## **She Can Coach:**

**You Can Coach** Joel Comiskey, Sam Scaggs, Ben Wong, 2011-01-31 We've entitled this book *You Can Coach* because we believe that coaching is more about passing on what you've lived and holding others accountable in the process. Coaching doesn't require a higher degree, special talent, unique personality, or a particular spiritual gift. We believe in fact that God wants coaching to become a movement. We long to see the day in which every pastor has a coach and in turn is coaching someone else. In this book you'll hear three coaches who have successfully coached pastors for many years. They will share their history, dreams, principles, and what God is doing through coaching. Our hope is that you'll be both inspired and resourced to continue your own coaching ministry in the years to come. **Brilliant Coaching 4e: Become a manager who can coach** Julie Starr, 2023-05-31 This book provides core coaching principles and beliefs for you to operate from as you manage your team as well as guidance to help you develop key coaching skills including listening, asking effective questions, building rapport, and how to give constructive performance-based feedback. **Coaching Better Every Season** Gilbert, Wade, 2016-11-17 Presents the best coaching methods and practices for each season on the sport calendar: pre-season, in-season, post-season, and off-season, and offers specific actions, tools, and guidelines for coaches to create a cycle of continuous improvement for themselves, their athletes, and their teams. *Routledge Handbook of Sports Coaching* Paul Potrac, Wade Gilbert, Jim Denison, 2013-03-05 Over the last three decades, sports coaching has evolved from a set of customary practices based largely on tradition and routine into a sophisticated, reflective, and multi-disciplinary profession. In parallel with this, coach education and coaching studies within higher education have developed into a coherent and substantial field of scholarly enquiry with a rich and sophisticated research literature. The *Routledge Handbook of Sports Coaching* is the first book to survey the full depth and breadth of contemporary coaching studies, mapping the existing disciplinary territory and opening up important new areas of research. Bringing together many of the world's leading coaching scholars and practitioners working across the full range of psychological, social, and pedagogical perspectives, the book helps to develop an understanding of sports coaching that reflects its complex, dynamic, and messy reality. With more importance than ever before being attached to the role of the coach in developing and shaping the sporting experience for participants at all levels of sport, this book makes an important contribution to the professionalization of coaching and the development of coaching theory. It is important reading for all students, researchers, and policy makers with an interest in this young and flourishing area. *Sports Heroines on Film* Viridiana Lieberman, 2014-11-17 It's hard to find females in leading roles as athletes, coaches, and owners in sports film story lines. With an abundance of male-focused stories, Hollywood continues to reinforce the association of athleticism with masculinity. Portrayals of women in prominent roles indicate social attitudes and values, and when looked at over time, also show what influence the women's movement has had on cinematic representation and social understandings. This discussion of sports film heroines begins with *National Velvet* (1944) and ends with *Secretariat*.

2010 It addresses the question of whether these story lines do or do not empower women as characters and role models while offering alternative cinematic choices that reflect the true and ever growing history of women in sports **One More Night** Kyra Gates,2013-01-14 Damn you still drive me crazy he said as he ran his finger down her exposed arm Her skin was just as soft as he knew it would be and he hated that he never got the chance to explore more Now he was determined to make up for the stupid mistakes he made years ago Marvel had wasted so many years wondering what could have become of the desire and passion he felt for Brittani but no more You should leave Brittani replied Whyso you can run into the arms of another man A man that cannot possibly make you feel that way I do You think I dont see what I do too you You had your chance Marvel felt her heart beating fast against the palm of his hand She wanted him as much as he wanted her I dont want to make the same mistake againI cant let you go I wont You had your chance Marvel felt her heart beating fast against the palm of his hand She wanted him as much as he wanted her I dont want to make the same mistake againI cant let you goCoco You have no choice His lips met hers and she opened to him as he knew she would It had been too long As the kiss grew deeper he knew without a doubt that he had to have her If it took his last breath he would make her his She tasted as good as he thought she would When they had their first kiss it was nothing like this but the sparks still flewjust as they were right now **The Complete Handbook of Coaching** Elaine Cox,Tatiana Bachkirova,David Clutterbuck,2018-08-14 This book provides a wide ranging guide to the complex multidisciplinary area of coaching helping trainees to find comprehensive answers to their coaching questions It allows them to identify and develop their own personal style of coaching A specially selected group of international authors contribute various expertise and insights across three key areas Theoretical perspectives Contexts and genres of coaching Professional practice Issues Learning is also supported by new online resources Videos case studies journal articles and useful websites have been carefully collated by our contributors to help trainees make the crucial link between theory and practice **Women in Sports Coaching** Nicole M.
