

Sheepherders Gold

John Randolph Spears

Sheepherders Gold:

More Than Sheepherders Joxe K. Mallea-Olaetxe, Jess Lopategui, 2025 In the remote community of Elko Nevada the Altube brothers and the Garats started fabled ranches in the early 1870s These hardy citizens created the foundation of a community that still exists today rooted in the traditions and cultures of American Basque families Joxe K Mallea Olaetxe presents a modern study focused on the post 1970s when the retired Basque sheepherders and their families became the dominant Americanized minority in the area During this time the Fourth of July National Basque Festival began to attract thousands of visitors from as far away as Europe to the small Nevada community and brought to light the vibrant customs of these Nevadans This book explores the American Basques present day place in the West bolstered by the collaborative efforts of four contributors including two women all who have been residents of Elko The writers offer firsthand knowledge of their heritage through numerous vignettes and these deeply personal perspectives will entice readers into Mallea Olaetxe's singular and entertaining historical account

Shepherd's Gold Charles Edward Sayers, 1966

Historical Atlas of the American West Warren A. Beck, 1989 The 78 maps in this atlas add significant information to the study of the development of the American West Defined for this resource as those 17 continental states west of the Missouri River The maps range in chronology from explorations in the sixteenth century to the location of World War II prisoner of war and Japanese internment camps The atlas includes maps of geographic flora and fauna data Maps are on the left pages and narratives about the maps re on the facing pages Maps are black and white clear and easily read An Appendix shows Spanish Mexican land grants and there is an index This is an excellent atlas for both middle and high schools Includes a section on Arkansas aboriginal setting and Native American tribes Describes European contacts and settlements

The Gold Diggings of Cape Horn John Randolph Spears, 1895

Paradise Valley, Nevada Howard W. Marshall, 1995 Stonemasons from the Alpine valleys of northwestern Italy shaped the architectural face of Paradise Valley in northern Nevada in the 1860s and 1870s Drawing on their own distinctive skills they constructed the constellation of granite and sandstone buildings that are the region's most visible landmarks Marshall's analysis of this architectural legacy illustrated with 229 photographs and 70 line drawings is not only a valuable resource for scholars in vernacular architecture folklore and cultural geography but also a verbal and visual treat for all who love the American West

The Lost Gold Mine of Juan Mondragón Charles L. Briggs, Julián Josué Vigil, 2022-08-16 Spanish and English version of Historia de la mina perdida de Juan Mondragón with editorial matter in English Includes bibliographical references p 249 262 and index

60 WESTERNS: Cowboy Adventures, Yukon & Oregon Trail Tales, Famous Outlaws, Gold Rush Adventures Mark Twain, James Fenimore Cooper, Max Brand, James Oliver Curwood, B. M. Henry, Grace Livingston Hill, Charles Alden Seltzer, Stephen Crane, Dane Coolidge, Marah Ellis Ryan, Frederic Homer Balch, Frederic Remington, Robert W.

Chambers, Forrestine C. Hooker, Frank H. Spearman, J. Allan Dunn, Robert E. Howard, R.M. Ballantyne, Charles Siringo, 2024-01-17 Embark on an epic journey through the rugged terrains and untamed landscapes of North America with 60 WESTERNS Cowboy Adventures Yukon Oregon Trail Tales Famous Outlaws Gold Rush Adventures This anthology brings together an extraordinary tapestry of tales each capturing the spirit of adventure and survival that defined the American frontier From gripping encounters with notorious outlaws to the treacherous journeys of the Oregon Trail this collection immerses readers in a vivid array of literary styles ranging from realistic portrayals to romanticized depictions crafted by masters of the genre Each story stands out for its narrative prowess transcending regional and temporal boundaries to encapsulate the mythos of the Wild West The anthology features an illustrious roster of authors including literary giants like Jack London O Henry and Mark Twain whose works reflect diverse perspectives on the historical and cultural dynamics of the 19th and early 20th centuries These authors alongside cowboy poets and dime novelists have contributed to the rich tapestry of Western literature aligning with cultural movements such as Realism Naturalism and Romanticism Their collective voices skillfully capture the ethos of exploration and resilience that defined the frontier offering a nuanced exploration of ambition conflict and the quest for freedom For readers seeking a comprehensive dive into Western literature this anthology is an invaluable resource 60 WESTERNS not only showcases the multiplicity of styles and themes that have shaped the genre but also provides a unique glimpse into the cultural and historical contexts that continue to resonate today The volume serves as an educational treasure trove fostering a dialogue between past and present while ensuring the legacy of these adventurous tales endures Immerse yourself in these stories for an enriching exploration into America's rugged past where each piece offers a distinct window into the heart of western lore and legend God, Glory and Gold: Journey to the Conquest of the Incas - The Beginning Paul M. Kochis, 2012-11-27 The Beginning traces the struggles of Isabella of Castile and of the Incas to unify their nations Isabella becomes Queen despite intrigues and launches Columbus to the New World Francisco Pizarro dreams of escaping to this land where only the nimblest survive The Inca Empire with millions of souls is stitched together by the bold courage of Pachecutec His son Topa Inca Yupanque and his grandson Huayna Capac form the most holistic society in the Americas through guile negotiation and military prowess Publisher description **Lost California Treasure** W. Craig Gaines, 2023 Tales of California's buried treasures lost mines and hidden loot From the Pacific Ocean to the eastern Sierra Nevada Mountains California is bursting with rumors of lost riches Sunken cargo from the steamship Brother Jonathon is rumored to still be out there awaiting discovery as well as the location of the famous lost Breyfogle Mine Outlaws like Three Finger Jack and Joaquin Murrieta were said to have stashed their loot while evading law enforcement and Sir Francis Drake's English pirates buried treasures all along the coast Deep underground and underwater a bounty waits for some lucky prospector Join author W Craig Gaines as he unearths stories of legendary and historic lost treasures yet to be found in the Golden State Wool Markets and Sheep, 1901 American Sheep Breeder and Wool

