Sharing the Good News with Mormons

Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it? Someone you know is a Mormon, a family member, a coworker, a friend, or a neighbor, and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations, respond with compassion and clarity to Mormon teachings, understand your Mormon friends, and find ways to keep the dialogue going. Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it.

Do you feel uncomfortable about sharing your Christian faith with a Mormon friend, coworker, or neighbor? Have you wished for a clearer understanding of the differences between Mormonism and Christianity? If you've ever wanted a friendly, easy-to-use guide for talking with your Mormon friend or acquaintance, you'll find this book an ideal help. In her warm, personal style, Donna Morley will equip you with the basic essentials for pointing Mormons to Christ and biblical truth. In this expanded edition of what used to be *A Christian Woman's Guide to Understanding Mormonism*, Morley provides many practical illustrations and step-by-step guidelines along with study questions and a simple yet powerful tool called a Fact Sheet, which will build your confidence in sharing your faith with Mormons. Engaging with Mormons Corey Miller, 2020-11-01 Many people see Mormons as just another branch of the Christian church and to be admired perhaps for their family life morality and upright culture But the theology and spirituality of this cult are very far from an orthodox biblical understanding of true saving faith And yet Christians are often fearful of engaging in conversations about the gospel with Mormons knowing that there are suspicions and complex issues that lie beneath the surface This short book is designed to help both Christians and whole churches to understand more about the beliefs mindset and motivations of those who are members of the Church of Jesus Christ of the Latter Day Saints Mormons and to reach out to them with the good news of the gospel Written at a level that everyone can understand this book emphasizes the importance of forming loving honest and open relationships as part of the way we engage with our Mormon friends and neighbors and with those who may come knocking at our doors
