfel section 1 provides the reader with a historical background of the theory as well as its current developments Then section 2 brings together a series of country case studies focusing on issues of identity across five continents This section enables cross cultural comparisons in terms of methodology and findings and encourages the reader to identify general applications of identity to the understanding of peace as well as applications that may be more relevant in specific contexts Taken together these two sections provide a contemporary and diverse account of the state of social identity research in conflict situations and peace psychology today It is evident that any account of peace requires an intricate understanding of identity both as a cause and consequence of conflict as well as a potential resource to be harnessed in the promotion and maintenance of peace Understanding Peace and Conflict Through Social Identity Theory Contemporary Global Perspectives aims to help achieve such an understanding and as such is a valuable resource to those studying peace and conflict psychologists sociologists anthropologists public policy makers and all

those interested in the ways in which social identity impacts our world      **John F. Kennedy and the Liberal Persuasion**

John M. Murphy, 2019-01-01 The first serious study of his discourse in nearly a quarter century John F Kennedy and the Liberal Persuasion examines the major speeches of Kennedy's presidency from his famed but controversial inaugural address to his belated but powerful demand for civil rights It argues that his eloquence flowed from his capacity to imagine anew the American liberal tradition Kennedy insisted on the intrinsic moral worth of each person and his language sought to make that ideal real in public life This book focuses on that language and argues that presidential words matter Kennedy's legacy rests in no small part on his rhetoric and here Murphy maintains that Kennedy's words made him a most consequential president By grounding the study of these speeches both in the texts themselves and in their broader linguistic and historical contexts the book draws a new portrait of President Kennedy one that not only recognizes his rhetorical artistry but also places him in the midst of public debates with antagonists and allies including Dwight Eisenhower Barry Goldwater Richard Russell James Baldwin Martin Luther King Jr and Robert Kennedy Ultimately this book demonstrates how Kennedy's liberal persuasion defined the era in which he lived and offers a powerful model for Americans today      Debating Women Carly S.

Woods, 2018-10-01 Spanning a historical period that begins with women's exclusion from university debates and continues through their participation in coeducational intercollegiate competitions Debating Women highlights the crucial role that debating organizations played as women sought to access the fruits of higher education in the United States and United Kingdom Despite various obstacles women transformed forests parlors dining rooms ocean liners classrooms auditoriums and prisons into vibrant spaces for ritual argument There they not only learned to speak eloquently and argue persuasively but also used debate to establish a legacy explore difference engage in intercultural encounter and articulate themselves as citizens These debaters engaged with the issues of the day often performing questioning and occasionally refining norms of gender race class and nation In tracing their involvement in an activity at the heart of civic culture Woods demonstrates that debating women have much to teach us about the ongoing potential for debate to move arguments ideas and people to new spaces      Imagining China Stephen J. Hartnett, Lisa B. Keränen, Donovan Conley, 2017-10-01 Standing as the world's two

largest economies marshaling the most imposing armies on earth holding enormous stockpiles of nuclear weapons consuming a majority share of the planet's natural resources and serving as the media generators and health care providers for billions of consumers around the globe the United States and China are positioned to influence notions of democracy nationalism citizenship human rights environmental priorities and public health for the foreseeable future These broad issues are addressed as questions about communication about how our two nations envision each other and how our interlinked imaginaries create both opportunities and obstacles for greater understanding and strengthened relations Accordingly this book provides in depth communication based analyses of how U S and Chinese officials scholars and activists configure each other portray the relations between the two nations and depict their shared and competing interests As a first step toward

building a new understanding between one another *Imagining China* tackles the complicated question of how Americans Chinese and their respective allies imagine themselves enmeshed in nations old rivalries and emerging partnerships while simultaneously meditating on the powers and limits of nationalism in our age of globalization

**Remembering the AIDS Quilt** Charles E. Morris III, 2011-06-01 A collaborative creation unlike any other the Names Project Foundation's AIDS Memorial Quilt has played an invaluable role in shattering the silence and stigma that surrounded the epidemic in the first years of its existence Designed by Cleve Jones the AIDS Quilt is the largest ongoing community arts project in the world Since its conception in 1987 the Quilt has transformed the cultural and political responses to AIDS in the U S Representative of both marginalized and mainstream peoples the Quilt contains crucial material and symbolic implications for mourning the dead and the treatment and prevention of AIDS However the project has raised numerous questions concerning memory activism identity ownership and nationalism as well as issues of sexuality race class and gender As thought provoking as the Quilt itself this diverse collection of essays by ten prominent rhetorical scholars provides a rich experience of the AIDS Quilt incorporating a variety of perspectives critiques and interpretations