Grower ,1907 **Red Desert** Annie Proulx,2012-07-25 A photographic and multidisciplinary study of one of America s last undeveloped and most endangered landscapes edited by a Pulitzer Prize winning author A vast expanse of rock formations sand dunes and sagebrush in central and southwest Wyoming the little known Red Desert is one of the last undeveloped landscapes in the United States as well as one of the most endangered It is a last refuge for many species of wildlife Sitting atop one of North America s largest untapped reservoirs of natural gas the Red Desert is a magnet for energy producers who are damaging its complex and fragile ecosystem in a headlong race to open a new domestic source of energy and reap the profits To capture and preserve what makes the Red Desert both valuable and scientifically and historically interesting writer Annie Proulx and photographer Martin Stupich enlisted a team of scientists and scholars to join them in exploring the Red Desert through many disciplines geology hydrology paleontology ornithology zoology entomology botany climatology anthropology archaeology sociology and history Their essays reveal many fascinating often previously unknown facts about the Red Desert everything from the rich pocket habitats that support an amazing diversity of life to engrossing stories of the transcontinental migrations that began in prehistory and continue today on I 80 which bisects the Red Desert Complemented by Martin Stupich s photo essay which portrays both the beauty and the devastation that characterize the region today Red Desert bears eloquent witness to a unique landscape in its final years as a wild place **The Gold Rush** Frank W

Lewis,2010-04-09 In 1849 the greatest gold rush in history began as thousands of wouldbe miners gamblers murderers and prostitutes made their way to California to seek their fortunes In less than two years more than 100 00 people arrived from all over the world to get in on the action When the first gold nugget was found in the Mother Lode no one understood the importance of the discovery Soon however hundreds of ships littered San Francisco s harbor abandoned by crew members rushing to the goldfields The first gold was actually discovered in 1847 when California was still part of Mexico The United States had declared war against Mexico in 1846 In 1848 Mexico ceded California and other western lands to the United States before news of the gold strike was known The land belonged to the U S Government It was not open not free for the taking so all the mining done was extralegal outside of the law Once word got out that there was gold to be had for the taking short of sending in the Army to kill them there was no way to stop the miners They seized land and established Mining Districts that weren t authorized by Federal law and then set about governing themselves San Francisco and Sacramento became lawless criminal dominated cities where no man was safe who could not defend himself In The Gold Rush 1847 1849 the seventh book in the series Caleb and his ladies fight to protect their property from a ruthless New York Syndicate that will stop at nothing even murder to take over their operations **The Gold Diggings of Cape Horn: A Study of Life in Tierra del Fuego and Patagonia** John Randolph Spears,2019-12-12 In The Gold Diggings of Cape Horn A Study of Life in Tierra del Fuego and Patagonia John Randolph Spears provides a vivid exploration of the socio economic landscape during the Gold Rush era in South America The narrative interweaves firsthand accounts rich descriptions of the rugged terrain and

detailed observations of both the indigenous cultures and the influx of fortune seekers Spears employs a blend of literary realism and travel writing capturing the essence of life amidst the harsh natural environment and the complexities of human ambition His work is anchored in the historical context of the gold rush reflecting the allure and peril of seeking fortune in the uncharted territories of Tierra del Fuego and Patagonia John Randolph Spears was an accomplished journalist and historian whose keen interest in exploration and maritime history led him to document the significant yet often overlooked regions of South America His extensive travels coupled with his passion for telling untold stories allowed him to craft a nuanced perspective on the lives of those drawn to the gold mines of Cape Horn Spears's background in journalism is evident in his meticulous attention to detail and commitment to authenticity This book is highly recommended for readers interested in American history exploration and the socio economic ramifications of the gold rush Spears engaging prose and insightful analysis provide a compelling narrative that not only reveals the adventurous spirit of the time but also invites reflection on the human experience in extreme conditions

