God's Love In 3-Dimensions Jim McGrew, 2007-03-27

Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us? That is what this book *God's love in 3 dimensions* is about: God's love for us and His designed purpose for our lives. Reflecting back over more than forty years of service in the Body of Christ, I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us, Our love for God, and Our love for one another. For the success and the life of the Church and for our personal lives, God's love must prevail. God's Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus, our Lord, prayed for God's unity and love for His followers that all of them may be one Father, just as you are in Me and I am in You. I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I Myself may be in them. John 17:21-26. What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father? The greatness of God's love, joy, and peace fills our hearts, souls, and minds, providing divine direction and assurance as we walk in our Lord's Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord? What creates and produces unity with the Heavenly Father within us and within the body of Christ? God's love. What motivated God's plan of salvation for mankind? God's love. What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation? God's love. What would be the greatest and most significant news a person could receive? God loves you. What is the greatest and most significant news one could ever share with another? God loves you. What brings unity and peace within our individual selves and the Lord's Church? The knowledge, the receiving, and the expression of God's love. This book is written through the spiritual desire to glorify and praise the Triune God Head for their love.

Faith in Christ Today: Invitation to Systematic Theology Klaus Nurnberger, 2016-06-27

The task of theology is to translate the priceless message of the gospel of Christ from its ancient sources into current experiences and patterns of thought. In this first volume, the author presents a lucid and accessible account of the Word of God and challenges his readers to find their own responses to this message. In volume II, he interprets the classical assertions of the Christian faith in terms of God's creative and redemptive project.
