Beyond the Black Power Salute Gregory J. Kaliss, 2023-04-18 Unequal opportunity sparked Jim Brown's endeavors to encourage Black development while Billie Jean King fought so that women tennis players could earn more money and enjoy greater freedom. Gregory J. Kaliss examines these events and others to guide readers through the unprecedented wave of protest that swept sports in the 1960s and 1970s. The little-known story of the University of Wyoming football players suspended for their activism highlights an analysis of protests by college athletes. The 1971 Muhammad Ali-Joe Frazier clash provides a high-profile example of the Black male athlete's effort to redefine Black masculinity. An in-depth look at the American Basketball Association reveals a league that put Black culture front and center with its style of play and shows how the ABA influenced the development of hip hop. As Kaliss describes the breakthroughs achieved by these athletes, he also explores the barriers that remained and in some cases remain today.

Horse Racing's Most Wanted David L. Hudson, 2011-05-31 Known as the sport of kings, horse racing has been around the track so to speak. Out of the gates as early as ancient Greece, the Olympic Games racing would truly find its footing centuries later when Arabian horses were brought to England during the Crusades. Soon nobles with deep pockets were striking friendly wagers, and by Queen Anne's reign, races with big purses were off and running. And making their way across the pond, in the United States, horse racing has given the world of professional sports, even baseball, a run for its money. In *Horse Racing's Most Wanted*, readers will have the inside track on the sport that draws more than a million viewers every spring with the Triple Crown. Only eleven horses have swept this illustrious series in its 130-year history. Race alongside these near-mythical champions, the jockeys and trainers who spurred them on, and the many competitors who came, raced, but did not conquer. Whether or not it's the Derby, this sport is exciting. Learn about the fastest fillies, oddest names, greatest tracks, studliest sires, and more. Author David L. Hudson Jr. returns to the *Most Wanted* series with more than fifty lists that cover the sport's surprising upsets, tragic falls, and photo finish races. No matter if you win, place, or show, this book is a sure bet.