Political Vocabularies Mary E. Stuckey, 2018-03-01 *Political Vocabularies* FDR the Clergy Letters and the Elements of Political Argument uses a set of letters sent to Franklin D Roosevelt in 1935 by American clergymen to make a larger argument about the rhetorical processes of our national politics At any given moment national politics are constituted by competing political imaginaries through which citizens understand and participate in politics Different imaginaries locate political authority in different places and so political authority is very much a site of dispute between differing political vocabularies Opposing political vocabularies are grounded in opposing characterizations of the specific political moment its central issues and its citizens for we cannot imagine a political community without populating it and giving it purpose These issues and people are hierarchically ordered which provides the imaginary with a sense of internal cohesion and which also is a central point of disputation between competing vocabularies in a specific epoch Each vocabulary is grounded in a political tradition read through our national myths which authorize the visions of national identity and purpose and which contain significant deliberative aspects for each vision of the nation impels distinct political imperatives Such imaginaries are our political priorities in action Taking one specific moment of political change the author illuminates the larger processes of change competition and stability in national politics

*Michael Osborn on Metaphor and Style* Michael Osborn, 2018-07-01 This volume features two dimensions of Michael Osborn's work with rhetorical metaphor The first focuses on his early efforts to develop a conception of metaphor to advance the understanding of rhetoric while the second concerns more recent efforts to apply this enriched conception in the analysis and criticism of significant rhetorical practice The older emphasis features four of Osborn's more prominent published essays revealing the personal context in which they were generated their strengths and shortcomings and how they may have inspired the work of others His more recent unpublished work analyzes patterns of metaphor in the major speeches of

Demosthenes the evolution of metaphors of illness and cure in speeches across several millennia the exploitation of the birth death rebirth metaphor in Riefenstahl's masterpiece of Nazi propaganda *Triumph of the Will* and the contrasting forms of spatial imagery in the speeches of Edmund Burke and Barack Obama and what these contrasts may portend **Rethinking Rhetorical Theory, Criticism, and Pedagogy** Antonio de Velasco, John Angus Campbell, David Henry, 2016-10-01 What distinguishes the study of rhetoric from other pursuits in the liberal arts From what realms of human existence and expression of human history does such study draw its defining character What in the end should be the purposes of rhetorical inquiry And amid so many competing accounts of discourse power and judgment in the contemporary world how might scholars achieve these purposes through the attitudes and strategies that animate their work *Rethinking Rhetorical Theory Criticism and Pedagogy* The Living Art of Michael C. Leff offers answers to these questions by introducing the central insights of one of the most innovative and prolific rhetoricians of the twentieth century Michael C. Leff This volume charts Leff's decades long development as a scholar revealing both the variety of topics and the approach that marked his oeuvre as well as his long standing critique of the disciplinary assumptions of classical Hellenistic renaissance modern and postmodern rhetoric *Rethinking Rhetorical Theory Criticism and Pedagogy* includes a synoptic introduction to the evolution of Leff's thought from his time as a graduate student in the late 1960s to his death in 2010 as well as specific commentary on twenty four of his most illuminating essays and lectures Strains of Dissent Kelly Jakes, 2019-01-01 During the German Occupation from 1940 to 1944 Resistance fighters Parisian youth and French prisoners of war mined a vast repertoire from a long national musical tradition and a burgeoning international entertainment industry embracing music as a rhetorical resource with which to destabilize Nazi ideology and contest collaborationist Vichy propaganda After the Liberation of 1944 popular music continued to mediate French political life helping citizens to challenge American hegemony and recuperate their nation's lost international standing Ultimately through song French dissidents rejected Nazi subordination the politics of collaboration and American intervention and insisted upon a return to that trinity of traditional French values *libert egalit fraternit* *Strains of Dissent* recovers the significance of music as a rhetorical means of survival subversion and national identity construction and illuminates the creative and cunning ways that individual citizens defied the Occupation outside of formal resistance networks and movements **To Become an American** Leslie A. Hahner, 2017-10-01 Pledging allegiance singing the Star Spangled Banner wearing a flag pin these are all markers of modern patriotism emblems that announce the devotion of American citizens Most of these nationalistic performances were formulized during the early twentieth century and driven to new heights by the panic surrounding national identity during World War I In *To Become an American* Leslie A. Hahner argues that in part the Americanization movement engendered the transformation of patriotism during this period Americanization was a massive campaign designed to fashion immigrants into perfect Americans those who were loyal in word deed and heart The larger outcome of this widespread movement was a dramatic shift in the nation's understanding of

Americanism Employing a rhetorical lens to analyze the visual and aesthetic practices of Americanization Hahner contends that Americanization not only tutored students in the practices of citizenship but also created a normative visual metric that modified how Americans would come to understand interpret and judge their own patriotism and that of others

