## Sharing My Comfort Collection Of Journey:

**The Lake** Jon Anderson, 2025-03-05 The story revolves around Steve a man in his late fifties who returns to a familiar lake from his childhood As he stands at the edge of the lake he is flooded with memories of his youth the carefree summers spent with his family and the simple joys of childhood The lake once a boundless playground now seems smaller its shores subtly altered by the relentless hand of nature Steve reflects on the passage of time the changes in the landscape and the changes within himself As he walks along the pebbled shore he is reminded of the fragility of the present moment and the constant flux between past and future He encounters a solitary figure sitting by the water s edge a fisher whose presence embodies the quietude of the evening Steve feels a kinship with the stranger a shared understanding of solitude and the solace found in the quiet beauty of nature In the deepening twilight Steve notices a woman sitting gracefully by the water s edge Her presence is both mysterious and comforting and she emanates an aura of tranquility Steve feels a surge of anticipation and uncertainty wondering who she is and what brought her here As he approaches her he feels as though he has encountered something extraordinary something that promises a significant change in his life s path The story is a journey of self discovery reflection and acceptance Steve s return to the lake is not just a physical journey but a journey into the depths of his own being He contemplates the years gone by the missed opportunities the regrets and the paths not taken The lake becomes a mirror reflecting not just the landscape but the passage of time within him the gentle weathering of his own life Through his encounters with the fisher and the woman Steve finds a profound acceptance of life s rhythms and a renewed sense of hope for the future

**Forgiveness** Nya Gathu,2025-04-29 My story about finding happiness and the gift of forgiveness In my story I focus on two significant encounters because they set me on the path toward seeking happiness and forgiveness However I discovered other encounters in my life that also required forgiveness As I share my story don t be misled into thinking my life is filled with hardship or pain On the contrary my life has been rich with enchanting beautiful and wonderful encounters far more than I can recount here Yet how we choose to react to one negative experience can overshadow the 99 9% of wonderful moments in our lives if we view everything through the lens of that single event When I finally broke free from that perspective I was able to fully experience all the beauty life had to offer 100% of it This freedom came from the choice to forgive commit to it and decide how to react to negative energy In the end I m grateful for those once painful experiences because they led me to forgiveness healing and thriving At the conclusion of my story I will share the process I used to achieve forgiveness Be prepared though true forgiveness isn t easy It s a long ongoing process and a lifelong practice It s not a one time event However after reading this book I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes I let go of anger bitterness and resentment replacing them with joy happiness and peace My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving Forgiveness is for you and is a powerful tool for your success It allows you to reclaim power from those who hurt you transforming what happened to you into something that works for you and it all begins in your mind I believe you cannot heal without forgiving and you cannot grow without healing So forgive heal grow and thrive
