

She Walks in Beauty

She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes;
Thus mellowed to that tender light
Which heaven to gaudy day denies.

One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves in every raven tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet express,
How pure, how dear their dwelling-place.

And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

collations hitherto available and detailed commentaries that describe their contextual origins and subsequent reception. Rejected passages of released poems appear as supplements to those poems while other poetic drafts that Shelley rejected or left incomplete at his death will be grouped according to either their publication histories or the notebooks in which they survive. Writing to his publisher in 1813, Shelley expressed the hope that two of his major works should form one volume; nearly two centuries later, the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time. This volume collects two important pieces, *Queen Mab* and *The Esdaile Notebook*. Privately issued in 1813, *Queen Mab* was perhaps Shelley's most intellectually ambitious work, articulating his views of science, politics, history, religion, society, and individual human relations. Subtitled *A Philosophical Poem With Notes*, it became his most influential and pirated poem during much of the nineteenth century, a favorite among reformers and radicals. *The Esdaile Notebook*, a cycle of fifty-eight early poems, exhibits an astonishing range of verse forms. Unpublished until 1964, this sequence is vital in understanding how the poet mastered his craft. As in the acclaimed first volume, these works have been critically edited by Donald H. Reiman and Neil Fraistat. The poems are presented as Shelley intended, with textual variants included in footnotes. Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect, their publication or circulation by other means, their reception at the time of publication and in the decades since, and their place in Shelley's intellectual and aesthetic development.

Contemporary Caribbean Women's Poetry Denise DeCaires Narain, 2002. *Contemporary Caribbean Women's Poetry* provides detailed readings of individual poems by women poets whose work has not yet received the sustained critical attention it deserves. These readings are contextualized both within Caribbean cultural debates and postcolonial and feminist critical discourses in a lively and engaged way, revisiting nationalist debates as well as topical issues about the performance of gendered and raced identities within poetic discourse. Newly available in paperback, this book is groundbreaking reading for all those interested in postcolonialism, Gender Studies, Caribbean Studies, and contemporary poetry. *Women on Poetry* Carol Smallwood, Colleen S. Harris, Cynthia Brackett-Vincent, 2012-01-23. In these 59 essays, published female poets share a wealth of practical advice and inspiration. Aimed at students and aspiring and experienced poets alike, the essays address such topics as the women's collective writing experience, tips on teaching in numerous contexts, the publishing process, and essential wisdom to aid the poet in her chosen vocation. *Poetry* Harriet Monroe, 1919.
