She is with Angels August Swanenberg, 2001 *She Is With Angels* recounts the journey from a child's encounter with mental illness and suicide to the adult's quest for understanding the mysteries from thirty years ago. August's childhood is changed forever when his mother becomes clinically depressed. After five years of struggle, his mother ends her life. August, his brother, and his father face their own and other people's taboos about mental illness and suicide. After his father dies many years later, August discovers carefully hidden notes that help him to understand what happened to his mother. *She Is With Angels* is written for survivors of suicide and for those who have experienced mental illness either first hand or through family members or friends. Each year in the U.S. 32,000 people die from suicide, more than from murder. Suicide is the leading cause of death among adolescents. A suicide occurs every 15 minutes in the U.S. and it is estimated that an attempt is made about once a minute. Over 40 million Americans will suffer an episode of depression during their lifetimes. One in four families will directly feel the impact of mental illness. New Books on Women and Feminism, 2004

**My Journey Through Time** Dena Merriam, 2020-01-01 *My Journey Through Time* is a spiritual memoir that sheds light on the workings of karma, the law of cause and effect, that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births. We travel back in time as Dena learns of a life in early 20th century Russia, ranging from the overthrow of the Czar through Nazi Germany, then it's back further to a life in early 19th century America in the Deep South, and before that to a time in Africa in the early 18th century. Her lives in the East, in Persia, Japan, and India go back to the 15th-17th centuries. With each past life, we can see the way in which it has impacted her present life, how it has stemmed from the end of the previous birth, and how it will influence her next life. Dena Merriam is the founder of an interfaith organization, the Global Peace Initiative of Women. A long-time disciplined meditator, Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death. The memories are triggered when Dena meets a new person or visits a new place in her current life. The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance. She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return. Dena has decided to share her story despite being a very private person, in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time. *Arthur's Lady's Home Magazine*, 1856
