Religion Is Raced Grace Yukich, Penny Edgell, 2020-07-28 Demonstrates how race and power help to explain American religion in the twenty first century When White people of faith act in a particular way their motivations are almost always attributed to their religious orientation Yet when religious people of color act in a particular way their motivations are usually attributed to their racial positioning *Religion Is Raced* makes the case that

religion in America has generally been understood in ways that center White Christian experiences of religion and argues that all religion must be acknowledged as a raced phenomenon When we overlook the role race plays in religious belief and action and how religion in turn spurs public and political action we lose sight of a key way in which race influences religiously based claims making in the public sphere With contributions exploring a variety of religious traditions from Buddhism and Islam to Judaism and Protestantism as well as pieces on atheists and humanists Religion Is Raced brings discussions about the racialized nature of religion from the margins of scholarly and religious debate to the center The volume offers a new model for thinking about religion that emphasizes how racial dynamics interact with religious identity and how we can in turn better understand the roles religion and Whiteness play in politics and public life especially in the United States It includes clear recommendations for researchers including pollsters on how to better recognize moving forward that religion is a raced phenomenon With contributions by Joseph O Baker Kelsy Burke James Clark Davidson Janine Giordano Drake Ashley Garner Edward Orozco Flores Sikivu Hutchinson Sarah Imhoff Russell Jeung John Jimenez Jaime Kucinkas Eric Mar Gerardo Mart Omar M McRoberts Besheer Mohamed Dawne Moon Jerry Z Park Z Fareen Parvez Theresa W Tobin and Rhys H Williams

Ministers of Propaganda Scott M. Coley, 2024-06-04 Scott Coley exposes the inner workings of the religious right s propaganda and how Christians can resist it Good evangelical Christians are Republican It seems like it s always been this way That means the propaganda is working Scott Coley trains a critical eye on the fusion of evangelicalism and right wing politics in Ministers of Propaganda This timely volume unravels rhetoric and biblical prooftexting that support Christo authoritarianism an ideology that presses Christian theology into the service of authoritarian politics Coley s historically informed argument unsettles evangelical orthodoxy on issues like creation science or female leadership convictions not as unchanging as powerful religious leaders would have us believe Coley explains that we buy into propaganda because of motivated reasoning and when we are motivated by perceived self interest the Christian message is easily corrupted But if we recover Jesus s commandment to love our neighbors as ourselves right wing propaganda will lose its power Any reader troubled by American evangelicals embrace of racism misogyny and other unchristian views will find answers and hope in these pages

Stop Resisting Your Sins! Eric Roderiques, 2018-05-15 Everybody has bad habits emotional challenges areas of dysfunction or times when they engage in poor decision making But what can be done about inappropriate hurtful or even dangerous behaviors and habits Oftentimes well intentioned people attempt to use sheer willpower and human effort to bring about positive life changes But too often both inner strength and willpower fade and the temptations of life can become too strong and overwhelming for people to resist It turns out that the secret for successful living comes not from invoking our own inner strength and not by successfully resisting our negative impulses Instead significant life improvements can be brought about by means of transforming negative human impulses into something positive and beautiful Stop Resisting Your Sins is a step by step self help Christian guide for producing positive

Christians under Covers Kelsy Burke, 2016-02-09 Christians under Covers shifts how scholars and popular media talk about religious conservatives and sex. Moving away from debates over homosexuality, premarital sex, and other perceived sexual sins, Kelsy Burke examines Christian sexuality websites to show how some evangelical Christians use digital media to promote the idea that God wants married heterosexual couples to have satisfying sex lives. These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality, encouraging sexual knowledge, emphasizing women's pleasure, and justifying marginal sexual practices within Christian marriages. This illuminating ethnography complicates the boundaries between normal and subversive, empowered and oppressed, and sacred and profane.

Professor Elizabeth Chapin inspires you to have open conversations about sex that will prepare your girls to make healthy, wise, and informed choices. Give them more than a set of rules about sex; instead, offer them an alternative imagination that reframes what Western media culture defines sex to be.

Holy Together Kathleen Finley, 2020-09-18 This book is a look at the spirituality of marriage through the lens of Christian spirituality. It will help you see how your faith and spirituality is lived out daily in your marriage, not just in the churchy activities you may attend. Through looking at grace, vocation, community, asceticism, incarnation, discernment, dying, and rising, you will see more fully the holiness of what you are already living in your marriage, as well as some ways that you can enhance and support that holiness. The term holiness may not be used that often when it comes to marriage, but when you begin to see God's presence everywhere, it is clear that your life is holy, that is, drenched in God, indeed.

The Lies Couples Believe Chris Thurman, 2015-10-01 Are faulty beliefs damaging your marriage? If you are experiencing conflict, anger, or hurt in your marriage, you don't need positive thinking or an escape clause; you need to replace the lies you believe with God's transforming truths for your relationship to become all that it was meant to be. According to Dr. Chris Thurman, everyone enters marriage with misguided attitudes and expectations, such as "My spouse is a bigger mess than me," "The purpose of marriage is to be happy," "My spouse should meet all my needs." This practical book dismantles the ten most common lies couples believe and helps you renew your mind with God's truths for a more caring, close, and connected marriage.

Tomorrow Sex Will Be Good Again Katherine Angel, 2021-03-02 A provocative elegantly written analysis of female desire consent and sexuality in the age of MeToo Women are in a bind In the name of consent and empowerment they must proclaim their desires clearly and confidently Yet sex researchers suggest that women s desire is often slow to emerge And men are keen to insist that they know what women and their bodies want Meanwhile sexual violence abounds How can women in this environment possibly know what they want And why do we expect them to In this elegant searching book spanning science and popular culture pornography and literature debates on Me Too consent and feminism Katherine Angel challenges our assumptions about women s desire Why she asks should they be expected to know their desires And how do we take sexual violence seriously when not knowing what we want is key to both eroticism and personhood In today s crucial moment of renewed attention to violence and power Angel urges that we remake our thinking about sex pleasure and autonomy without any illusions about perfect self knowledge Only then will we fulfil Michel Foucault s teasing promise in 1976 that tomorrow sex will be good again
