It was electrifying and humbling blissful and destructive all at the same time Paris 1936 When Dora Maar a talented French photographer painter and poet is introduced to Pablo Picasso she is mesmerized by his dark and intense stare Drawn to his volcanic creativity it isn't long before she embarks on a passionate relationship with the Spanish artist that sometimes includes sadism and masochism and ultimately pushes her to the edge The Paris Muse is the fictionalized retelling of this disturbing love story as we follow Dora on her journey of self discovery and expression Set in Paris and the French Riviera where Dora and Pablo spent their holidays with their glamorous artist friends it provides a fascinating insight into how

Picasso was a genius who side stepped the rules in his human relationships as he did in his art Much to Dora s torment he refused to divorce his wife and conducted affairs with Dora s friends The Spanish Civil War made him depressed and violent an angst that culminated in his acclaimed painting Guernica which Dora documented as he painted As the encroaching darkness suffocates their relationship a darkness that escalates once the Second World War begins and the Nazis invade the country Dora has a nervous breakdown and is hospitalized Atmospheric intense and moving The Paris Muse is an astonishing read that ensures that this talented often overlooked woman who gave her life to Picasso is no longer a footnote Praise for The Paris Muse An accomplished literary novel and also an absolute page turner Raw sexual charisma and its descent into toxic cruelty which is set and artfully echoed in times of peace and war Essie Fox author of the Sunday Times bestseller The Fascination Dora Maar The Weeping Woman of Picasso s famous paintings steps out of the canvas in Louisa Treger s unforgettable new novel Dora s passionate obsessive relationship with the artist came close to destroying her and Treger s beautifully written first person narrative takes us deep inside her grief and torment Picasso emerges as a controlling sadistic man who is single minded in pursuit of his art first his pleasure second This is a powerful absorbing read about a woman who was a talented artist in her own right and it illustrates very graphically who was responsible for making the Weeping Woman weep Gill Paul internationally bestselling author of A Beautiful Rival Gifted photographer and painter and muse of Picasso Dora Marr comes vibrantly to life in Treger s new novel THE PARIS MUSE A fascinating and heartfelt portrait of a female artist striving to succeed in the male dominated Parisian art world readers won t be able to resist rooting for Dora or relishing every page until The End A compelling and absorbing read Heather Webb USA Today and International bestselling author of Queens of London
