Shaw Norman Rosenblood,1972 **Shaw. Seven Critical Essays. Edited by Norman Rosenblood. (Reprinted.).**
Norman ROSENBLOOD,1972 **Shaw: Seven Critical Essays** Shaw Seminar. 1966 - 1968, Niagara-on-the-Lake,
Ontario,1972 A Contemporary Shavian Manifesto Azeez Jasim Mohammed,2016-05-11 A Contemporary Shavian
Manifesto presents an appraisal of George Bernard Shaw s position on women in his plays The dramatist s unconventional
approach itself is praiseworthy as he creates unwomanly women who are deviant and create their own space outside social
conventions and practices In creating a counterpoint to the norm Shaw succeeds in creating the image of a new woman who
is no longer the angel of the house The book explores the ways in which Shaw addresses gender inequality in society through
an examination of women s role in the social religious moral and economic spheres In addition to studying Shaw s exploration
of the radical woman this book traces his attempts to project a new woman who is the pursuer rather than being pursued The
playwright questions the relegation of woman to the domestic space the arbitrary distribution of duties between men and
women and patriarchally determined codes of conduct imposed upon woman His foregrounding of women as the force behind
what he calls Creative Evolution achieves a kind of feminisation of the life force the central theme in his plays **Julius
Caesar's Self-Created Image and Its Dramatic Afterlife** Miryana Dimitrova,2017-12-14 The book explores the extent to
which aspects of Julius Caesar s self representation in his commentaries constituent themes and characterization have been
appropriated or contested across the English dramatic canon from the late 1500s until the end of the 19th century Caesar in
his own words constructs his image as a supreme commander characterised by exceptional celerity and mercifulness he is
also defined by the heightened sense of self dramatization achieved by the self referential use of the third person and
emerges as a quasi divine hero inhabiting a literary historical reality Channelled through Lucan s epic Bellum Civile and
ancient historiography these Caesarean qualities reach drama and take the shape of ambivalent hubris political role playing
self institutionalization and an exceptional relationship with temporality Focusing on major dramatic texts with rich
performance history such as Shakespeare s Julius Caesar Handel s opera Giulio Cesare in Egitto and Bernard Shaw s Caesar
and Cleopatra but also a number of lesser known early modern plays the book encompasses different levels of drama s active
engagement with the process of reception of Caesar s iconic and controversial personality Consuming Traditions
Elizabeth Outka,2009 Examples of faux authenticity abound in today s marketplace Trading on the commercial appeal of the
ersatz real however is far from a twenty first century invention As Consuming Traditions investigates the allure of
commodified nostalgia and the selling of the genuine article emerged as powerful forces in early twentieth century Britain
Elizabeth Outka redefines the debates surrounding literary modernism and the market as she explores the marketing of
authenticity a crucial but overlooked development in the history of modernity With an interdisciplinary approach that probes
novels plays advertisements and architecture Consuming Traditions presents a convincing case for how the commodified

authentic the selling of objects and places allegedly free of commercial taint marks a critical turn in modern culture and offers a new way to understand literary modernism and its complex negotiation of tradition and novelty Drawing on cultural studies theories of consumerism and works by Shaw Forster Woolf Joyce and others Outka examines how literature both enacted and critiqued the larger revolution in material culture BOOK JACKET *A William Somerset Maugham*

Encyclopedia Samuel Rogal,1997-05-28 William Somerset Maugham was one of the most popular and successful British writers of his time From October 1897 when he completed his medical education at St Thomas s Hospital in London until his death in December 1965 Maugham wrote twenty novels filled nine volumes with his short stories wrote thirty one plays and published seven volumes of prose nonfiction His writings reflect the tensions of the Boer War World War I and World War II the lavishness of the highest levels of British and American society during the first six decades of the 20th century the glamor of Hollywood Paris New York San Francisco and London and the romance of China Malaya Borneo and India His popularity brought him prosperity At a 1962 auction 35 of his paintings sold for nearly 1 5 million bequests in his will totaled 280 000 his royalties during the last ten years of his life averaged 50 000 per year and his Riviera estate purchased in 1927 for 48 000 sold for 730 000 in 1967 This reference book is a guide to Maugham s fascinating life and career The volume begins with a brief discussion of the importance of Maugham s life and work followed by a detailed chronology of important biographical and literary events Through several hundred alphabetically arranged entries the encyclopedia overviews Maugham s drama fiction and prose nonfiction his family the persons whom he knew and with whom he associated the places where he lived and to which he journeyed particularly the cities and villages that he inserted into his works and the historical cultural social and political issues that governed his life and career Each entry closes with a brief bibliography and the volume includes a selected bibliography of critical studies **Fabianism and Culture** Ian Britain,2005-10-20 This book is an attempt to

remedy the neglect of the cultural and aesthetic aspects of English socialism in the late nineteenth and twentieth centuries An outstanding symptom of this neglect is the way in which the Fabian Society and its two leading lights Sidney and Beatrice Webb have usually been depicted as completely indifferent to art and to the artistic ramifications of socialism Most commentators have painted Fabian socialism as a narrowly utilitarian programme of social and administrative reform preoccupied with the mechanisms of politics and largely oblivious of wider more human issues One of the basic aims of the book is to question this bleakly philistine image by showing the basis of the Fabians beliefs in romanticism as well as utilitarianism The Writer Writing Francis-Noël Thomas,2014-07-14 In an age of authorless contextless deconstructed

texts Francis No l Thomas argues that it is time to re examine a fundamental but neglected concept of literature writing is an action whose agent is an individual Addressing both general readers and scholars Thomas offers two cases Bernard Shaw s Saint Joan and Marcel Proust s *A la recherche du temps perdu* read against the background of the authors large eccentric and surprisingly similar claims about their texts as acts He examines what happens when we take these claims seriously

enough to find out why the authors made them in the first place and what bearing they have on the texts themselves

 1969 *Bernard Shaw's and Virginia Woolf's Interior Authors* Lagretta Tallent Lenker, 2024-05-09 Virginia Woolf and
 Bernard Shaw may be the odd couple of Twentieth Century modernism Despite their difference in age Shaw was twenty six
 years older than Woolf and public demeanor Shaw sought public attention while Woolf shunned the spotlight they actively
 held similar convictions on most of the pressing and controversial issues of the day This book demonstrates that both
 engaged in social reform through the Fabian Society both took public anti war positions and paid dearly for it both fought
 British censorship throughout most of their careers as writers both sought to strengthen women's rights and both
 endeavored to revolutionize their respective art forms believing that art could bring about positive social change The main
 focus of the book however concerns how both also created interior authors characters who write and who either self censor
 their own works or highly publicized messages or are censored by their fellow characters These fictional authors maybe
 considered reflections of their creators and their respective milieus and serve to illuminate the satisfactions and torments of
 each famous author during the writing process National Union Catalog , 1968 Includes entries for maps and atlases *A*
