 2047 in Dayton Ohio In response to food and water shortages the U S government has developed an enormous and  
 powerfully successful agricultural area the Heartland Grid just north of the city In the meantime in the wake of declining  
 American power a multinational force has established itself in Cleveland Behind these quickly shifting alliances lies a  
 troubling yet tantalizing question what will the American future look like Sharp and Dangerous Virtues is the story of  
 ordinary people caught in situations they had never planned for or even imagined There are Chad and Sharis a married  
 couple with two sons holding out for normal life in their decaying suburb Tuuro a black church custodian whose false  
 confession of murder is used for political purposes Lila Dayton s aging lonely Commissioner of Water who dreams of being  
 part of the pure existence of the Grid residents and Charles and Diana idealistic lovers trying desperately to preserve the  
 nature center that has become their refuge What will these people do What choices are left for them and what choices have  
 been taken away Whom and what can they trust Novelist Moody known for her vivid portrayals of complicated characters  
 and relationships in novels such as Best Friends and Sometimes Mine weaves together cataclysmic events and the most  
 intimate of human emotions to create a future that seems achingly real Sharp and Dangerous Virtues will change the way you

**Sleek Sword** Babatunde R. Ajimoti, 2018-01-19 Sometime ago in a hospital where I was practicing a friend of mine gave us a  
 riddle He asked us to guess a powerful plague that is greater than HIV AIDS and worse than cancer His clue was This  
 condition targets the heart of man We all gave up after mentioning some heart diseases but could not decode his riddle He  
 cleared his throat and said Deception is the canker that can destroy the body soul and spirit of a man All terrible sicknesses  
 in life can only destroy the body but not be able to kill the spirit and soul Hence deception is greater than HIV AIDS and  
 worse than cancer Mr Deception could be described in many ways He is a rapist many people have been violently defiled  
 physically financially economically and spiritually through his activities The trauma left in the life of his victims has made  
 some people miserable for the rest of their days on earth This monster has made mincemeat of wise men and women  
 Ironically this evil monster could be seen wearing a mask in many unusual places His leprous fingers could be found turning  
 families upside down and pitting best friends against one another Mr Deception will jeopardize the future generation through  
 his nefarious work He could use the government against ordinary citizens and pulpits against the pews Mr Deception is  
 becoming more sinister and deadly and has become a tool in the hands of the enemy of our soul He is perfect in what he does  
 and is a smooth operator What our adversary the devil is doing today through deception mimics the events in chapter one of  
 the book of Daniel Satan targets the children of God with the nuclear weapon of deception His ultimate goal is to deny them

the presence of God in eternity Everyone needs to brace up to wage war against deception without which it may be difficult to fight the good fight of faith