I'll Tell You a Tale J. Frank Dobie, 1981 Collects stories that originate from the folklore of the Southwest

Basque Immigrants and Nevada's Sheep Industry Iker Saitua, 2019-03-20 Basque Immigrants and Nevada's Sheep Industry is a rich and complex exploration of the history of Basque immigration to the rangelands of Nevada and the interior West It looks critically at the Basque sheepherders in the American West and more broadly at the modern history of American foreign relations with Spain after the Second World War Between the 1880s and the 1950s the western open range sheep industry was the original economic attraction for Basque immigrants This engaging study tracks the development of the Basque presence in the American West providing deep detail about the sheepherders history native and local culture the challenges they faced and the changing conditions under which the Basques lived and worked Saitua also shows how Basque immigrant sheepherders went from being a marginalized labor group to a desirable high priced workforce in response to the constant demand for their labor power As the twentieth century progressed the geopolitical tide in America began to change In 1924 the Restrictive Immigration Act resulted in a truncated labor supply from the Basque Country in Spain During the Great Depression and the Second World War the labor shortage became acute In response Senator Patrick McCarran from Nevada lobbied on behalf of his wool growing constituency to open immigration doors for Basques the most desirable laborers for tending sheep in remote places Subsequently Cold War international tensions offered opportunities for a reconciliation between the United States and Francisco Franco despite Spain's previous sympathy with the Axis powers This fresh portrayal shows how Basque immigrants became the backbone of the sheep industry in Nevada It also contributes to a wider understanding of the significance of Basque immigration by exploring the role of Basque agricultural labor in the United States the economic interests of Western ranchers and McCarran's diplomacy as catalysts that eventually helped bring Spain into the orbit of western democracies

To The Last Man, The Mysterious Rider & Desert Gold (A Wild West Trilogy) Zane Grey, 2017-07-06 To the Last Man A Story of the Pleasant

Valley War is a western novel. It is a story of a family feud healed by young love. The story is based on a factual event involving the notorious Hashknife gang of Northern Arizona. The story follows an ancient feud between two frontier families that is inflamed when one of the families takes up cattle rustling. Seventeen years ago, miners working a claim of Belldounds in the mountains above Middle Park had found a child asleep in the columbines along the trail. Near that point, Indians probably Arapahoes coming across the mountains to attack the Utes had captured or killed the occupants of a prairie schooner. There was no other clue. The miners took the child to their camp, fed and cared for it, and after the manner of their kind named it Columbine. Then they brought it to Belldounds. Zane Grey, *The Mysterious Rider*. A face, a woman's face. It was there in the white heart of the dying campfire, it hung in the shadows that hovered over the flickering light, it drifted in the darkness beyond. Zane Grey, *Desert Gold*. Zane Grey (1872-1939) was an American author best known for his popular adventure novels and stories that were a basis for the Western genre in literature and the arts. With his veracity and emotional intensity, he connected with millions of readers worldwide during peacetime and war and inspired many Western writers who followed him. Grey was a major force in shaping the myths of the Old West; his books and stories were adapted into other media such as film and TV productions. He was the author of more than 90 books, some published posthumously and some based on serials originally published in magazines.

California Gold Catherine Hiebert Kerst, Library of Congress, 2024-04-02. *California Gold* offers a compelling cultural snapshot of a diverse California during the 1930s at the height of the New Deal, drawing on the career of folk music collector Sidney Robertson and the musical culture of often unheard voices. Robertson, an intrepid young woman armed only with a map, her notebooks, and the recording equipment of the time, proposed and directed a New Deal initiative, the WPA California Folk Music Project, designed to survey musical traditions from a wide range of English-speaking and immigrant communities in Northern California. In *California Gold*, Catherine Hiebert Kerst explores Robertson's distinctive and modern approach to fieldwork and examines the numerous ethnographic documentary materials she generated with WPA project staff to capture a cross-section of the music that people were actively performing in their communities. Kerst highlights some of the most notable songs, images, and ephemera of the collection, capturing and contextualizing the diverse musical traditions that California immigrant communities performed during the New Deal era. Kerst also foregrounds the ethnographic insights and accomplishments of a significant woman folk music collector who has received less attention than she deserves.

The lost gold mine of Juan Mondragon—n Melaquías Romero, 1990-03. One of the most fascinating folktales of New Mexico concerns a gold mine believed to lie near Truchas Peaks north of Santa Fe. Initially discovered by Spanish explorers, the mine is said to have been worked by three secretive German immigrants who took its location to their graves. Some years later, so the story goes, the mine was rediscovered by a poor herder named Juan Mondragon who died at the hand of his adulterous wife before he could make its location known.

A Companion to California James David Hart, 1987. A comprehensive reference book on the nation's most populous state.

provides in three thousand entries information on cities counties missions flora and fauna architecture climate industries historical periods and events and other topics