**Executing Democracy** Stephen John Hartnett, 2012-01-01 Executing Democracy Capital Punishment the Making of America 1683 1807 is the first volume of a rhetorical history of public debates about crime violence and capital punishment in America This examination begins in 1683 when William Penn first struggled to govern the rowdy indentured servants of Philadelphia and continues up until 1807 when the Federalists sought to impose law and order upon the New Republic This volume offers a lively historical overview of how crime violence and capital punishment influenced the settling of the New World the American Revolution and the frantic post war political scrambling to establish norms that would govern the new republic By presenting a macro historical overview and by filling the arguments with voices from different political camps and communicative genres Hartnett provides readers with fresh perspectives for understanding the centrality of public debates about capital punishment to the history of American democracy     *National Rhetorics in the Syrian Immigration Crisis* Clarke Rountree, Jouni Tilli, 2019-10-01 The Syrian refugee crisis seriously challenged countries in the Middle East Europe the United States and elsewhere in the world It provoked reactions from humanitarian generosity to anti immigrant warnings of the destruction of the West It contributed to the United Kingdom s Brexit from the European Union and the election of Donald Trump as president of the United States This book is a unique study of rhetorical responses to the crisis through a comparative approach that analyzes the discourses of leading political figures in ten countries including gateway destination and tertiary countries for immigration such as Turkey several European countries and the United States These national discourses constructed the crisis and its refugees so as to welcome or shun them in turn shaping the character and identity of the receiving countries for both domestic and international audiences as more or less humanitarian nationalist Muslim friendly Christian and so forth This book is essential reading for scholars wishing to understand how European and other countries responded to this crisis discursively constructing refugees themselves and an emerging world order     On the Frontier of Science Leah Ceccarelli, 2013-11-01 The frontier of science is a metaphor that has become ubiquitous in American rhetoric from its first appearance in the public address of early twentieth century American intellectuals and politicians who aligned a mythic national identity with scientific research to its more recent use in scientists arguments in favor of increased research funding Here Leah Ceccarelli explores what is selected and what is deflected when this metaphor is deployed its effects on those who use it and what rhetorical moves are made by those who try to counter its appeal In her research Ceccarelli discovers that the frontier of science evokes a scientist who is typically male a risk taker an adventurous loner someone separated from a public that both envies and distrusts him with a manifest destiny to penetrate the unknown It conjures a competitive desire to claim the riches of a new territory before others can do the same Closely reading the

public address of scientists and politicians and the reception of their audiences this book shows how the frontier of science metaphor constrains American speakers helping to guide the ends of scientific research in particular ways and sometimes blocking scientists from attaining the very goals they set out to achieve      Reconciliation in Global Context Björn Krondorfer, 2018-10-29 When we open the newspaper watch and listen to the news or follow social media we are inundated with reports on old and fresh conflict zones around the world Less apparent perhaps are the many attempts at bringing former adversaries together Reconciliation in Global Context argues for the merit of reconciliation and for the need of global conversations around this topic The contributing scholars and scholar practitioners who hail from the United States South Africa Ireland Israel Zimbabwe Germany Palestine Belgium Bosnia and Herzegovina Serbia Switzerland and the Netherlands describe and analyze examples of reconciliatory practices in different national and political environments Drawing on direct experiences with reconciliation efforts from facilitating psychosocial intergroup workshops to critically evaluating official policies they also reflect on the personal motivations that guide them in this field of engagement Arranged along an arc that spans from cases describing and interpreting actual processes with groups in conflict to cases in which the conceptual merits and constraints of reconciliation are brought to the fore the chapters ask hard questions but also argue for a relational approach to reconciliatory practices For in the end what is important is to embrace a spirit of reconciliation that avoids self interested action and instead advances other directed care This book is freely available in an open access edition thanks to Knowledge Unlatched an initiative that provides libraries and institutions with a centralized platform to support OA collections and from leading publishing houses and OA initiatives Learn more at the Knowledge Unlatched website at <https://www.knowledgeunlatched.org> and access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/7139>      *Conflicted are the Peacemakers* Eric N. Budd, 2012-12-20 The 1993 Oslo Accords were a key attempt to resolve the Palestinian Israeli conflict whose failure was largely attributed to extremists on both sides The book challenges this conventional wisdom by examining the role of Israeli and Palestinian peacemakers themselves in derailing the peace process Looking at the role of moderates before and after Oslo the different agreements and peace proposals they negotiated and their rhetoric the book shows that these peacemakers retained an inherent ambivalence toward the peace process and one another This prevented them and their constituents from committing to the process and achieving a lasting peace This unique survey shows how the people who drive the peace process can not only undermine it but also prevent its successful conclusion By dealing with such an important aspect of negotiation the book will foster a better understanding of the role of moderates and why peace processes may falter It will fill a gap in the literature and be a valuable research tool for anyone studying conflict processes the Arab Israeli conflict and Middle East politics      **The Promise of Reason** John T. Gage, 2011-11-11 No single work is more responsible for the heightened interest in argumentation and informal reasoning and their relation to ethics and jurisprudence in the late twentieth century than Cha m Perelman and Lucie Olbrechts Tyteca

