Shawns Red Bike:

Shawn's Red Bike Petronella Breinburg, 1976 Because his mother can't afford to buy the new red bicycle in the shop window Shawn saves all the money he earns to buy it for himself **American Potpourri**, 1977 **Interracial Books for Children Bulletin**, 1982 DHEW Publication No. (OE), Black Authors and Illustrators of Books for Children and Young Adults Barbara Thrash Murphy, Deborah L. Murphy, 2006-12-21 Black Authors and Illustrators of Books for Children and Young Adults is a biographical dictionary that provides comprehensive coverage of all major authors and illustrators past and present As the only reference volume of its kind available this book is a valuable research tool that provides quick access for anyone studying black children's literature whether one is a student a librarian charged with maintaining a children's literature collection or a scholar of children's literature The Fourth Edition of this renowned reference work illuminates African American contributions to children's literature and books for young adults The new edition contains updated and new information for existing author/illustrator entries the addition of approximately 50 new profiles and a new section listing online resources of interest to the authors and readers of black children's literature **Ready, Set, Read** Ellen Mahoney, Leah Wilcox, 1985 A guide for parents interested in involving young children in the reading experience Includes guidelines for evaluating and selecting books and annotations for hundreds of books recommended by the authors **A Revolutionary for Our Time** Leo Zeilig, 2022-03-22 Walter Rodney was a scholar working class militant and revolutionary from Guyana Strongly influenced by Marxist ideas he remains central to radical Pan Africanist thought for large numbers of activists today Rodney lived through the failed though immensely hopeful socialist experiments in the 1960s and 1970s in Tanzania and elsewhere The book critically considers Rodney's contribution to Marxist theory and history his relationship to dependency theory and the contemporary significance of his work in the context of movements and politics today The first full length study of Rodney's life this book is an essential introduction to Rodney's work **Best Bike Rides Boston** Shawn Musgrave, 2014-04-15 **Best Bike Rides Boston** describes 40 of the greatest recreational rides in the Boston area Road rides rail trails bike paths and single track mountain bike rides all get included Most rides are in the 5 to 30 mile range allowing for great afternoon outings and family adventures The Sixth Borough Myron S. Lubell, 2013-04-03 In 1951 Miami Beach Florida was one of the most popular resort cities in America the warm weather and tranquil beaches of this tropical paradise attracted thousands of winter visitors mostly Jewish tourists who made the two day drive from New York In addition the resident population of this small island was primarily from New York Thus the city of Miami Beach was sometimes referred to as the SIXTH BOROUGH of New York However if you ventured off the island and crossed the beautiful expanse of Biscayne Bay you were in another world you were in the deep south where Jews were often envisioned as demons with horns colored people were second class citizens and racial laws were reminiscent of Nuremberg and Berlin Myron Lindell was twelve when he moved from Chicago where he was a secular Jew barely aware of his religious or ethnic heritage But In Miami Beach on a

Jewish Island he had an odd feeling he was different He survived the move by blending fantasy with reality and if reality was more than he could handle he escaped by writing adolescent observations in a journal creating imaginative short stories and essays which he rarely shared with anyone except his father a few teachers and a street smart female classmate This compilation of memoirs is not a documentary it is just a testimony to the value of simple memories Too often historians have forgotten the individual view the poetic view which might be closer to reality than the consensus
