Summary of Eugene H. Peterson's A Long Obedience in the Same Direction Everest Media, 2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The world is a difficult place for Christians to navigate We are constantly being bombarded with temptations that come from the flesh the world and the devil 2 The world's way of life is difficult for a pastor to deal with Everyone is in a hurry They want shortcuts and they are impatient for results A pastor is not a tour guide 3 The fifteen psalms that make up the Songs of Ascents were most likely sung by Hebrew pilgrims as they went up to Jerusalem to the great worship festivals They were a way for the people to express the amazing grace and

to quiet their anxious fears 4 The Songs of Ascents are a collection of psalms that were used by the multitudes who said Come let s climb God s mountain go to the House of the God of Jacob He ll show us the way he works so we can live the way we re made **The First Epistle to the Corinthians** Gordon D. Fee,1987-07-10 Gordon Fee s work on I Corinthians is a

contribution to The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God **Welcome to Manhood** Noah Herrin,2025-08-19 The making of a godly man requires hard deliberate choices over time and reliance upon his relationship with God it s not for the fainthearted A boy does not become a man when he turns 18 but when he takes on the character and habits of a man for the good of those around him Exploring what these godly character traits are pastor Noah Herrin offers real world wisdom for 52 key challenges men face on their journey into manhood Each chapter of this action packed book calls men higher addressing one obstacle and providing hands on biblical solutions practical next steps habits to work toward and truths to believe Covering core areas of personal professional and spiritual life topics include how to own mistakes relate to parents choose the right mate use time effectively humble yourself manage your money chase the right goals engage in community be a finisher and much more The world needs not just good men but godly men Jesus is our model of manhood and when men act like Jesus the world is different **The Parables** Douglas D. Webster,2021-03-30 A comprehensive study of Jesus s parables that

emphasizes personal reflection and application Jesus s parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we re not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus s parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus s parabolic teaching to be a feast for both the mind and the soul *Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific* Larry Van De Creek,2013-04-03 Does the scientific process belong in pastoral counseling Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No examines the widespread ambivalence among pastoral caregivers and educators over the growing inclusion of science in pastoral care and counseling methodologies Twenty three seasoned professionals in the field give candid and sometimes emotional accounts of their interest inand reservations aboutthe role scientific research plays in their profession Some authors look at the issue from a historical perspective others voice additional concerns A few make concrete proposals on how chaplaincy can become more

scientific The result is a unique insight into the relationship between the secular and the religious The question of whether science belongs in pastoral care and counseling is moot pastoral care already makes extensive use of psychological testing and psychotherapeutic skills all products of scientific thinking But as technology becomes more dominant and health care delivery reflects a more corporate perspective pastoral caregivers and educators are divided on whether the changes represent the significant opportunity to improve a ministry or the surrender of the ministry's very essence The essays collected in *Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No* go a step farther breaking down the issue of faith versus science into more specific questions for pastoral caregivers such as Can what you do be measured Do you have an obligation to embrace the challenge of change Is becoming more scientific a necessity for staying in touch with your health care peers How cost effective is the pastoral care you provide if it doesn't include the scientific process Could a reluctance to incorporate science into your counseling cost you your job *Professional Chaplaincy and Clinical Pastoral Education Should Become More Scientific Yes and No* presents thoughtful and thought provoking debate that is a must read for all pastoral caregivers and educators Bread for the Journey Thomas W. Currie, 2015-08-31 Preparing for ministry involves more than the acquisition of certain skills The shape of a disciple's soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care Ministry is not easy and the preparation for this form of Christian discipleship is open to a variety of temptations not least of which is a kind of despair over the paucity of one's own resources or worse the illusion that one is better off relying on one's own talents and virtues What is needed is bread for this journey not necessarily exhortations to work harder but words of encouragement and grace that bear witness to the surprising reality that ministry is in fact a joyful gift These notes from a dean who sought to help his students discover that joy in their study and preparation bear witness to the One whose life provides bread for every journey especially for the journey of pastoral ministry Breaking Free Beth Moore, 2007-04-01 Do you want to know God and really believe Him Do you want to find satisfaction in God experience His peace and enjoy His presence Do you want to make the freedom Christ promised a reality in your daily life In *Breaking Free* Beth Moore embarks on a study of selected passages from the book of Isaiah drawing several parallels between the captive Israelites and today's Christians in order to show how to make freedom in Christ a daily reality Moore teaches readers to remove obstacles that hinder freedom by identifying spiritual strongholds in their lives and overcoming them through the truth of God's Word truth that will set us free *Abba's Whisper* Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices

calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself *Scripture Commentary Sampler* Dave Martin,2019-07-29 This book provides a brief introduction to the literature of Bible commentaries Its purpose is to present some of the best thoughts from Bible scholars and inspire readers to further explore this rich genre This Sampler aims to whet the appetite of people who may not have seminary degrees but who nevertheless desire a deep dive into God s Word *The Will of God* Michael Phillips,2017-08-29 The author of *Make Me Like Jesus* shares a personal and thought provoking inquiry into the practical mechanics of knowing God s will in our lives One of the greatest mysteries of the Christian faith is how we can understand the Will of God The difficulty is underscored by Scripture s repeated use of the word unknowable in connection with the Almighty How can we possibly grasp that which is unknowable Yet God commands us to know him He also commands us to search diligently to find wisdom We are therefore called upon to make the attempt to understand something we will never be capable of knowing In *Will of God* Michael Phillips discusses how we can best approach this challenge with gusto as well as humility *When You Don't Have the Words* Reed S. Dunn,2025-06-25 God wants to hear from us So he gave us the Psalms Enter a deeper communion with God Let every Psalm shape your prayer life Experience fresh prayer using ancient practices Sometimes we can t find the right words to express our grief longings or even our joy But in the Psalms God gives us words to give back to him The Psalms are deep and vast speaking from every season of the soul As we pray the Psalms they form us They teach us how to pray and what to pray In *When You Don t Have the Words* Praying the Psalms Reed S Dunn shows how the Psalms enrich our prayer lives Dunn gives deeply practical guidance relating to the challenges we face with praying the Psalms and highlighting how they can reshape and enliven our prayer With the Psalms we always have words to pray [Forward Leader Guide](#) Nick Cunningham,2017-04-18 Designed for use with the Forward Participant Book and video the leader guide helps leaders facilitate a small group using Forward curriculum It contains instructions on how to use the interactive participant book and video in each session as well as additional teaching content from the author Forward is a seven session small group study based on the virtues lifted up in 2 Peter 1 3 11 moral excellence knowledge self control endurance godliness affection for others and love Readers will discover the importance of actively pursuing a godly life not just resisting sin but fully embracing the life of goodness and love that Christ offers us In Forward the first sequel to the One curriculum author Nick Cunningham leads Christ centered small groups to take the next step in faith together pushing one another forward to grow in faith knowledge and actions consistent with a Christian life As a sequel to Cunningham s study *One A Small Group Journey Toward Life Changing Community* Forward follows the same format including a participant book with

teaching content and interactive elements a leader guide and video Small groups that have not previously used One will enjoy Forward as a guide for developing Christian virtues with the support and partnership of others **A Fruitful Life**
Ashley Hales, Bryce Hales, 2025-04-08 Discover the Path to Spiritual Growth Jesus frequently used fruitfulness as a metaphor of growth and vitality in our faith Just as a plant s fruitfulness reveals its health there are spiritual characteristics that reveal our own growth and vitality But how do we get a life of fruitful obedience when we re exhausted anxious and busy Jesus tells and shows us the way in his most famous sermon The Sermon on the Mount Much more than a list of rules we discover that it s Jesus vision of a good and fruitful life In their new eight week Bible study A Fruitful Life Ashley and Bryce Hales help readers dive deep into the Sermon on the Mount and explore a life spent living and loving as Jesus did A Fruitful Life includes Eight sessions for group or individual use that include access to video teaching Individual reflections for each day of the week for deeper study and sustained engagement A Fruitful Life isn t just about reading Scripture it s about fully engaging with the text and seeing how God s Word can transform our daily lives
