Curveball Dr. Lonnie J Clinkscale, 2025-03-04 Life unfolds much like a baseball season beginning with the spring of youthful exuberance progressing through the summer grind marked by streaks and slumps and concluding with an autumn of sober reflection Today author Dr Lonnie Clinkscale stands as a successful content man a devoted husband and father and a top administrator for a large urban hospital system in the southern United States However this present day reality starkly contrasts with the author s beginnings In baseball terms Clinkscale was born with two strikes against him He was the fifth of six children and a member of the Black urban poor in gritty Youngstown Ohio during the mid 1960s His home life was fraught with challenges including an abusive alcoholic father and Lonnie struggled with learning disabilities that made him appear intellectually slow and uncommunicative From his

grandfather Lonnie absorbed the wisdom of baseball while a streetside ministry called the Needle s Eye instilled in him a deep love for God Built on these foundations Clinkscale embarked on a slow arduous and improbable journey toward personal and professional success This journey was far from linear like a baseball season it twisted and turned shaped by the unexpected challenges that every life encounters A life devoid of surprises would be as unremarkable as baseball without its curveballs The secret lies in managing these surprises in ways that foster growth and compassion ultimately shaping one into a leader who serves others a servant leader