s monumental study of argumentation *La Nouvelle Rh torique Trait de l Argumentation* Published in 1958 and translated into English as *The New Rhetoric* in 1969 this influential volume returned the study of reason to classical concepts of rhetoric In *The Promise of Reason* Studies in *The New Rhetoric* leading scholars of rhetoric Barbara Warnick Jeanne Fahnestock Alan G Gross Ray D Dearin and James Crosswhite are joined by prominent and emerging European and American scholars from different disciplines to demonstrate the broad scope and continued relevance of *The New Rhetoric* more than fifty years after its initial publication Divided into four sections Conceptual Understandings of *The New Rhetoric* Extensions of *The New Rhetoric* The Ethical Turn in Perelman and *The New Rhetoric* and Uses of *The New Rhetoric* this insightful volume covers a wide variety of topics It includes general assessments of *The New Rhetoric* and its central concepts as well as applications of those concepts to innovative areas in which argumentation is being studied such as scientific reasoning visual media and literary texts Additional essays compare Perelman s ideas with those of other significant thinkers like Kenneth Burke and Richard McKeon explore his career as a philosopher and activist and shed new light on Perelman and Olbrechts Tyteca s collaboration Two contributions present new scholarship based on recent access to letters interviews and archival materials housed in the Universit Libre de Bruxelles Among the volume s unique gifts is a personal memoir from Perelman s daughter No mi Perelman Mattis published here for the first time *The Promise of Reason* expertly compiled and edited by John T Gage is the first to investigate the pedagogical implications of Perelman and Olbrechts Tyteca s groundbreaking work and will lead the way to the next generation of argumentation studies

*Israeli Peace Discourse* Dalia Gavriely-Nuri, 2015-02-15 What role do language and discourse play in the advancement of peace What is the connection between a given society s peace language and the repeated failure of peace initiatives involving it At the heart of this book lie these basic questions and the attempt to shed light on them from new angles The book focuses on an analysis of Israeli peace discourse and indicates the need for change in this discourse in order to promote a culture of peace It presents the process of peace estrangement a set of linguistic discursive and cultural devices intended for creating doubt regarding the positive meaning associated with the concept of peace The approach adopted in this book is the Cultural Approach to Critical Discourse Analysis CCDA This approach aims at exposing the cultural codes embedded in the discourse which contribute to reproducing abuses of social power The analytic chapters focus on different historical periods since the beginning of the 20th century to this day and deal with various genres found in diverse corpora such as Knesset records and school textbooks

*The Rhetoric of Antisemitism* Amos Kiewe, 2020-10-28 *The Rhetoric of Antisemitism* focuses on the initial struggle Christianity experienced with Judaism intensifying a hatred thereof and settling on a religious dogma of eternal guilt meant to perpetuate antisemitism for eternity Kiewe tackles the similar approach Islam has taken in its tension with Judaism and how it was turned centuries later into the Arab Israeli conflict significantly with the help of Nazi antisemitism and propaganda This book discusses the significant rise of antisemitism in the 19th and 20th centuries including the forgery pamphlet *The Protocols of the Elders of Zion* that

promoted the charge of Jewish world domination and the more recent Durban Conference 2001 as a major turning point in conflating antisemitism and anti Zionism including the linguistic games used to merge antisemitism with anti Israelism  
Scholars of religious studies history and rhetorical studies will find this book particularly useful

Right here, we have countless book **Shared Land Conflicting Identity** and collections to check out. We additionally present variant types and then type of the books to browse. The good enough book, fiction, history, novel, scientific research, as without difficulty as various further sorts of books are readily easily reached here.

As this Shared Land Conflicting Identity, it ends in the works being one of the favored book Shared Land Conflicting Identity collections that we have. This is why you remain in the best website to look the unbelievable book to have.

### **Shared Land Conflicting Identity Introduction**

In today's digital age, the availability of Shared Land Conflicting Identity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shared Land Conflicting Identity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shared Land Conflicting Identity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shared Land Conflicting Identity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shared Land Conflicting Identity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shared Land Conflicting Identity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shared Land Conflicting Identity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shared Land Conflicting Identity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shared Land Conflicting Identity books and manuals for download and embark on your journey of knowledge?

### **FAQs About Shared Land Conflicting Identity Books**

1. Where can I buy Shared Land Conflicting Identity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shared Land Conflicting Identity book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
